The WrestleZone at Universal Studios, Orlando, FL

19 Oct 2016

The words “*Two weeks ago*” appear in the bottom right hand corner of the screen.
Ron in the ring has had enough.

Hall: OK, Ok, I see where this is going, let’s just cut to the chase. You can’t go tonight? Fine. No problem.

Mikey and Kendrix do another fist bump, this time they feign having issue pulling their fists apart. Finally they break free and yell out “GLUEFIST”.

Hall: But that doesn’t mean your partner can’t compete!

The fans erupt into a frenzy.

Hall: So tonight...Kendrix will take on John Sektor one on one. Sean Jackson will be ringside as a special enforcer. Just to keep things on an even keel.

Kendrix and Mikey on the stage get very angry very fast.

Unlikely: You don’t know what you’ve done to yourself. Things are going to change around here real fast Ron, you wait.

Fade.

Someone near the glass moves and we get a glimpse of someone signing a document at the table, but the view of who the person is is blocked.

Blackfront: Could this be regarding all the rumors swirling about WrestleUTA!?

Ace: MAYBE LA FLAMA BLANCA IS BACK!?

Blackfront: Calm down Tommy.

The pages flip, and another signature. This repeats for a few seconds , finally the man brings his other hand over to stack the documents and that’s when we see the cast.

The man in front of the glass moves completely as everyone stands up. That’s when it becomes clear (If it wasn’t obvious already) that the signature belonged to that of Mikey Unlikely.

He shakes the hand of all the men across the table from his side, and smiles widely.

Fade.

Voice: What the hell guys, I’m a wrestler! I am supposed to be here! Where the fuck is MARSHALL!?

It’s the former three time UTA Heavyweight Champion: Sean Jackson.

Police Officer: Sir, we have a report that you are not authorized to be here, in fact we were told you were trespassing. So unless you have a ticket, you will have to leave the premises immediately.

Jackson: reported by whom? Ron Hall? He will tell you I’m supposed to be here.

They duck his head into the backseat of the SUV.

Police Officer: No sir, Someone higher up, the owner of the company.

Sean gets a very confused look on his face.

Jackson: There must be some mistake!?

Slam!

Police Officer: They all think its some "Big Mistake"

Fade.

Mikey Unlikely, the UTA Champion pulling Sektor's foot off of Kendrix and breaking the pin up. Sektor is absolutely furious as Kendrix is just catching his surroundings while latching his hand onto the ref's pant leg, gaining his attention.

Blackfront: No...don't fall for it, damn it! It's a trap, John!

Sektor rolls out of the ring as the referee tends to Kendrix who keeps turning so the action is all to the referee's back. As Sektor closes in on Mikey, the UTA Champion ducks behind the steel steps and waits to pounce on his prey. The Gold Standard whips the corner and in a fraction of a second...BAM!

Blackfront: OH MY GOD!...The cast, Tommy....the cast just EXPLODED OVER THE HEAD OF JOHN SEKTOR!!!

The Wrestlezone explodes in boo's as the commentary tries to talk over it.

Ace: I told you it wasn't fake!

Blackfront: That's...uh...well...no...his arm isn't..

Mikey Money quickly grabs Sektor and rolls him into the ring while the ref still has his back turned. Kendrix dives in, still dazed and hooks the leg yelling for the pin. The head referee just looks at Mikey questioning what happened. The UTA Champ replies "He passed out, count the damn pin!"

Ace: Yes!

Blackfront: What a load of...ugh...one...two..three.

The bell rings as Mikey grabs his hurt arm raising it up high the same time Kendrix throws both his arms up staggering up to his feet.

Fade.

Ace: That's YOUR UTA Heavyweight Champion Jason! That's the man everyone in the industry is gunning for! That is the man who represents UTA with dignity and respect everywhere he goes.

Blackfront: Do you actually believe the words you say, or do you just spit out whatever comes across your head?

Ace: Yes! Of course!

Kendrix joins Mikey, as they stand, Unlikely bends over and lays the UTA Title down on the mat, smiles, smacks it, and exits the ring with his Bruv. The UTA Heavyweight Championship remains.

Ace: WHAT THE HELL!?! Mikey, what are you doing!?! You forgot your belt!

Blackfront: Ladies and Gentlemen, I'm not sure why, but Mikey Unlikely just left the UTA Heavyweight Championship

Ace: That's right. We're here again for another huge show Jason and I am excited!

Blackfront: There's a lot to be excited about Tommy. Even more so, so many questions to be answered! There has been a lot of odd goings on around here recently.

Ace: On top of that, we have yet another week of brand new superstars debuting right here tonight, and mystery opponents!

Blackfront: It's the promotion all superstars want to work for and all of the dirt sheets call number one.. this is the United Toughness Alliance and tonight may be bigger than any prior.

Ace: I can't wait!

Blackfront: Then lets get the party sta...

"Blunt Blowin" by Lil Wayne hits the Loudspeakers and the fans begin to boo.

Blackfront: Another show starting off with this guy?

Ace: YES! We're so lucky Jason! Why wait!?! Mikey is an important guy!

A long red carpet unrolls from the entrance way and extends down the ramp. A single spotlight hits the stage.

Ace: Oh my god he's here!

Blackfront: Lance Mikes!?

Ace: No, you idiot! Mikey!!!

The self proclaimed "World's Greatest Sports Entertainer" comes through the curtain and the volume on the audience picks up. Right beside Mikey is his best friend and fellow "Hollywood Bruv" Jesse Frederick Kendrix. Both men wear suits and sunglasses. Mikey in his signature aviators, and JFK in his also signature Armani Bug Eye shades. At the top of the ramp they stop and smile, and allow the fans to take pictures.

The lights slowly come back up as they come down the ramp. A black box appears on the screen, and we see the names of the two. "Mikey Unlikely and Kendrix".

Ace: The Hollywood Bruvs are livvvvveeeee!

The pair get to the ring and slowly make a scene about climbing the stairs and stepping inside.

The lights come up, the spotlight disappears, and the music slows as Kendrix grabs the mic from ring announcer Jeremy Roberts!

Kendrix: Listen, Yeah!?

Booooooooooooooooooooooooooooo

He smiles and waits.

Kendrix: I SAID.... LISTEN, YEAH!? You people here in Orlando are pretty shitty listeners, aye!?

Ace: DID HE SAY FORMER!?

Blackfront: What!?

JFK lets that sink in before...

Kendrix: My best Bruv and yours! Mikeyyyyyyy UNNNNNLIKKKKKEEEELLLLYYYYYYY!!!!

He smiles and claps while the Wrestleplex rains the dreaded Boo on Mikey now. Unlikely takes the mic from his tag team partner. He takes off his sunglasses and begins to speak, but before he can the crowd greets him loudly.

MIKEY SUCKS! MIKEY SUCKS!
MIKEY SUCKS! MIKEY SUCKS!
MIKEY SUCKS! MIKEY SUCKS!

Finally he gets the chance to speak.

Unlikely: Thank you Orlando for that warm, warm welcome! I am here for a very very special occasion, and I am sooooo happy that each and every one of you, got up this morning, left your upside down trailer from Hurricane Matthew, and paid for these fine, expensive seats, to see the WORLDS best wrestling and entertainment here on WrestleUTA on Hulu!

Blackfront: Well that was convoluted...

Ace: Shhhhhh.

Unlikely: These last 5 years, have been the greatest of my career!... In fact, that encompasses my entire Career!

He and JFK laugh loudly away from the microphone.

Unlikely: I went from rap superstar, to professional wrestler, to Sports Entertainer, to Movie star, and now TV star! My God, am I talented or what!?

Booooooooooooo

Ace: He sure is Jason!

Unlikely: All of that has been an amazing ride! And even when I was doing all of that, Even when I was recording a major Hollywood blockbuster, Even when I was rapping in the studio with famous muscians, Even when I was hurt!

Ace: What a financially responsible guy!

Unlikely: and that is why, I am making this announcement! Ladies and gentlemen, I , Mister Mikey Unlikely, do hereby RETIRE from WrestleUTA action!

RAAAAAAAAAAHH

The place explodes at this announcement.

Ace & Blackfront: WHAT!?

Unlikely circles the ring, and pretends to wipe a tear from his eye. Kendrix begins clapping loudly over his head, trying to start a slow clap unsuccessfully.

Ace: What are we going to do Jason!?

Blackfront: Wel..

Ace: WHAT ARE WE GOING TO DO!?

Unlikely: Yes, it's true. I've decided to give up my WrestleUTA Heavyweight Title... Well, in reality it's above my fireplace in a display.. And hang up the proverbial boots, at the ripe old age of 28 years old! These knees won't last forever you know...

Ace: Please don't go Mikey!

Unlikely: But that leads me to my second announcement!

Ace: Ohhhh, I don't know if my heart can handle another one.

Kendrix tries to calm everyone down from inside the ring with his hand motions.

Unlikely: Hold onto your pants folks, cause this one is a doozy. Once again, I, Mister Mikey Unlikely, have PURCHASED WRESTLEUTA!!!!!!

BOOO

Ace: YUS!!!

Blackfront: NO!!! Folks we heard the rumors for MONTHS! Who owns UTA!? Well now it seems that man is Mikey Unlikely the former Wrestle UTA Heavyweight Champion, Dynasty member, and WTFC member, who owns this company!

Unlikely: Exactly ONE WEEK AGO, here on HULU, you all saw me sign a document, that document was the purchase of this fine company! Let the Mikey era begin!

The fans boo, as they have been booing, since its been cool to boo Mikey.

Unlikely: NOW! To settle a little business!!!! IF I CAN!!!!

BOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Unlikely: We will once again hold a tournament for the vacant WrestleUTA championship! As a matter of fact it's this championship...

Mikey unbuttons his suit jacket and reveals he is wearing the former WrestleUTA championship, the one recently worn around by Sean Jackson.

Unlikely: Unfortunately Sean Jackson was... busy last week... and he left this in the locker room, so I went ahead and repossessed it on behalf of WrestleUTA enterprises! This title will be on the line in the very first WRESTLEUTA Sink or Swim World Title Tournament, also known as, the WUTASOSWTT to save time!

Blackfront: I'm not sure that saved a second...

Unlikely: TWO WEEKS FROM TODAY, the tournament will kick off right here on WRESTLUEUTA on Hulu, and will proceed on Hulu until its conclusion LIVE on PAYPERVIEW!!!! Sixteen of your favorite UTA Superstars! Round one is going to be a big folks, you won't want to miss this, because every "superstar" who loses in round one, will be released from their respective UTA contracts, while the winners move on to the next round!

Blackfront: He was the owner last week Tommy....

Ace: LET THE MIKEY ERA BEGIN!!!!!!

Chris Ross vs El Dragon Rojo

(Cut to ringside)

We come back from commercial break and find ElDragon Rojo already standing in the ring, awaiting his opponent.

Ace: Last time we saw this guy, he was getting slaughtered by David Hightower. I'm surprised to see him back in WrestleUTA.

Blackfront: Well tonight, he takes on another newcomer! Hopefully his luck will change against this next wrestler.

Badlands by Mayday begins to play over the loudspeakers as Chris Ross walks out to a chorus of boos with a microphone in his hand. He looks around with a disgusted look on his face.

Ross: Cut the music!!!!

Chris makes a cut motion across his neck quickly as the sound fades.

Ross: Really?! No pyros?! No red carpet?! THIS IS HOW YOU DEBUT THE BEST THING TO COME OUT OF HARRISBURG?! Who do all of you think I am?!

The Boss motions over to one of the camera men to come over. Ross looks into the camera.

Ross: Look at me! Do I look like a typical scrub like the rest of these superstars! Look at me man!

The Keystone State Killa rolls up his sleeve.

Ross: Look at main gun number 1! BOOM!

Followed up by flexing his other arm.

Ross: Main gun number 2! BOOM! And that's not all I got to offer! Point that camera down here!

The camera starts to drift down.

Ross: No no no no no! NOT THAT FAR!!!! Sorry ladies I know you'd love to see the bazooka I'm packing but I don't think Hulu would accept that!

Ross casually starts to walk to the ring looking at the fans.

Ross: If anyone wants an autograph that'll be 100 dollars! No, I don't accept Mikey Money! No I don't come cheap! Hey I'm high in demand! It's not my fault I am this talented!

The Boss walks down the ramp and slides into the ring sliding off his shades.

Ross: And Jeremy Roberts, let me save you the trouble brother, cause can't nobody but The Boss, introduce Chris Ross!

He clears his throat.

Ross: Ladies and gentlemen for those of you who don't know who I am you are in for a treat! Tonight the honor bestowed upon each and every one of you is viewing the best thing to come out of Harrisburg. Everyone wants to go ZOMG LANCE MIKES IS HERE?!?! No no no no.... The real talent is yours truly! I am that guy who can ride an elevator with a claustrophobic serial killer! I am that guy who can go fly fishing with a toothpick for killer whales! I am that guy who crossed the Sahara Desert on a unicycle with a flat tire!

Blackfront: Is this guy serious?!

Ace: Those are some pretty impressive accomplishments.

The Boss clears his throat again as the fans at this point are booing so loud it's almost deafening.

Ross: Your cheers are highly appreciated! It means a lot to me! But yes. Where was I? Oh yes as I was saying I am that guy who who won a medieval sword fight with a swiss army knife! And most of all I am that guy who is reppin the 717! Reppin HBG! And I am The Keystone State Killa who walks loud and doesn't need a stick to kick your ass! I am CHRIS "THE BOSS" ROSS!!!! DON'T YOU FORGET IT!!!!

Boooooooooooooooooooooooooooo

Ross laughs as the fans boos are so loud it sounds like thunder dome in the arena.

Ross: See that Roberts? THAT IS HOW YOU ANNOUNCE THE BOSS!

He tosses the microphone at Robert's feet casually.

Blackfront: Well like em or hate em, Chris Ross is here folks. Is this what the Mikey era is bringing us?!

Ace: Ha! I love it!

In the ring, the announcer has regained his composure.

Roberts: And his opponent, from Mexico City, Mexicooo... He weighs in at two hundred and two pounds.

Jeremy Roberts motions with his free hand to the corner.

Roberts: EIIII Draggooooooooooooonnnnnnnn Rojooooooo

Ross lets out a long drawn out yawn as his opponent's name is announced. Dragon lifts his arms in the corner to the cheers that come smattered throughout the Wrestlezone.

The referee checks to see if the two men are ready, and motions for the bell.

Blackfront: And here we go!

Ace: I am highly interested to see what Ross can do. He may have a big mouth but can he back it up?

The two men meet in the center of the ring and Ross wastes no time talking trash to Rojo's face.

Ding, ding, ding.

UTA: WrestleUTA on Hulu S1 E6

The two wrestlers circle one another in the ring. Rojo locks up with Ross and he immediately shoves Rojo across the ring like a rag doll. Dragon rolls off his back to his knees, rubbing the back of his neck while watching Ross smile across the ring. Cautiously he gets back to his feet, and one again walks toward "The Boss".

Blackfront: Again the Mexican luchadore goes at the larger competitor.

Ace: This already is feeling like deja vu of when he faced Hightower!

Blackfront: He goes in for a locku...no! He switches to a single leg takedown and surprises Ross, who falls to the mat face first, Dragon hops overtop and locks in a side headlock. Ross stands up without issue, under the weight of El Dragon Rojo. He lifts the luchadore off his feet, walks towards the corner, sets his feet and back suplexes Dragon HARD!

Ace: Oh shit!

Blackfront: Quite a suplex by the debuting Chris Ross.

Ace: He still has him!!!

Ross still keeping his hands clasped stands up again and tucks his arms under his opponent's armpits and leans back slamming the luchadore hard with a dragon suplex.

Ace: Good god!!!

Blackfront: Ross is just taking full control of El Dragon Rojo! Ross still keeping his hands clasped stands up again and wraps his arms around Rojo's waist and letting out a roar he throws his opponent behind him with a release german suplex.

Ace: Ross with the pin!

1...

2...

Blackfront: And a kickout by El Dragon Rojo!

Ross picks Dragon up by his mask and tucks him under his legs.

Ace: He looking for a piledriver here?

Chris picks him up all the way to his shoulders with a powerbomb attempt. Dragon clasps his legs and swings through with a hurricanrana, as the fans in the Wrestlezone get loud for their guy. They are shut up right away, as Chris Ross rolls through the hurricanrana to his feet, turned and delivers a hellacious lariat that drops Dragon to the mat quickly. There is an audible "oooohhhh" from the audience.

Blackfront: Good god! El Dragon Rojo may be out cold from that shot!

Ace: Ross isn't even done!

Clearly full of rage The suplex machine grabs El Dragon Rojo by the mask and pulls him to his feet. He wraps his arms around the luchadore's body and slams him down with a bone crunching belly to belly suplex.

Ace: And another suplex! This man is a walking encyclopedia of suplexes!

Blackfront: Ross may have a big mouth but he has shown to be quite the athlete thus far!

The Boss still with his arms clasped around El Dragon Rojo hoists his opponent up and casually throws his opponent over his shoulders with an over head belly to belly suplex. Rojo's body crashed right into the corner folded up like an accordian.

Blackfront: Oh for the love of god!!!!

Ace: Someone call coroner's office. This one surely is done....

Ross stands there laughing before he slides out of the ring and walks over grabbing a microphone and sliding into the ring.

Blackfront: What in the world is Ross doing?! He's not even trying to pin the guy.

Chris raises the microphone to his lips.

Ross: Come on Rojo! Is that really the best you can do?! I didn't come here to beat up some clown named after a salsa I can get at the local Target shopping center!

The Boss walks over helping Rojo to his feet.

Ross: Come on! I didn't dump you on your head that hard!!! You're fine!!! Walk it off..... PSYCH!!!!!!

The Keystone State Killa suddenly drops the microphone and runs bouncing off the ropes and nails El Dragon Rojo right in the back of the head with a punch that lets out an audible crack as it lands.

Blackfront: Is that even legal?! What kind of dirty tactic is that?!

Ace: I don't know but I like it!

The Boss laughs as he hoists Rojo to his knees. He holds out the luchadore's arms and presses his foot against the back of his head. Ross points to the camera and takes in the moment like he just wants everyone to take a picture before the fans let out a loud scream of horror as the Harrisburg native slams El Dragon Rojo face first into the mat with a curbstomp.

Blackfront: OH MY GOD!!!!!! HE MAY HAVE JUST KILLED EL DRAGON ROJO!!!! SOMEBODY STOP THE MATCH!!!!!!

Ace: I believe he calls that Welcome To Harrisburg.... If that's what Harrisburg is like I'm scratching it off of my places to visit!

Ross rolls El Dragon Rojo over and casually places a foot on his chest not even bothering to go for an actual cover.

1...

2....

The ref calls for the bell as the Keystone State Killa grabs the microphone.

Ross: Sit down Roberts! Do I even need to announce who won this match? Yeah you know who won this match! That's right! Welcome to Harrisburg UTA! 717! HBG REPRESENT! The Boss has spoken! Now someone get me a slice of pizza and a diet cola! I just curbstomped this piece of trash into next week!

The fans in the arena cheer!

He rubs his face gingerly.

OSV: "BOBO!!"

At the sound of his pet name, Bobby Dean turns and smiles wide. He then see's where the name came from and grimaces a bit.

Dean: Hey Mikey.

The new owner of WrestleUTA is still in his suit, he strides over and give an awkward hug to the big man.

Dean: Congrats on the big news! Owner! That's huge!

The World's Greatest Sports Entertainer leans back and laughs, JFK next to him does the same.

Unlikely: Thanks buddy! Did you hear about the big tournament?

With a nod Dean acknowledges Mikey while looking at the ground.

Unlikely: Don't worry, you won't be in it!

Dean perks up again! Obviously glad he doesnt have to fight for his job on the next episode.

Unlikely: In fact, I felt so bad for excluding you, I went ahead and booked you in a match right here tonight!

The fans in the arena cheer loudly, Bobby looks quizzically at his ex best friend.

Unlikely: IN THE MAIN EVENT! You've always been a main eventer in my heart Bobby!

Mikey puts both his hands on his heart, and waits for the thank you from Bobby, while he get's excited he's waiting for the catch.

WrestleUTA Women's Title Match
Brandy Sutton vs Marie Van Claudio (C)

Suddenly the lights go out in the arena and turn a shade of blood red as *Out of My Way* by Seether begins to play over the loudspeakers.

Roberts: The following match is scheduled for one fall and is for the WRESTLEUTA WOMENS CHAMPIONSHIP!

Brandy Sutton appears at the top of the ramp, big smile on her face.

Blackfront: This match was made on the last WrestleUTA on Hulu, when MVC challenged Sutton!

Ace: What kinda champions just GIVE away title shots?

Blackfront: Hey now!

Roberts: Making her way from Wilmington, North Carolina.... THIS IS BRANDDDDDYYYYYYY
SUTTTTTTOOOONNNNNNNNN

Soaking in the environment Brandy looks up and throws a punch in the air before starting to walk to the ring. She high fives some fans on the way down, and rolls into the ring with energy.

Love Made Me by Vixen plays as the fans are cheering

Marie Van Claudio walks out of the back and into the arena as she sees the fans looking at her and clapping. She begins to walk down the ramp with everyone clapping.

Blackfront: Marie Van Claudio getting a great reaction here in the Wrestlezone. The WrestleUTA Women's champion, defending her title tonight!

Roberts: Hailing from Montreal, Quebec, Canada

Ace: I hope we get a new champion here tonight! I'm tired of seeing that smiling face every week, now the rest of her... I don't mind watching that.

Blackfront: These two women look ready tonight.

Brandy Sutton yells out to the crowd as Marie Van Claudio runs, throwing her forearm into the back of Sutton, sending her to a knee as the bell rings.

Blackfront: Marie Van Claudio not waiting for the bell to start this one.

Ace: Just like all women. You can't be friends for more than two seconds before something happens and you're clawing each other's eyes out, let alone when a title is on the line.

Marie grabs the head of Brandy Sutton pulling her up a bit, before slamming her face first into the canvas.

Blackfront: Marie Van Claudio has said she will be putting Brandy Sutton in her place tonight and will make her take it to the limit.

Marie drops to her knees, grabbing the side of the head of Brandy Sutton as she begins to slam the back of it repeatedly into the canvas.

Ace: Well she's gonna need to push it to the limit if she wants to retain her shitty little belt.

As Marie stands up, Brandy rolls over toward the ropes. MVC grabs the top rope and places her foot into the back of the neck of Brandy Sutton, pressing it as the referee starts to count her.

Blackfront: Relax, bud. Marie Van Claudio without remorse here, breaking away before she can be counted out.

Ace: She was here before Brandy, but since, she feels like some of her shine has been taken away. Tonight she wants to change that perspective by retaining her belt.

Brandy rolls over, the back of her neck now hanging over the ropes as she sits. Marie Van Claudio comes back in, this time sitting to the side so her outer thigh goes into the throat of Brandy Sutton on the ropes. The referee counts her again.

Blackfront: Marie breaking before the five again. I'm unsure if after this, these two can ever be friends again. So much hatred and bitterness coming out tonight.

Brandy tries to crawl away as Marie Van Claudio follows her. MVC brings a foot down that catches Brandy in the side of the ribs. She rolls over and scoots back into the corner. Reaching up to grab the ropes, Brandy tries to pull herself up as Marie Van Claudio comes in with a big open handed slap.

Blackfront: Marie Van Claudio adding insult to injury here tonight as she continues to dominate.

Marie turns Brandy around, slamming her head first into the turnbuckle before immediately grabbing her arm and yanking back.

Blackfront: Brandy Sutton sent across the ring. Marie Van Claudio following close behind.

Brandy turns and hits the corner back first as Marie leaps up.

Blackfront: And a huge splash follows up by Marie Van Claudio.

Blackfront: Marie Van Claudio once again whipping Brandy Sutton across the ring and hard into the opposite corner!

MVC heads to the opposite corner. She raises her hands up before getting a running start. Claudio moves into a cartwheel. As she comes over, she straightens her body out. Her feet hit the canvas and she leaps forward with a forearm, however, Brandy Sutton is able to get her feet up catching MVC in the jaw. The fans cheer.

Blackfront: Brandy Sutton able to slow Marie Van Claudio down a bit there.

Ace: Kicking her right in the money maker.

Brandy heads sideways toward the middle of the ring. She takes off forward, arm out.

Blackfront: Quick clothesline by Brandy Sutton who is trying to build up some momentum. Marie Van Claudio getting right back up.

As she does, Brandy yells for her to bring it. When Marie gets to her feet, Sutton comes forward taking her down with another clothesline. The fans clap at her coming back.

Blackfront: Brandy Sutton now in control as she grabs Marie Van Claudio, pulling her to her feet.

As she comes up, MVC grabs Brandy's arm, swinging it to the side, twisting it once into an arm ringer, moving behind and turning the wrist up into a hammerlock. Brandy is quick to duck low and turn to the side, breaking loose and slipping Marie into a side headlock after spinning free.

Blackfront: Brandy and Marie showing the world that the female superstars in the UTA are some of the most skilled athletes in the world.

Ace: And some of the sexiest.

Marie has broken out of the side headlock by putting the wristlock/hammerlock combination back on, switching back and forth between the two as Brandy does not allow her to keep either hold in place for very long.

Blackfront: This match starting to slow down after an explosive beginning. Marie is working the arm, and it's like she's allowing Brandy to move around, she's comfortable in this jockey for position...

With a side headlock being firmly applied onto her cranium, Claudio pulls Brandy back to the ropes with her and pushes off, sending her opponent running to the ropes across the ring. Marie steps into Brandy with her hip, grabbing her around the shoulders and flipping her over by hooking a leg with her foot and sweeping it out from underneath.

Blackfront: Marie Van Claudio with the judo takedown!

Marie goes to wrench on the head and arm together, but a head scissors with the legs brings her back down. Brandy holds on, but Marie is about to move about and eventually headstand her way out of the move, landing back on her feet. MVC steps back, backpedaling all the way into the corner.

Blackfront: Marie backing away. I'm not sure she expected Brandy to give this much of a fight.

Ace: There's a line between cockiness and confidence that Marie Van Claudio needs to learn.

Blackfront: Some could say the same thing about you Dick.

Brandy wastes no time coming to her feet. Marie comes in to lock up, but her hands are slapped away roughly. Paying no mind, Claudio keeps coming in. Brandy even jabs a slap towards her face, but Marie keeps moving in closer with the hands coming in. When Marie reaches in, Brandy swims through her hands to break them, clinches in, and drives a European uppercut into Marie's upper chest.

Ace: Here we go!

Blackfront: Brandy's coming with the offense again.

Brandy uses the recoil to lock Marie in a front face lock, swinging the arm up and over the head quickly. she easily gets Claudio up and down with a loud snap suplex.

Ace: THERE we go! And she's hanging on...

Brandy rolls the duo over, pulling Marie and himself to a standing base...only to slam Marie down with an even louder snap suplex, a slightly audible curse coming from Claudio when she hits the canvas.

Blackfront: Two! And she's going for the third one!

Ace: A hat trick of pain!

The crowd is cheering, split between both women and the action in the ring, as Brandy prepares to snap MVC for a third suplex. She goes to bring Marie up, but Marie curls her knees and blocks the attempt. Marie then twirls Brandy hard, dropping her quickly with a swinging neckbreaker out of nowhere.

Blackfront: Amazing reversal! These two women are not liked by many, but the fans tonight are buzzing because of the action they are witnessing. This is why the UTA is the best in the world!

Ace: Not bad, not bad..wait a second, does she still have her by the neck?

Marie pulls Brandy up with the neck by using a three-quarter nelson, then a light front face lock to set up a second swinging neckbreaker, the crowd now stomping the ground with their support nearly equally divided.

Blackfront: Marie wants one more! She wants one more!

Marie points high into the air, but Brandy escapes just as Marie starts turning her for the third swinging neckbreaker.

Blackfront: Brandy gets out!

When MVC turns all the way around to face Brandy, a standing dropkick awaits her. Marie stumbles back a bit against the ropes, but a two-step running clothesline flips her backwards, over and onto the floor where she lands onto her feet, falling back against the railing. Brandy stays in the ring, getting a little bit of a bounce to her while turning her body towards the ropes across the ring, but keeping her eyes on Claudio as she pulls herself to her feet by using the railing.

Blackfront: What's Brandy about to do here?

Brandy runs across the ring, looking to hit a suicide dive. Marie pulls back at the last second, prompting Brandy to grab the ropes and do the same.

Ace: Close!

Brandy slides through underneath the bottom with a baseball slide anyway, but Marie sidesteps. Brandy comes out onto the floor, where Marie meets her.

Blackfront: They're going at it on the floor now, not even slowing down...

Marie attempts to whip Brandy into the ringpost, but Brandy jukes around and leapfrogs onto the apron on the adjacent side of the ringpost. Marie comes around the ringpost, but Brandy turns the corner with a springboard rounding crossbody from the apron.

MVC and Brandy move around on the floor, the ref now at two in his ten-count. Marie pulls himself to all fours with the bottom of the railing as Brandy crawls up from the ring apron.

Blackfront: Marie Van Claudio getting to her feet...

Marie is leaning over the railing, now on her feet. Brandy sits on the ring apron, swinging her legs through to break the count.

Blackfront: Now Marie is getting back into the ring....Brandy is waiting for her to get back to her feet...

Brandy shoves Marie back into the nearest corner, quickly whipping her across the ring into the opposite corner. Marie jumps up to the middle rope, but Brandy ducks through underneath when she leaps off with an elbow.

Ace: Did she think that was gonna do any good?

Blackfront: She almost got Brandy- MARIE DUCKS THE SPINNING HEEL KICK! OUT OF NOWHERE BY Brandy Sutton!

Brandy gets up quickly after missing the kick, but Marie does not miss when she throws a stiff open hand to Brandy's cheek. Marie uses a forearm to hit her again, and shove her back into the corner.

Blackfront: What a slap by Marie Van Claudio!

Marie attempts to whip Brandy out, but Brandy reverses and squashes Marie in the same corner, throwing a short right hand to the head after doing so. Brandy jumps onto Marie, hooking her legs into the ropes while on the middle ropes with her knees, throwing more short punches.

Blackfront: Marie Van Claudio's in BIG trouble now!

Brandy widens her shots a little more, but Marie can do little to deflect them. Brandy holds Claudio's head back to hit her again.

Blackfront: Great action tonight by these two women.

Marie traps Brandy's arm, and pulls her in close. Brandy loses balance, and one of her feet slips from being hooked on the rope. She walks out of the corner, holding Brandy over her left shoulder.

Blackfront: How did Marie get out of that?

Marie takes a couple of steps forward, turning around and dropping back to put Brandy down with a waterwheel suplex. Sitting up, MVC holds her head and falls over to one side, while Brandy is still laid out.

Blackfront: And now we've got both of them down...the first one to make a mistake will lose this one.

The camera looks over at Marie, still holding her head while curled up on the canvas. Meanwhile, Brandy rolls over to push herself up onto her knees.

Blackfront: This is still anybody's match, but I have to admit, I don't think it favors Marie Van Claudio as time goes on.

Michael begins up the steps. As he enters the ring, his music begins to fade. Michael Byrd stretches against the ropes as Jeremy Roberts continues.

The only sound that can be heard in the arena is the sounds of a battlefield. Machine gun fire, screams and explosions.

The arena slowly fades to black, the entranceway illuminates with a bright white light. Smoke slowly rises from the floor and down from the top of the stage. A very tall looking figure steps from out of the blinding light.

Blackfront: Whoever Bryd is facing this guy is huge!

The figure slowly walks down the aisle, with the smoke following him. The figure reaches the front of the ring part of the figure can be made out.

Bryd backs away realizing what he has done. Crimson continues to stare at him, Bryd tries something different and charges at CL and throws a clothesline. CL just absorbs it Bryd with a look of horror on his face.

Blackfront: It will take a lot more than that to get the likes of Crimson Lord off his feet Michael!

Ace: We do not agree on much Jason, but i have to agree with you on this one.

Blackfront: Michael has Crimson back in the corner and is unloading a flurry of rights and lefts!

Ace: Take it to him Michael!

CL just keeps letting Bryd assault him, not even defending himself. Bryd grabs CL's arm and whips him out of the corner into the opposite corner and charges in with a clothesline. CL stumbles forward. Bryd runs at him and does a bulldog to the seven footer.

Blackfront: Why is Crimson not even defending himself?

Ace: He is afraid, of Michael!

Bryd bad mouths the crowd all proud of himself. Crimson slowly gets to his feet and looks back at Bryd. Bryd looks back and charges and clotheslines CL over the top rope. Michael holds his head and it appears CL is not done yet. He picks up a stunned Bryd and again sets up another powerbomb! This time tosses Bryd to the other side of the ring with the powerbomb!

Blackfront: Crimson is continuing his onslaught, he has Micheal set up for ANOTHER powerbomb!

Crimson turns around and powerbombs Bryd right into the turnbuckle, Bryd's head whiplashes off the turnbuckle! Michael slumps down at the turnbuckle, his eyes glazed over.

Blackfront: Usually we see some sort of enjoyment in a beatdown like this coming from Crimson Lord. This is a side of Crimson I think we have yet to see.

Ace: That figure on the tron, should've never been able to interrupt the show!

Just as Tommy said that, the same figure appears at the entranceway. The figure has a microphone and still with a distorted voice says.

Figure in Black: Has the Wrestlezone reached a verdict?

Blackfront: Reached a verdict?

Ace: What is this guy talking about?

The figure appears to be looking out to the fans and responds.

Figure in Black: Guilty? Or Innocent?

Blackfront: Is he asking the fans to pass judgment on Michael Bryd?

Ace: What right do these hillbillies have to decided that.

Fans: GUILTY!

Crimson stares out at the sea of fans shouting Guilty!

Bryd is trying to pull himself up with help from the ropes.

Figure in Black: Pass the FINAL JUDGMENT my Perfect Weapon!

Crimson quickly grabs Bryd's by the hair and lifts him up into a standing pausing suplex, soon after turning it into a corkscrew piledriver!

Blackfront: Jesus what sheer power Crimson has Bryd is out..... wait a minute Crimson now has what looks to be a Dragon Sleeper locked in on Bryd!

The referee wastes no time and quickly calls for the bell. As Crimson's theme plays throughout the arena. The figure in black leaves the entranceway as the ref raises Crimson's hand as he stares down at Bryd laid out on the mat.

Blackfront: Crimson proved he is back and in a vicious way!

Ace: Ya but again look at his face, it's like no emotion whatsoever. I think you're right Jason this is a new Crimson Lord.

Ace: He's got em!

UTA: WrestleUTA on Hulu S1 E6

The WrestleZone at Universal Studios, Orlando, FL

19 Oct 2016

Hightower pulls Dean to the center of the ring, a look of pure panic crosses the face of Bobby. Hightower lets go of the leg, and snags a fistful of hair. Dean is quick to his feet with his hair caught up. Hightower holds his head high, and swings for the fences with a lariat across the throat that makes the fans in the Wrestlezone let out a collective gasp. We cut to Johnny Legend who smirks. Outside the ring Madman Szalinski starts barking up towards Johnny Legend.

Blackfront: Dean looks unconscious after that one! In fact the referee is checki... Hightower pushes the referee out of the way! He backs into the corner... he takes a running start and jumps high! He drops the knee right into the back of the head of Bobby Dean!

Ace: WEST MEMPHIS MASSACRE!!!!

Hightower rolls him over and applies the lazy cover. The three count is a formality, Bobby Dean is out cold.

Ding Ding Ding.

Roberts: Your winner of this match, DAVIIIIID HIGHTOWERRRR!!

On the stage Johnny Legend stands clapping. He smiles as Madman rounds the ring, and looks up the ramp at him. Legend waves to Szalinski, and heads back through the curtain. Inside the ring, Hightower doesn't celebrate, he just leaves Bobby Dean lying flat on his face in the center of the ring.

Blackfront: That's our show ladies and gentlemen, This was the first night of the "Mikey era" or WrestleUTA. Tune back in, two weeks from today when the WrestleUTA World Title Tournament begins!

Ace: Yes! Watch all your favorite WrestleUTA stars fight for their jobs, and the World title! It's the ultimate challenge! I can't wait!

The scene fades out on Bobby Dean being attended to.
