Two Weeks Ago

The words "Two Weeks Ago" appear in the bottom right hand corner of the screen with the WrestleUTA logo. We open to Mikey Unlikely with the microphone in the ring.

Unlikely: That said, I do have a big surprise for every WrestleUTA fan in attendance tonight! Right here in Orlando, Florida, Tonight LIVE on HULU. We will determine the number one contender for Kendrix' WrestleUTA World Championship in our main event!

The fans once again get excited, they are so fickle.

Unlikely: TEN of WrestleUTA's top superstars are ready to battle it out for a chance to face this man! Tonight I will introduce the Mikey Unlikely Number One Contenders Invitational Battle Royal! Or the #MUNOCIBR! Two superstars start in the ring, and every minute a new superstar enters! The only way to eliminate an opponent is to throw them over the top and have both feet hit the floor!

Fade.

Impulse gently pulls the microphone back to himself.

Impulse: What happened against David Hightower was unfortunate for me, but that's part'a the game. If I deserved it at the time, I'd've won, regardless of any interference. Now, that being said... I've always done pretty well when I've had more than one opponent. In fact, my career was built on a battle royal that took place nearly a decade ago, so, all things equal, this match is right up my alley. As far as Chris Ross is concerned --

We never find out what Impulse meant 'as far as Chris Ross is concerned' because the second those words leave his mouth, a big metal box connects to the back of his head, and he drops like a sack of potatoes. A sweaty, adrenaline pumping, Chris Ross enters the scene and curbstomps Impulse's ankle.

Chris Ross: This is what you deserve, you asshole! You wanna screw me?!

Fade.

Mikey turns back to Stevens and smiles. A lightbulb.

Unlikely: Okayyyyy Stevens! I think you're right! I think you should get a spot in the battle royal! I like to think I'm a very impartial guy! So I tell you what... I'm even going to let JFK here pick what number you enter! Since you know, my doing it would be conflict of interests. I don't wanna show favoritism or detachment from any of my superstars!

He turns.

Unlikely: Champ!?

Kendrix: Mikey! That's a great idea! I think if Stevens wants the opportunity then he has to EAAARRRRNN it yea?! I mean that's the point of all this innit!? So Stevens I think you'll enter this match in the best spot! NUMBER ONE! Cause you really are the number one Bellend around!

As Stevens watches Mikey and Kendrix laugh like a couple of hyenas the Texan simply shrugs since he got the opportunity he was looking for.

Fade.

The crowd are fired up, but Murray can't capitalise. He's clearly in a lot of pain, and stops to roll the shoulder a couple

of times. It's too much for him, however, and he abandons. Instead, Andy "helps" Baylor up, throws his head under his arm, and goes for a suplex. He can only get him a couple of inches off the mat before he has to abandon, however. Baylor immediately goes after him, but the referee comes in to separate 'em.

Blackfront: Looks like the referee's about to check on Andy...

Ace: Yeah, this doesn't look good.

Andy exchanges a few words with the refere. Baylor is itching to go behind him, but he doesn't risk pulling the referee away. The official raises a hand above his head, calling for Murray to do the same. Murray starts a protest, but relents, and tries to lift the arm up...

He can only get it halfway.

At this point, the referee knows what to do.

DING! DING! DING!

Ace: Woooooow...

Blackfront: He's called it! The referee has decreed that Andy Murray is unable to continue!

Fade.

The fans cheer as Scott Stevens comes through the curtain. He smiles and waves to the crowd, he looks to be in good spirits. He runs about halfway down the ramp, and slides into the ring, he gets up and hits the ropes, testing them out before the next theme song comes on.

Ace: Alright, ALright, let's see who's next! Who's gonna be the guy to throw Stevens over the top in record time!?

"Natural One" by The Folk Implosion hits the loudspeakers and the fans let out an array of boos. New ring announcer, C.H. Jordan makes the call.

Jordan: Coming to the ring next, he is the man who drew number two. Fighting out of Raleigh, North Carolina... This is "The Natural" JAYYYYYYYYYY HAAAARRRRVEEEYYYYYYYYY!

Jay Harvey burst through the curtain, excited as ever. The fans boo him, and he smiles back at them smugly. He slowly walks down the ramp, pointing and yelling at Stevens in the ring.

Fade.

Ace: You shut your mouth Jason! I'm still pulling for Harvey! Crimson Lord pulls Bobby to the middle of the ring dazed. Lord backs up and uses the ropes for momentum as he moves forward with a huge big boot. Bobby begins to step backwards as he holds his face. He backs right into Chris Ross who telegraphs it. Bends over and propells Bobby Dean up and over the top rope and to the floor.

Jordan: BOBBY DEAN HAS BEEN ELIMINATED!

The fans boo.

Blackfront: There goes Bobby Dean!

Fade.

Blackfront: Toxic Sting! HE HIT IT! Harvey is down! Once again Impulse is going for Chris Ross. Both men are in the

corner and Impulse lifts Ross onto the turnbuckle in a seated position. Impulse follows him up now! This is a very precarious position now! Impulse with a hurricanrana out of the corner!

Chris Slams down on the mat, and is lifted right up by Crimson Lord. Ross rakes the eyes and escapes the clutches of the big man, but as he turns he catches one of Impulses biggest moves...

Blackfront: SUDDEN IMPACT!

The superkick sends Ross backpedaling and over the top rope to the outside of the ring.

Jordan: CHRIS ROSS HAS BEEN ELIMINATED!

And the fans once more are on their feet. Chris Ross is down on the outside and appears to be out. He doesn't move very much. The countdown begins once more.

Fade.

The Andy Murray chants break out again as the fans know there is only one more entrant to go.

Impulse backs up and kicks again, this time for Harvey, Jay Harvey ducks the Sudden Impact and Impulse turns around.

Ace: WAKE UP CALL!

Blackfront: That lifting knee to the face has Impulse fallen against the ropes. Harvey follows up with a clothesline over the top rope! Impulse hangs on and begins to skin the cat! Impulse is still...

CRACK! OOOOOOOOHHHHHHHHHHHHHHHHHHHHHH

Out of nowhere comes Chris Ross with a steel chair. As Impulse began to pull himself back up and into the ring Chris Ross side swings the chair and connects with the back of the head of Impulse. He drops like a sack of potatoes.

Jordan: IMPULSE HAS BEEN ELIMINATED!

Blackfront: Dammit Chris Ross! He never left the ringside area after being eliminated!

Every fan in the arena is on their feet, through the curtain comes Andy. Dressed per usual! His black bomber jacket with gold trim on, the long black tights, even the black boots and laces. It appears Andy is still dressed from the earlier match he could not finish.

With his head down and a WrestleUTA hat on he comes out to the end of the stage, at the mouth of the ramp. The bandaged shoulder can be seen behind the jacket.

Blackfront: He's here! Andy Murray WILL COMPETE IN THIS MATCH!

Suddenly the track stops to the sound of a record scratch, and an ALL too familiar MIDI begins to play. The lights come up and the man removes the bomber jacket

"This Fire Burns" By Killswitch Engage (MIDI Version) replaces the track.

Ace: IT'S JACK HUNTER!!!! AHAHAHAHAHAHAHAH! Please tell me Mikey is behind this!

Fade.

Blackfront: Every one of those ankle shots by Jay Harvey are going to play a large role in Crimson Lord being able to lift someone over the ropes!

Harvey now being booed by the crowd, does a circle in the ring and barks back at the fans. He then walks back over to Crimson Lord who still is holding his ankle.

Harvey stomps his shoulder then sets up the foot one more time. He places the foot on the rope, he jumps, and...

Blackfront: WOAH! Crimson Lord just planted his good foot on the backend of THE Jay Harvey and pushed him up and over as he jumped!

Jordan: THE JAY HARVEY HAS BEEN ELIMINATED!

The fans cheer loudly as we're down to the final three.

Ace: NOOOOOOOOOOOOOOOOOOOOOOO!

Blackfront: We have David Hightower, Crimson Lord, and Scott Stevens still in this matchup! Stevens has been in this match since it began! What an effort from the Texan!

Fade.

Ace: Hightower almost has him! Yes! Get Crimson Lord out of there!

Hightower climbs to the first turnbuckle for extra leverage, he gets his arms under the hip of Lord and keeps pushing, lifting, trying to pry him from his grip and drop him to the outside.

Blackfront: What's Scott Stevens doing!?

Stevens is in the opposite corner. He's stood up and he's eyeing the situation careful. He looks from Hightower, to the crowd.

The fans react and come alive. Stevens nods, wipes the sweat that drips from his face. Runs toward the pair, he half jumps, half dives at Hightower.

Almost as if in slow motion, Stevens hits Hightower who loses his grip. Crimson Lord still holds on, but David Hightower goes flying overtop of him and falls to the floor, Hightowers hand smacks against the steel steps on the way

Blackfront: HIGHTOWER IS OUT! STEVENS GOT HIGHTOWER!

Ace: Oh no... Oh no... Oh no...

Ace: HEYYYYY LOOK WHO IT IS!

Blackfront: Mikey Unlikely and Kendrix have decided to get a closer look at this one folks. They now stand on our stage watching the action in the ring.

The crowd boos loudly at the Hollywood Bruvs. They ignore the crowd. Obvs!

Crimson Lord is the first to move, he rolls over to the ropes and uses them to pull himself up. He limps and tries to walk it off, that's when he notices the new audience. Crimson Lord goes to the edge of the ring facing the duo and points out to them and begins to mouth something. Behind him Stevens is stirring. The fans ruin any chance of a surprise as they cheer as Stevens gets up. Stevens once again tries to quickly on Crimson Lord. Crimson isn't paying attention. At the last second it's apparent he's not looking at Mikey and JFK. He's watching the enormous screen right behind them.

Just in time Crimson turns, puts an arm down, and hip tosses a surprised Scott Stevens over the top rope and to the floor.

Ace: Jason, it's the last episode in Orlando for a while and what a night we have in store. Our main event of the evening sees Impulse get a shot at revenge on the man who cost him his chance at the number one contendership for the WrestleUTA title last time out in the #MUNOCIBR, The Boss, Chris Ross!

Blackfront: It certainly was a controversial elimination, Tommy but you're right, WrestleUTA is hitting the road and will be appearing in arenas across the country with episode 14 being filmed in Raising Cane's River Centre Arena. But right now I'm hearing we're about to cut backstage with Jamie Sawyers standing by for an interview with the WrestleUTA World Champion, Kendrix.

Jesse pulls Jamie's mic holding hand towards himself.

Kendrix: Sure, yada yada yada, went away, missed interviewing JFK, saw he won the WrestleUTA World Championship, obvs no brainer, had to come back to get the big scoop opportunity right?

Letting go, Kendrix fondly looks over at his title as Jamie brings the mic back to himself.

Sawyers: Uh, sure, something like that. We're just over a month away from No Love Lost, WrestleUTA's first PPV. Last episode we saw Crimson Lord come out victorious in the Mikey Unlikely Number One Contender Invitational Battle Royal meaning he will challenge you in your first title defense. What are your thoughts on your opponent?

As Sawyers raises the mic up to his interviewee's mouth, Jesse rather cautiously looks over at his title before releasing that trademark dismissive smirk Jamie's way.

Kendrix: Come on Jimmy Jam, honestly? JFK's congratulations go out to Crimson Lord a proper UTA original, a UTA legend. He gets to go one one one with The Chosen One! It's great, you see...this is what Mikey Unlikely's WrestleUTA is all about. Opportunity!

Jesse looks up in thought for a moment, caressing his hand through his beard before looking down at Jamie.

Kendrix: Crimson Lord v Jesse Fredericks Kendrix has a money making ring to it. Mikey gets the opportunity to make more money that he obvs doesn't need and turn that into Mikey Money! Crimson Lord finally gets the opportunity to share the spotlight with the Greatest WrestleUTA World Champion of all time. While JFK TAKES...the opportunity to defeat that overgrown Freak of a BELLEND...in JFK's first ever Title Defence! Everyone wins!

Jamie brings the mic back, ready to strike with another question.

Sawyers: Crimson Lord is no stranger to a title match, do you think his experience will...

At that moment, Kendrix snatches the mic away from Sawyers, his eyes shooting daggers at the interviewer.

Kendrix: JFK thinks that's enough talk about Crimson Lord. Haven't you been listening to a word JFK's said, Jimmy Jam? WrestleUTA is all about opportunity. And as a fighting champion, JFK has given an opportunity to a very deserving talent in this company, to be the first man to share MY ring in battle.

Sawyers looks a little shocked at Kendrix's admission.

Kendrix: What else did you expect from the champ? You thought JFK wasn't gonna compete until No Love Lost? You thought JFK was going to party all the way to the PPV, Jimmy Jam?! Nahhh, maaatttee! As a fighting champion, Jesse Frederick Kendrix will not be taking easy street, in fact, JFK will only be wrestling the very best that this business has to offer...

Jesse leans in close to Sawyers, eye to eye.

Kendrix: Dylan Daniels!

Blackfront: Dylan Daniels? He hasn't appeared in a WrestleUTA ring since episode 4!

A cocky smile appears on the champ's face as he arches his back up straight. Meanwhile, Jamie Sawyers removes another mic from his suit jacket.

Sawyers: And will the title be on the line, Kendrix?

Jesse double takes at Sawyers, a confused expression on his face.

Sawyers: Well, last time I was employed here you always took my mic away from me, figured a spare might come in handy.

Kendrix slaps the mic out of Jamie's hand.

Kendrix: No, the title won't be on the line. It's on the line at No Love Lost, bruv. But make no mistake, everybody might as well treat this match as a spoiler to how the PPV Title match is gonna go down...because tonight, JFK's gonna be treating Dylan Daniels as if he were Crimson Lord!

He kicks Jamie on the ass

Kendrix: Now get the hell out of here Jimmy Jam, JFK's got a match to prepare for!

Who Needs Clearance?

The words "Two Weeks Ago" appear in the bottom right hand corner of the screen next to the WrestleUTA logo. The scene opens to the office of Dr. Leticia Clark, the official medical trainer for WrestleUTA talent. The "Toughest Dog in the Yard" David Hightower sits on the examination table. A scowl on his face. The good doctor is working on one of his hands, that is hidden from view while she works.

Dr. Clark: This doesn't look good at all. Are you sure this is how you want me to set it?

Her arms work tirelessly and it appears she's securing something. There's a light knock on the door. Hightower stands up defensively. His arm still hidden behind the doctor. A lab tech opens the door, looks Hightower up and down, and thinks twice about entering the office. He hands the doctor a very large envelope.

Lab Tech: Here's the copy of the X-Rays you requested Doctor Clark.

She thanks the young man and takes the envelope. The guy takes one more look at Hightower and back out of the room slowly. Leticia opens the envelope and slides the black images out. She places them against a large white board, flips a switch which illuminates the prints showing the bones. Doctor Clark shakes her head.

Dr. Clark: Holy Hell. You have a closed fracture in your number four and five metacarpals. You have a non displacement fracture in number three. Not to mention the comminuted fracture in your pinky finger. Basically your hand is smashed, and there is no way I can clear you right now. We've put the specifically requested cast on your hand, that should protect you from most things, but as far as physical combat goes... I cannot allow it. It's not medically advisable. I'll reassess this in two weeks before the next show but as for now, I'm shutting you down.

Without a word, David Hightower stands up, snarls his lips and swipes his hurt arm out in front of him, wiping out some medical equipment. A disappointed Doctor eyes him up. That's when we notice the "custom" cast on the hand of David Hightower.

Ace: Woah look at that thing!

Blackfront: That's not a cast! That's a club!

Hightower holds it up in front of his face. The cast is closed on the end of his hand. And its rounded to be about 6 inches wide. It's a NFL style club on the end of his hand. He stares directly at it, and mutters one word as he exits the room.

Hightower: Stevens....

Harvey: What the hell are you doing here? Don't you have some cousin to bang?

The sound of banjos can be heard off in the distance. Duke Dibbins makes his way into the picture. His mullet looks extra greasy this evening and his wife beater is more yellow than white. Stewart is in the middle of the two men.

Dibbins: You an me, we gotz arshelvs uh match tonight. I heard bout your fancy rasslin moves! I heard about you beatin up dem Dragons an such. But Ol' Dukey's here to tell ya fella, I aint goin out dere to rassle ya, I'm goin out dere to stomp ya!

Duke folds his arms across his chest and smirks as he nods his head up and down. Dibbins winks in the direction of Catalina, she shoots him a repulsed glare back. Jay Harvey shakes his head at Duke's comments.

Harvey: Jeez. Where do I begin? First of all, there IS no Hardcore Title here in WRESTLE-UTA, you banana head.

Duke looks shocked at the revelation and starts gritting his teeth. He reaches up and feels the shape of his head nervously.

Harvey: Second of all - who do you think you are, barging in on MY TV time? No one pays money to see you. Now listen and listen good, you piece of trailer trash.

Duke Dibbins sticks an eyeball at Harvey. Harvey's voice raises, showing the displeasure of Dibbins' presence.

Harvey: You need to thank Mikey Unlikely for putting you in the ring with the most marvelous man to grace God's green earth. So congratulations... I'm gonna make you relevant for ten minutes.

Jay Harvey takes a step toward Dibbins, who doesn't budge. He looks his opponent right in his eyes, slowing the cadence of his speech.

Harvey: You never will be in my league, understand? I'm a legacy. I'm a natural. You are going to get an up close view of THE Jay Harvey, live and in person.

Paul Stewart keeps the microphone close to Jay Harvey.

Harvey: So I accept. Bring whatever weapons you want to the ring. I'll kick your ass around the entire WrestleZone! I'm gonna show you and all these savages here in Florida why... I'm marvelous.

The fans don't appreciate that line from Harvey and voice their displeasure inside the WrestleZone. Harvey makes his way off screen with Catalina just behind him. Before exiting, she turns and looks at Dibbins with disgust.

♪Jestal's theme hits as the Mad Prince steps from behind the backstage area. His trusty rubber chicken in his clutches as he taunts fans, plays cruel jokes on fans of all ages. As he reaches the ring he slides in the ring and gets the microphone. He sets Clucky in the corner and walks to the center of the ring and extends his hands out to the side and spins in circles soaking in the Wrestlezone filled with boos.♪

Blackfront: Dexter finally will get his hands on this twisted clown here tonight.

Ace: After what Dexter did to Jestal two week ago, I hope The Mad Prince gives him everything he has coming to him!

He stops his spin, and reaches into his coat pocket and pulls out a piece of paper he unfolds it and slowly puts the microphone to his mouth.

Blackfront: Oh, brother does this man really have to speak tonight?

Jestal: Ahem...

The clown clears his throat.

Dexter slides in the ring, but Jestal takes a quick powder before Dexter can get his hands on the twisted jester. Ivy has knocked out the fake Ivy. Jestal quickly exits through the crowd laughing at them. Ivy looking from the floor and Dexter from the ring.

A Change of Plans

The scene opens to the backstage area, where WrestleUTA owner Mikey Unlikely is walking with a purpose. The suit jacket tries to cling through his power walking. Suddenly Mikey reaches a door and knocks loudly and quickly.

The door slides open slowly and it's Scott Stevens. The Texan is as surprised as ever to see Mikey outside his door.

Stevens: Mikey....

Mikey nods quickly and pulls a clipboard out. He looks at it then speaks.

Unlikely: Hey! Mr. Opportunity! It's good to see you! That battle royal though, was a hell of a match! And I for one have to say I'm quite impressed with your performance...

Stevens does a double take and goes to speak but is cut off quickly.

Unlikely: BUTTTTTTT you didn't win! So here you are, just fallen short once more! I thought you might of had it this time! Hell, JFK thought you might have finally found the will to win, but... alas... It was Crimson Lord's night!

Mikey mutters something under his own breath before continuing.

Unlikely: That said, your match is coming up next...

Stevens looks down at his casual attire.

Stevens: Match!? I don't have a match this week!? I checked when I came in!?

Mikey holds up one finger and nods slightly.

Unlikely: Awe! You're right! You WERE NOT scheduled to compete here tonight. But we had a small change of plans. You see, thanks to your specific elimination of David Hightower from the last Main Event, he has not been cleared to compete. His hand is broken in a bunch of places, and.... Ah fuck, I can't remember what that hot doctor said! Nonetheless. He can't go tonight, because of you, so I'm assigning you his match! So get ready! You're up next!

Stevens looks pissed but he nods before closing the door, knowing it's useless to argue with the boss.

Ace: Ha! Scott Stevens just got schooled on the way things work around here!

Blackfront: Maybe so...but either way Stevens has a match! And it's coming up shortly!

The camera turns back to Jamie Sawyers who has a look of disbelief on his face. Ross looks at him

Ross: Got any other stupid questions to ask baldy? No? Didn't think so! Now if you excuse me I need my Mad Dog Energy Drink!

Chris Ross drops the microphone and storms out of the scene leaving a bewildered Jamie Sawyers.

Scott Stevens vs Luke Dibbins

The sound of a banjo can be heard playing in the background moments before “Kick it in the Sticks” by Brantley Gilbert starts playing proper.

Blackfront: Here we go, Tommy! It’s time for part one of tonight’s Dibbins bonanza!

Ace: Great. Awesome. Can’t wait.

Tommy’s voice is rife with sarcasm and displeasure as everyone else in the building “eagerly” anticipates the brouns arrival. It’s not Luke who steps out onto the stage, however, but Duke. Duke waves back frantically, urging his relation of dubious origins out.

Blackfront: What the...?!

Luke Dibbins *finally* stumbles out moments later...

... chomping down a gigantic cheeseburger.

Ace: Oh for the love of God...

Luke hurriedly scoffs down as much of his pre-match meal as possible, but he’s more concerned on eating than actually getting to the ring. Duke goes behind him, pushing him unceremoniously down the ramp.

Blackfront: Well, we already knew these guys were *kinda* unique, but I think we’ve seen it all.

Ace: This lard-ass is eating a goddamn burger on his way to the ring, Jason. How inconvenient of this match to interrupt Luke’s eating time! I guess you don’t get to be that flabby without scoffing a few patties down.

CH Jordan: Ladies and Gentlemen, the following contest is scheduled for one fall! Introducing first, from Turkey, Texas, weighing in at 220lbs... LUKE! DIBBBBBBBBBIIIIINNNNNNNSSSSSS!

The Brouns shuffle their way into the ring when the lights go down in the arena.

The video screen lights up and flashes across the screen a Texas flag, with the words, “Texas Born. Texas Bred.” “Texas Forever.” branded into the flag. The opening guitar riffs and Hellraiser by Motorhead begins to play throughout the PA system.

Blackfront: Scott Stevens with an impromptu matchup here folks, he was unaware he was to compete tonight.

That is all that the ring announcer is able to get off before Stevens goes down face first on the ramp.

Blackfront: What the...

Ace: That's DAVID HIGHTOWER!

Hightower came through the curtain, running full speed and used his new "club" and swang for the fences on the unaware Stevens. Stevens is out cold.

Blackfront: Hightower now, bent over Stevens, raining down shots with that club to the back of the head, someone get out here and stop this!

Ace: No! Someone get me some popcorn!

It doesn't take long but security comes out and removes the crazed man from Stevens. It takes about five security guards to hold him back while Doctor Clark checks on Stevens, trying to help him regain consciousness. Inside the ring The Dibbins look on stunned, and celebratory. Luke thinks he's won the match.

Blackfront: Hightower wasn't medically cleared for this match so Mikey gave it to Stevens...

Ace: Maybe Hightower wanted to make sure Stevens wasn't cleared either.

"Natural One" by The Folk Implosion

The song is in full swing as Catalina walks through the curtain, with a big smile on her face. She turns and extends her arm as "The Natural One" Jay Harvey steps out onto the ramp. Harvey raises his arms into the air as he winks at Catalina. The crowd boos as the two walk down the aisle.

Jordan: Ladies and gentlemen, the following matchup is scheduled for one fall and will be contested under NO DISQUALIFICATIONS... Coming to the ring first, Hailing from Raleigh, North Carolina... Standing at Six Foot-Four inches and weighing in at Two Hundred-Thirty Three pounds...

When the two finally get to the ring, Jay Harvey walks up the ring steps and onto the apron. He sits on the middle rope and signals for Catalina to enter the ring. As she does she gives Harvey a kiss on the lips, shaking her ass in the process.

Ace: Oofoaaa!

Blackfront: Good lord, Tommy. Put your tongue back in your mouth.

Jordan: He is accompanied by the lovely Catalina... He has informed me to refer to him as "the most marvelous man to grace God's green earth"... "The Natural One" THE Jaaaaaaaay Haaaaaaarrveeeeeyyyy!

Jay Harvey comes to a halt in his corner and gets one last kiss from Catalina before she exits the ring; "The Natural One" wipes his feet clean as the fans continue to boo.

Ace: THE Jay Harvey looking good tonight.

Blackfront: He has been on a hot streak as of late.

Ace: Speaking of hot... Look at Catalina! Ooof!

Jay Harvey stands in his corner and awaits Duke Dibbins. "Half Crazy" by The Barr Brothers begins to play and the WrestleZone livens up. Duke Dibbins steps out onto the entrance ramp holding a garbage pail in the air. He drops it on his side and tears his wife beater shirt in half.

Ace: Who does he think he is?

Before C.H. Jordan can even announce his entrance Duke Dibbins picks up the pail and hits the ring. Dibbins chucks the garbage pail full of weapons into the ring. He grabs the middle rope and is immediately kneed in the face by Jay Harvey. Dibbins falls down to ringside and the bell sounds. Harvey goes through the ropes and drops to the floor. right fists on the forehead of his opponent. Harvey pushes Duke right up against the ring and winds up, connecting with a Knife Edge Chop that echoes inside the WrestleZone.

Fans: Woo!

Harvey: You shut your mouths!

Catalina cheers Harvey on as the fans boo him. He grabs Dibbins, Irish Whipping him into the nearby guardrail. Duke slams into the guardrail and fans soon start patting him on his shoulders. Jay Harvey takes a few steps away from Dibbins and rushes him. Duke raises his left leg and makes contact with Harvey's chin.

Blackfront: Out of desperation, Duke Dibbins connects with a boot to Harvey's jaw.

Ace: Lucky shot, Jason.

Harvey covers his mouth and appears to be in pain. He checks for blood and sees none. Duke Dibbins speeds toward Harvey and hits him in the back of the head with a forearm. Harvey stumbles but Dibbins continues the attack with lefts and rights on Harvey's back. Dibbins takes Jay Harvey by the head and tights, sending him into the ring under the bottom rope. Dibbins stands outside the ring still and yells out, to the crowd's enjoyment.

Blackfront: These fans sure do love those Dibbins boys.

Ace: The collective IQ of the state of Florida is less than my shoe size!

Duke makes his way into the ring, just steps behind Jay Harvey who's trying to get to his feet. Duke walks over toward the garbage pail and rummages around looking for a weapon. Dibbins pulls out a rubber chicken and tosses it aside.

Ace: Clucky?!

Duke now pulls out a Singapore cane which gets the WrestleZone on their feet. Jay Harvey is now vertical with his back to Duke.

WHACK!

Jay Harvey takes a cane shot right to the top of his head. Catalina's covers her eyes. Harvey crashes to the mat, holding his head and quickly rolls out of the ring avoiding any more damage. Duke Dibbins goes after Harvey but is met with a European Uppercut as he gets close to the ropes, knocking Duke down to his knees. Harvey acts fast and pulls Duke's head down across the middle rope, choking Dibbins. Duke is turning red as Harvey continues to pull down on the back of his head. Duke puts his hand over Jay's face and rakes his eyes. Harvey walks off and Catalina goes to him to check on him. Duke sits in the ring trying to catch his breath as he holds his throat. Harvey seems okay and goes over to ring announcer C.H. Jordan.

Harvey: Get up idiot!

Jordan jumps from his chair and Harvey folds it up. Dibbins remains by the ring ropes holding his throat and gets blasted in the arm by a vicious chair shot from "The Natural One". Dibbins grabs at his arm, rolling around the ring in pain. Harvey tosses the chair into the ring and nearly hits Dibbins. Harvey slides into the ring and tosses the garbage pail to the outside of the ring. He now stomps at Dibbins' arm. Harvey grabs the chair and opens it up. He slides Duke's possibly injured arm into the chair, forcing Dibbins down on the mat. Jay Harvey hits the ropes and lands a Knee Drop down on the chair.

Blackfront: Duke's arm could be broken!

Duke Dibbins screams in pain after the brutal attack. Duke rolls himself out of the ring and out of further harm. Jay Harvey struts around the ring, gloating about what has just transpired. The fans in unison boo him and he doesn't

Harvey goes for an Irish Whip but Duke is able to reverse it. Jay Harvey slams into the guardrail and goes over, crashing into the timekeeper's table.

Blackfront: These fans are going crazy!

Ace: Someone go check on THE Jay Harvey and make sure he's okay!

The referee goes to check on the condition of Jay Harvey. Duke Dibbins bits his lip and clutches his injured arm. The fans are on their feet and the momentum is now in Dibbins' favor. Duke walks slowly towards the fallen body of Jay Harvey. The referee is close by in case of a pinfall attempt. Duke grabs at Harvey with his good arm and gets Harvey moving. Duke headbutts Harvey, then pushes him on top of the Spanish announce table. Duke slams Harvey's head into the table and the Spanish announcers get out of danger. Harvey rolls off the top of the table and falls down to the floor. Duke grabs at the monitors and tosses them aside. The fans are going ballistic. Duke turns back toward Harvey who is still hazy. Harvey is now leaning on the ring post, catching his breath. Dibbins gets closer to Harvey and Duke gets kicked in the groin.

Ace: Completely legal!

The fans start to boo the action of Jay Harvey as Harvey grabs Duke by the head and sends him under the bottom rope. Jay Harvey grabs the middle rope and pulls himself to the ring apron. He steps through the ring ropes and has his eyes locked on Duke Dibbins. Dibbins is on his knees holding his crotch in pain.

Blackfront: What's Harvey gonna do here?

Ace: I think it's time for Dukey to get a wake up call!

Harvey bounces off the ropes and lands a vicious knee strike to the left temple of Duke Dibbins. The fans in the WrestleZone can sense the end and begin to boo. Harvey wastes no time and picks Dibbins up off the mat. He lifts Duke up and has him in a Fireman's Carry. He spins around glaring at the fans in attendance.

Harvey: Game Over!

Harvey drops Dibbins down and cracks Duke in the face with a devastating Knee Lift. Duke falls back and is out cold. Harvey makes a nonchalant cover as the fans continue to boo. The referee slides over and makes the count.

Referee: One! Two! Three!

The bell sounds and Catalina is already on her way into the ring. Harvey grabs Duke by the hair and yells right in his face.

Harvey: You're nothing! You're nothing you piece of trash!

Harvey drops Dibbins head down to the mat. He rests on his knees and puts his arms in the air. The referee goes to raise Harvey's hand in victory and Harvey immediately pulls his hand away. Catalina grabs Harvey's hand and extends her free arm to show off the winner of the match.

Jordan: Your winner by pinfall... "The Natural One" THE Jay Harvey!

The fans are not pleased. Harvey gets to his feet and is embraced by Catalina. He throws his arm around the back of her neck and raises his other into the air in victory.

Harvey: You're nothing! You're nothing you piece of trash!

There's a knock on the office door, Mikey sits up quickly, removes his feet from the desk, wipes away a smudge, and turns the TV off with his remote. He quickly pulls some papers in front of himself to pretend like he's working on something.

Unlikely: Come in!

The human being on the other side doesn't need a second invitation.

The door swings open as soon as Mikey's last syllable escapes his mouth, and the boss' attention immediately perks up.

Murray: Alright lad?

Former UTA Title contender Andy Murray closes the door behind him. He's looking a little less enthused than usual, but that's usually the case when somebody not named "Kendrix" strolls into Mikey Unlikely's office.

He takes a seat without waiting for Mikey's permission.

Unlikely: What can I do for... you?

Unlikely: How's the shoulder, bruv!? Hoping to come in here and see if I will let you injure yourself farther so you can throw a lawsuit my way!?

Murray: I think everyone saw how the shoulder is two weeks ago.

Andy's got the thing well-covered with a t-shirt/leather jacket combo tonight, but he rolls it for effect. Naturally, the pain induces a wince.

Murray: Your doctor tried to put me in a sling, you know.

Unlikely: Apparently she was right! Hell with you not being able to lift anyone around here. You looking for a match

He chuckles to himself.

Unlikely: Listen, I know why you're here, but the fact of the matter is I couldn't put you in that Battle Royal last week, when you were unable to even complete a singles match! Now that jack Hunter thing? I don't know what happened there. I didn't even call the guy!

The owner of WrestleUTA leans back in his chair.

Unlikely: But let's be realistic, you were in no shape to be in that match, nor are you in good enough shape to go tonight, so my hands are tied. I have legalities and the long term picture to think about, and lemme tell you Bruv, I see big things for Andy Murray!

Murray: The battle royal? Sure, I was pissed for a while, but it makes sense. You want your boy to be champion for as long as possible, ergo, you don't want guys like *me* coming for his belt...

Andy half-smiles, clearly fucking with the boss.

Murray: But believe it or not, I actually agree with you. If I can't lift Theo Baylor, I can't throw nine other men over the top rope. No issues there.

His tone changes.

Murray: What I do have an issue with, however, is the fact that you had the goddamn audacity to announce another contender while I'm still around. I fought Kendrix *injured*... and I still almost put him away. You know very well that if I was fully fit, that match might have ended differently, and as good as that kid is, his title win will always have a caveat attached to it as far as I'm concerned.

Mikey goes wide eyed for a minute before mulling what was said. He goes sober faced as well.

Unlikely: I know nothing of the sort. Our champion overcame 4 rounds of Tournament action. He had JUST as many matches as you did, And unlike you... He won them ALL.

Murray (sarcastically): Sure, yeah. "He won them all." Not interferences, no distractions, no preferential treatment. None of that. Nope. Nadda.

Unlikely: Hey you don't say that! JFK is the best damn Champion this company has seen since... well...ME! And I won't have you in here, where he is unable to defend himself, sullyng this company's top representative without recourse! Now... What the hell can I do for you...tonight? I know you didn't just come in here to whine about missed opportunities.

Frustrated, Murray clenches his fist.

Murray: You know, there are few things I'd like more at the moment than to reach over that desk and slap you across the face, but I kinda like being employed...

Unclench.

Murray: Here's the thing, lad. I like to think I'm a modest man, but I'm also pretty realistic. I know what I bring to the business and what I bring to the UTA, and so do the fans. Now I'm a little banged-up at the moment, but as soon as this thing heals up, I want that opportunity...

The disbelief is palpable.

Murray: You're asking me to thread a needle with boxing gloves there, brother, but I'll tell you what.

Murray: I came to this company to fight, not run away, and I'm not going to let this damn thing hold me back. You're on.

Impulse vs Chris Ross

Blackfront: Well, partner - we made it.

Ace: Made it? Hell are you talking about?

Blackfront: You know what's next, right?

Ace: Next... next... THE BOSS DUMPS ON THE BOY SCOUT!

Jason Blackfront looks at Tommy Ace, and shakes his head.

Blackfront: That's not exactly what I was going for, but you're correct, we're finally going to see 'The Marathon Man' Impulse take on 'The Boss' Chris Ross! This match has been building since the first time we saw Impulse in WrestleUTA when --

Ace: When he cost The Boss his match against Andy Murray!

Blackfront: --When Chris Ross assumed that Impulse's mere presence cost him his match, and he's made the man from New York pay for it at every turn!

"Badlands" by iMayday! starts up, and everyone boos. Well, not everyone: Tommy Ace is on his feet, applauding. Chris "The Boss" Ross, however, regards the fans with shouts, threats of violence, and fake thrown punches.

Ace: He'll fight everyone in here to prove a point.

Blackfront: What point would that be?

Ace: That... he'll fight everyone in here. Obviously.

He slides under the bottom rope and begins to pace the ring like an animal. The referee tries to stop him to check him, but Ross backs him into a corner, intimidating him.

Blackfront: Way to be a man, Ross... threaten a ref.

Ace: They need to know their place.

Blackfront: They're the law and order of the ring, Tommy!

"Revolution" by SIRSY replaces "Badlands" and the mood of the arena immediately switches. The fans are on their feet, cheering for the Marathon Man as he walks in, and stops at the top of the ramp to take in the view. Calico Rose is half a step behind him, and she takes an exaggerated bow.

Blackfront: I think this is going to be a day of reckoning for Chris Ross, Tommy. I've studied up on Impulse; he's got the experience and the chops to dismantle any opponent in his way; the thing that's sometimes lacked is the killer instinct when personal feelings get in the way.

Ace: So he's a pussy.

Blackfront: He simply refuses to use foreign objects or illegal holds, Tommy.

Ace: That's what I said.

Ross remains in the ring, pacing. Impulse and Cally each take a side as they usually do, and slap hands on the way down the ramp. Impulse's eyes lock with Chris Ross as soon as he's at ringside, and, in an uncharacteristic move, he sheds his leather jacket and T-shirt while still on the floor.

Blackfront: This is a serious match, Tommy. We're gonna see some fireworks.

Ace: Sure we will. On Impulse's face.

Impulse climbs the steps and waits a second on the ring apron. He keeps his eyes on his opponent as he wipes his feet on the apron and steps under the top.

Blackfront: Ross with a sneak attack!

Ace: That's the only way to do it!

The Boss drives a boot into Impulse's head as the Marathon Man steps into the ring. He pulls Impulse through, and starts to pound him in the head with a series of fists. Elbow to the temple!

Ace: Pin him, pin him!

Blackfront: What a dirty trick! There's the bell, at least!

Ace: If it's before the bell, he can't get disqualified for it!

Ross pulls Impulse to his feet, and sends him into the ropes! He kicks him in the midsection, then powerbombs him to the mat!

Ace: Cover him!

Blackfront: You'd think so, Tommy, but The Boss scoops him again! Is this confidence or arrogance?

Ace: What's the difference?

Two right hands rock Impulse, and a third sends him into the corner. Ross looks out into the fans and laughs, and turns his attention to Cally, on the floor!

Chris Ross: This one's for you, bitch!

He whips Impulse across the ring, but Impulse stops him and reverses, spinning out with an elbow to the face that sends The Boss reeling! He can't follow up, however. Impulse spins out of the elbow and braces himself on the top rope.

Blackfront: CHRIS ROSS WITH A CLOTHESLINE! BOTH MEN OVER THE TOP!

Ace: Now we can get into some real damage!

Ross scoops Impulse, and drops him on his ribs on the guardrail, taking some time to yell at a few fans in the front row. Again, he poses out, but suddenly turns his attention to Cally, half the ring length away from him.

Blackfront: You leave her alone!

Ace: She should stop interfering if she wants to be left alone!

Blackfront: She never interfered!

Ace: Well... she's distracting!

Ross takes two steps towards Cally, but Impulse grabs him by the ankle and trips him up! The fans "OOOOOH!" at the sound of flesh and bone meeting the steel of the steps! Impulse pulls himself up on the ring apron, holding his hand to his ribs, and has a look that could insanely be called concern on his face.

Blackfront: Chris Ross rolls to the floor, and he's got a huge bloody mess on his face! Impulse reaches for the ropes to pull himself back into the ring, but he just grabbed his side again, he might have a cracked rib or two!

Ace: If he was smart he'd finish off The Boss right now while he has the means. That's' what I'd do.

Blackfront: Explaining sportsmanship to you is going to be a lost cause, isn't it?

Ace: I'm sorry, I don't sail.

As Chris Ross gets back to his feet, Impulse finally moves in, but Ross fires an angry fist into his face! Impulse barely dodges out of the way, but he straight - arms Ross at the elbow and grabs his wrist, forcing the Boss to his knees!

DING DING DING!

Ace: Wait, what?

Impulse releases the hold and joins Cally as they look at the referee, confused.

CH Jordan: Ladies and gentlemen, the referee has counted both competitors out of the ring, and has ruled this match a double countout!

Boos fill the arena, but Impulse doesn't argue. He looks at Cally, disappointed.

Blackfront: Look out!

Chris Ross isn't taking it lying down; he busts Impulse across the back with a chair!

Ace: HAH! Now it doesn't even matter!

Blackfront: Impulse released the hold as soon as the bell rang, and both men were clearly counted out! Chris Ross again showing his lack of character as he goes to town on Impulse with that chair!

Two more shots while Impulse is downed, and Cally steps in and grabs the chair! She and Ross tug - of - war over it for a few seconds, but then it suddenly flies out of Ross' grip! Nobody looks more surprised than Cally, though Chris Ross looks at his hands and immediately wipes them off on his legs, and he's after Cally!

Ace: AND PROUD OF IT!

Cally manages to stay ahead of Ross all the way around the ring, owing to her quickness and the fact that she did not have her head bounced off the steel steps just a few moments earlier. The bell continues to ring at a frantic pace to try and break things up, but nothing comes of it!

Finally, as they complete one lap, Impulse is up to his knees, and Cally does a minor hurdle jump over him...

Blackfront: Impulse with a shoulder to Chris Ross' stomach!

Ace: No fair!

Impulse hooks Ross' arms as the Boss doubles over, but Chris Ross backdrops him on the floor mat! He spins around and boots Impulse in the head! Ross fires a second kick, but this time Impulse catches his foot, wrenches it closer to him, and pulls Ross to the floor.

Blackfront: Can we get some security down here?

Both men rise at approximately the same time, and Ross sends a punch to Impulse's face! Impulse with an elbow to Ross! Punch! Elbow! Punch! Elbow! Elbow! Ross is rocked!

Ace: Is it too late to grab the tights!

The bell rings again and again, but they aren't stopping. Impulse pulls Ross in close, but Ross thumbs him in the eye and drops him with a hard clothesline!

And his sights return to Cally.

Ross takes two steps, but it's two too many! Impulse fires a boot into the back of The Boss' knee, and drops him down with another to the other! Impulse kips up, and as Chris Ross does the same, a double axe handle to the shoulder blades sends Ross into the guardrail!

Ace: Security!

The Boss doubles over, and Impulse locks on The Message, forcing Ross to the floor! Cally backs up, all the while the bell continues!

Blackfront: Finally, security is on its way to ringside to break things up!

Ace: It's about time, Impulse spent that entire match cheating!

Blackfront: Your cognitive dissonance is a thing of beauty.

Ace: Don't try to sweet talk me.

Impulse lets go of the hold as security reaches him, and they get between him and Chris Ross. Unfortunately, Ross - as soon as he rises to his feet - tries to push past and over them to reach his opponent again!

Blackfront: We need to take a moment to clear the ringside area, we'll be back!
