But, One question REMAINS ... WHO was the MASKED

MAN? Big Daddy Long Legs Vs. Small Sonny Short Legs DNA Match First BDLL made his way down to the ring with his music and grabbed a mic and started talking about how he isn't the father of SDSL and that he would never want to be his father because he is gay and he has never been with a woman except when he was 2 1/2 years old! So that he couldn't be a father unless he had some un-normal dysfunction. BDLL then called out his so called son. SDSL came out to what he thinks is his fathers music as well. SDSL grabs the mic from BDLL and he says for all of you who don't know what a DNA match is he is how it works. ---- first in the beginning we take a blood sample from each of the participants which in case there is only two of us. Then we fight and then whoever gets the first pin or submission gets to pick the results of the test. They can make the results whatever they want. On to the match. This match was pretty quick since neither wrestler has very good stamina and that they are both very pathetic. BDLL started out with the advantage and then SDSL came out with a drop kick and SDSL soon had the advantage very quickly. SDSL soon knocked out BDLL of the ring and BDLL climbed back in and BDLL threw SDSL out of the ring and then SDSL climbed in and threw BDLL out of the ring over the top rope and BDLL climbed back into the ring and then he threw SDSL out of the ring and SDSL thought that this could be going on for a while so SDSL grabbed a chair and climbed back into the ring and hit BDLL over the head he went for the pin but the ref called for the bell. So here is your winner of the DNA match BDLL. Wait here comes JR VP Darcy what is he doing out here? Darcy grabs a mic and says to the ref and to everybody " maybe you all didn't know but this match is a hardcore match and anything goes so here isn't your winner BDLL. So ring that damn bell and get the match on. So the match went on and continued and SDSL still had the chair in his hand so he hit BDLL over the head again.

Clash of Champions: 1999

SDSL went for the pin 1-2-3. Here is the official winner of the DNA match SDSL. SDSL grabs the mic "you know you all think that I am going to say that I AM BDLL son but I got another idea I am going to say the opposite. Because the only person who knows that I AM BDLL son is SDSL's mother and she isn't here tonight so I got to say this straight out ----- I AM BDLL's FATHER! There it is out I am NOT his son but his father so you can all shut up about it now. So BDLL is right he couldn't be my father because he has never been with a woman because he is gay! But I am not gay so I have a wife so I have been with a woman! So does that make everybody happy now? crowd NO!!!!!!!!!!!!!!!!!!!!!! Jason Brawler Vs. Rod Van Dam Street - Falls Counts Anywhere Both RVD and Jason Brawler are set in the match billed as RVD vs. the wrestler formerly known as RVD. Right off the started, they lock up and Brawler gets thrown into a mailbox! Envelopes fly everywhere! RVD grabs one and opens it and starts reading the letter! A cop then comes up to arrest RVD for tampering with the mail. RVD tries to fight him off, but he had some problems, so... Both Brawler and RVD take him out and throw him into a butcher shop. They battle some more and RVD gets chucked into a lamp post. They are going at it, neck and neck. A low hum of an engine is heard in the distance. Neither wrestler notice the arrival of Taz in a lime VW Bug! He floors the thing and gets it up to 20 mph! Both look at him and scream! They run for cover, but neither gets out of the way in time. Taz tries to avoid Jason, but he nicks him and they are flattened. Taz jumps out of the car and puts Brawler on top of RVD! The ref counts...1-2-3! Then the cop comes over and arrests Taz for hitting the two... Psycho Supernova Vs. Bobby Bones Hell In The Cell - No Interference(if someone doesn't show up, he is forced to retire) Bobby Bones got called in first and well, he was literally pushed in the cage. Cho'Gall pushed him in. Cho'Gall was enforcing this match, as I don't know why. Well Psycho Supernova came down to the ring and he was pumped!

He ran straight in the Cell and speared Bobby Bones. He then pummeled on him. After about a minute, Psycho Supernova had Bobby Bones bleeding already from shots to his face. Bobby was bleeding in his nose and mouth. Psycho Supernova started banging

Bobby's head against the Cell for about a minute. Well, Bobby's face was all ripped up. ouch. Psycho Supernova picked up Bobby Bones and delivered a huge Power Bomb. Psycho Supernova then took Bobby Bones to the top rope and delivered a Bigger Power Bomb, but from the top!!

Bobby Bones was totally out cold. He was bleeding all over. So, Psycho Supernova went for the pin.

1-2- Psycho Supernova lift Bobby up. Psycho then performed it... Champaign Supernova!!

Psycho pinned. 1-2-3. It's all over. Here is your winner, Psycho Super

Bungle took a while to get up. bob looked at Bungle like a freak. Bungle got up and slipped on an over the head belly to belly Suplex. Bob hit hard. He DOES THE SHARPSHOOTER!!!!!! BUNGLE IS TAPPING!!!!!! BUNGLE IS TAPPING!!!! BOB WINS! BOB IS THE NEW #1 CONTENDER FOR THE PEOPLES CHAMPIONSHIP!!!!!! Chyna Vs. Medusa Vs. Ericka Draven Women's

Clash of Champions: 1999

Championship All three enter the ring and Medusa holds her title high. The announcer takes is and the bell rings. All three kind of do circles around each other. Medusa takes the first offensive by pushing Chyna over the ropes. Draven slips outside and beats down Chyna. She shoots her into the guardrail, then stairs, and into the crowd!

Meanwhile, Medusa climbs to the turnbuckle and smacks Draven. Chyna gets up and heads back to the ring. The ref is yelling at them to get back

in, but none head his calls. He lets the match go on, though.

They battle back and forth, Draven is

winning, then Medusa, then Chyna. It's a close match. Wait! What is that fan doing!? He's got an "I wanna be like Bungle" shirt on and he's exposing himself to all three. He tries to hump them, but the ref has enough and rings the bell. A triple DQ! A sense of anticipation, clouds over the arena, as the fans await the arrival of their champion. The arena, suddenly, turns into blackness. Then hits "And Justice For All" by Metallica. The center of the ring becomes illuminated by a dim, white light. Suddenly, from the center of the ring, arises, your champion, Carnage. He comes up, on a small square platform, the pyros go off around the platform, they join to make a purplish color. Carnage, ever so slowly, continues to rise from the center of the ring. He crowd is on their feet, cheering, stomping, and clapping. Carnage's body equals ring level, he lifts up his head, and looks into the crowd. His body is covered in his normal wrestling attire. His white, pale skin, moves slowly. He then, moves out of the center of the ring, and up to a nearby turnbuckle. While there, he lifts the belt, over his head in glory, as he hears the huge response from the crowd. He then does so, for the other three turnbuckles. He eventually, settles back into the center of the ring, and raises the microphone to his lips, and waits to speak. Carnage - Tonight will be a night, that we be a huge part of history!!!!

Tonight, I will

go, one on one, with the number one contender, Jc Lone Wolf 3:16. He will make his way down to the ring, frightened, by the booing from the crowd, as they toss various items at him. Then, my music will play, and I'll carry the People's championship belt with me down to the ring, and I'll immediately start my mauling on Jc. Soon, it will be over, and I'll deliver the "End of the World", from the top rope, and he'll be totally TKO'ed. I'll once again, walk away, with my belt. As the people, chant my name...and Jc Lone Wolf, suffers the embarrassment of getting totally destroyed, in front of all those people. Tonight, will be a night to remember..I will make my presence felt, in more than one way, and there's nothing that can stand in my way(except maybe Darren). All those, supposed Superstars, of the DWF, will have a whole new respect for me, as I humiliate, each and everyone of them. Proving, that they, can't even comprehend, what I'm truly all about!!! Beware...of you'll regret it!!!! MORE POWER JC Wolf 3:16

They lock up and Carnage throws JC over his shoulder. He stomps on him some and JC rolls outside. He paces around some, shaking his head. Carnage climbs to the top rope and drop-kicks him! Both men are down and shaken up. JC hit the guardrail and is doubled over on it. Carnage is the first to get up and flips JC into the crowd, hitting his face on a chair. Carnage picks up JC and throws him into the ring post. The ref calls for them to get back into the ring. Carnage rolls JC into the ring, but gets caught up in the ropes when getting back in. JC takes advantage of his mishap and pushes him

Clash of Champions: 1999

to the ground. The ref holds JC back and looks to see how Carnage is. A man in black rushes up behind JC and starts beating him with a chair! JC is out and Carnage limps into the ring. He covers...1-2-3! The winner and still People's Champion, Carnage!!!!

There was a huge poll on it, and at the bottom of this match, you can see the results. People were guessing on the boards etc. Well, here's the match. Kevin Nash got called in first. He came out with the Wolfpac and well, Cho'Gall came and kicked them out. Since when did he become in charge. Darren came out and started talking to Cho'Gall again. Everyone was waiting for the Mystery Man to be called in. Then a voice came on the speaker. Voice: You want the mystery man don't you. Well, first, here is a new surprise. Darren started looking shocked. SUDDENLY, the Lights in the Arena went BLACK and Orange Spot Lights, as the TITAN-TRON turned on, and the number 10 appeared, and began to count ... 9-8-7-6-5-4-3-2-1 ... BOOM! Fireworks SET! The words appeared, then The crowd went into an INSTANT DUH! Then, then music hit, and Half-Life came walking down to the ring!!! He was suppose to be fired!! Half-Life entered the ring, and Darren closed his mouth and marched into the ring. Darren grabbed the mic. Darren: What the hell are you doing here?? I fired you last month! You have no right... Half-Life cut him off Half-Life: Yes I do. Listen closely you little jack ass. You fired me oh yes. I remembered that. BUT, luckily to good out Vince McMahon, he bought my E-Fed for a reasonable price and well, we signed a nice contract. (Half-Life takes out a paper).

It says here that... YOU CAN'T FIRE ME. In fact, I can do quite a bit of new things that everyone will learn to see. So

Darren, get your ass out of here, I am the ref. And, Cho'Gall as the reinstated Enforcer, as some of you may have noticed, take Darren to the back. Cho'Gall takes Darren to the back. As once again, everyone sits at
