## Great Waru vs. Machina

FWOMatt: Coming to the ring at this time, from Sapporo, Hokkaido, Japan. Weighing 230 pounds, the Great Waru!

FWOChris: This luchador from Japan is impressive thus far in the fWo. But then man he is facing is making his comeback of over a month out of the ring after the beating he took at the hands of War. He also played a key role in the title match between Death and Dudley.

FWOMatt: And now, from South Korea, weighing in at 180 pounds, making his fWo return, Machina!

FWOJames: Machina with a long history of sticking his nose where it doesn

#### **Scotty Cool vs. Pesilence**

FWOMatt: Coming down the aisle, from Fort Bragg, NC, weighing 278 pounds, Scotty Cool!

FWOChris: This one should be interesting. Scotty Cool to face Stevie Roberts, who has had some trouble in recent days. Scotty trying to be a friend to Stevie, while the Dark Riders continue to assault him at every turn.

FWOJames: Well, if Pestilence would know his role he would be better off. Death has to keep him in line.

FWOMatt: And his opponent, from Newark, New Jersey, weighing 245 pounds

### **Result: Scotty Cool by Pinfall**

#### **VL Tha Murdera vs. Destroyer**

FWOMatt: And his opponent, from Fort Bragg, North Carolina, weighing 239 pounds, the fWo Cruiserweight champion

### **Result: Ultra Violet by Pinfall**

### **Austin Davis (c) vs. The Ripper**

FWOChris: Folks, the cage is set up, with the entire ring completely enclosed in steel and this one is for the Internet Title. Now, the steel cage separates people from the outside from getting in, and the only way we can have a winner is by pinfall or submission.

FWOMatt: Making his way to ringside, representing the Family, from parts unknown, weighing 302 pounds, Jack McGraw, The Ripper!

FWOChris: The Ripper here to take on Austin Davis, and this one is going to be very ugly. With both men trapped inside the cage, anything can happen.
