HAHAHA The screen closes.. It now comes to The Winter Wars 99 ring area... sold out! Let's get to the matches!

Maverick, Daddy Phat Sax Vs.

HBK, RVD Tag Team #1 Contenders The # 1 contenders match started with Maverick and Rob Van Dam in the ring, and Francine no where to be seen. Both of the men were eager to get it on after there last match against one another, which Rob and won, due to interference. The two lock on, and Maverick gets RVD in a side headlock, and jerks his head around. Van Dam pushes Maverick off and into the ropes, only for Maverick to come back and knock him down with an elbow. Maverick runs off the ropes and Van Dam jumps up to deliver a big drop kick that sends Mav over the top rope and down to the mats. As Maverick slowly stands, Van Dam runs off the ropes and flips over the top rope and crashes into Maverick. Both men lay on the ground trying to catch their breathe as the ref begins the ten count, while behind him, back in the ring HBK and DPS are having a slug fest. Daddy Phat Sax blocks a punch and kicks HBK and gives him a DDT. DPS runs off the ropes and does an elbow drop, but Michaels rolls out of the way and stomps DPS as he lays on the ground holding his elbow. The ref sends both men back to their corners as Maverick and RVD both slide back into the ring. DPS asks for the tag but Maverick just shakes his head a says that he can take Van Dam. Maverick goes to lock up again, but Van Dam kicks him, and sends him across the ring into the corner.

Van Dam gives Maverick a few kicks and tags in HBK. RVD throws Maverick into the ropes, Van Dam trips him with a drop toe

hold, and HBK jumps from the top turnbuckle and hits Maverick with an elbow drop. HBK picks him up and throws Maverick back into the corner and goes for a splash, but Maverick rolls out of the corner. Michaels lands on the second rope and jumps up and hits Maverick in the back with a drop kick. The blow send Maverick stumbling into his corner, where DPS reaches over the ropes and tags Mavericks hand. DPS runs in and catches Michaels with a clothesline, and knocks Van Dam off the apron, into the guard rail with a back

Winter Wars: 1999

elbow. Michaels stands and swings and big right hand. DPS ducks and HBK spins and DPS grabs him and lifts him up for a back body drop. DPS pulls him up and runs with him across the ring and then throws him into the turnbuckle, where HBK flips, hitting is back on the post, and then flips up, facing the crowd. DPS climbs up and drops HBK for a back body drop off the turnbuckle but HBK flips out of it, land on his feet, and stomps down of DPS. He picks him up and throws him over the top rope and tags in Rob Van Dam. Van Dam walks around the ring, and begins to lift up DPS, only for Maverick to attack him from behind. Maverick nails Van Dam with a series of punches until HBK comes to the rescue and clotheslines Maverick over the guard rail. Van Dam and DPS both slide back into the ring, but

Van Dam rolls across the ring and tags in HBK. Rather than going out onto the apron, Van Dam runs and spring boards off the top rope with a

moonsault, over the guard rail, to nail

Maverick. Back in the ring, DPS is slamming

HBK's head into turnbuckle. HBK puts out is arm and blocks it, jabs DPS in the rib with his elbow, and rips him into the corner. HBK sets DPS up on the top turnbuckle and gets a hold on him for a top rope super-plex. HBK pulls, but

DPS has a strong hold on the turnbuckle. DPS reverses it and both men crash down, DPS onto the steel steps and HBK onto the guard rail. Van Dam runs over and helps HBK to his feet, and pulls DPS up and into position for HBK. Michaels pulls DPS under his legs and delivers a piledriver onto the steel steps. Maverick runs around the corner to save his partner, but HBK sees him coming and step back and hits Maverick with a Sweet Chin Music. Rob Van Dam pulls Maverick back into the ring, and HBK slides in a steel chair. Van Dam picks up the chair with his cocky grin spread across his face and throws the chair at Maverick. Maverick catches the chair, but it does him no good as Van Dam smashes the chair into Maverick's face with a Vandaminator. HBK and Van Dam slap a high five as they laugh, thinking they have the match in the bag, but they have forgotten about Daddy Phat Sax. DPS slides into the ring with another chair and goes at it. DPS rocks Michaels with a shot to the head and knocks Van Dam out of the ring. Maverick climbs the top turnbuckle and signals that he is going for the Tailspin. However, at the same time, random acts of Senseless Violence by Anthrax blares out and the crowd screams as Taz runs down the ramp. He jumps up onto the apron and choke slams Maverick down from the turnbuckle. DPS slides under the ropes and pulls Maverick out as well. The bell rings and the ref runs over and raises Maverick and DPS's arms, via DQ. Cho'Gall comes out and gets them out of there.

Tones: If one of the Jiggles can manage to sit on a F'n Superstar, it will be all over. Jerry: Look at the fans cheering for the F'n Superstars! Their music hasn't even started yet and they're chanting "Super Stars! Superstars!"

Tones: Well, it looks like they're gonna get what they want, because here they come! Jerry: Defiantly the fan favorites, they're out in the crowd, slapping hands and signing autographs and kissing women. Tones: They defiantly have the life. Jerry: Now, they're making their way into the ring and still getting hyped up. Each of them mount a corner and stand on the second rope. The fans are going crazy! Tones: Security is having difficulties holding back the fans. One just broke through! Jerry: HAHA! He's kissing their shoes! What a dumb

ss. Tones: These people have fallen for these wrestlers. Jerry: Yeah, they must have forgotten they have a match to wrestle. Tones: There's the Jolly Jiggler's Music and here they come! Jerry: Look! They're jumping on the ground to try and make an earthquake! Tones: Daddy Phat Sax fell outside of the ring! The other three get down from the corners and rush out at the Jigglers. Jerry: The Jigglers are ready for them and they stand right in their way. All four of them completely block the walkway! Tones: Whiplash dives at Big Guy, but his head gets stuck in his stomach! He shoves his stomach out, sending Whiplash into Reload and Mr. Mystery. Jerry: Daddy Phat Sax is up and is running over to help out the others. He grabs a chair on his way up there. Tones: He tries to hit Real Big in the head, but his stomach is too big to get by! Jerry: Jelly O' Belly is coming over here. Jelly O' Belly: Give me a mic. Tones: No. Jelly O' Belly: Give me a mic or I'll sit on you! Jerry: God, Tones, I never say you move that

fast! Tones: Wouldn't you if threatened like that? Jerry: He!! yeah! Tones: My point exactly. Jerry: I guess we should listen to what Jelly O' Belly has to say. Tones: Yeah, why not. Jelly O' Belly: HELLO DWF! Crowd: F CK OFF! Jelly O' Belly: Is that any way to treat the leader of the #1 Stable in the DWF? Is that the way to treat the fattest guys in the universe? You know what I think? Crowd: It doesn't matter what you think!! Jelly O' Belly: YES IT DOES! I think about FOOD! Crowd: HAHA!! Jelly O' Belly: I think about scrumptious cake, chocolate bunnies, greasy pizza, and Caesar salad. Jerry: Salad? I think not. Biggy: I don't eat no salad! What you talkin bout? Winter Wars: 1999

Belly: I'll take the whole thing! Jerry: The F'n Superstars are back up! Tones: They looked pissed! Jerry: Mr. Mystery jumps on Jelly O' Belly's back! He can't reach Mr. Mystery. Reload takes his knee out and he falls on top of Mr. Mystery! Tones: All of the F'n Superstars try to lift him up, but they can't, he's too fat! Jerry: Daddy Phat Sax is running to the back. Get a camera on him! Tones: He's in the construction equipment and he has a forklift! He drives it in and slides it under Jelly O' Belly. He pulls a lever and Jelly O' Belly starts to rise up. Mr. Mystery rolls out and they all head back to the ring. Jerry: The Jigglers try to run after them, but they get too tired and have to stop! They're sucking wind real hard right now, be ready to call the doctors just in case one of them has a heart attack! Tones: Hey! He didn't give us our mic back! Jerry: Don't worry, Tones, I wouldn't want it back if Jelly O' Belly touched it. Tones: Yuck, you're right. The Jigglers finally made it to the ring! The ref won't let all four in. He's saying that if more than three of them get in, the ring will collapse. Jerry: Looks like they didn't listen to him. All eight wrestlers are in the ring, but the ref is running out! Tones: He better get back in or he's fired! Jerry: You can't do that! Only Darren can! Tones: Oh yeah, that's right. I knew there was a problem there. Jerry: Let's get back to the match, ok? Tones: Yeah, or we'll get fired ourselves. The F'n Superstars are in full control of the match. Reload and Whiplash send Biggy and Real Big right at each other. Jerry: I don't think the ring can take it anymore. They fall in a heap right in the middle. Tones: Oh no, Daddy Phat Sax is on the top! DON'T JUMP! Jerry: He jumped! Flipped! And landed on the two! Tones: I knew it! The ring broke! Jerry: Well, Daddy Phat Sax had a nice, soft landing on all of that fat. The ref counts the pin...1...2...they both push him off. Tones: OK, because the ring is broken, we need to change the rules on this match. Jerry: All right, this is a Falls Count Any Where match now! Tones: YES!! BLOOD SHED!! Jerry: Not quite. Jelly O' Belly and Mr. Mystery are having it out outside of the ring. Mr. Mystery keeps poking him in the stomach and he's laughing like Pillsbury Dough Boy. Tones: Reload dives out of the ring at Jelly O' Belly! He hits him in the head and he falls on his back. He can't get up! Jelly O' Belly: I've fallen and I can't get up! Tones: Isn't that funny! PIN HIM! Jerry: Looks like Mr. Mystery heard you. He's pinning him...1...2...Big Guy broke it up! Tones: Will this ever end? I got things to see, people to do! Jerry: Umm...You got that backwards I think. Tones: Oh yeah.... Jerry: Reload jumps down from the ring, but Real Big is following him closely. He runs up and pancakes him face first! Tones: Daddy Phat Sax and Whiplash start stomping on him, sending tidal waves through his blubber. Jerry: LOOK! He's laughing just like Jelly O' Belly! Tones: Hmm...I wonder if...nah, couldn't be. Jerry: They're making their way up the steps and out of the arena. It's hard to tell who's winning, but it's a great match! Tones: It looks like we'll have to go on the road now. They are in the hallways of the stadium here. Jerry: Biggy picks up Reload and throws him into a vending machine! Big Guy looks pissed at him! Big Guy: Why you goin and fcking with food?! Biggy: What? I thought we were working together on this job! Big Guy: Not when you destroy food! Biggy: Fine, I won't do it again! Big Guy: Good! Let's fuck him up while eatin SLOPPY JOE's! Jerry: Well, it looks like that minor discrepancy has faded and the Jigglers are even more united than ever. Tones: I don't know if the F'n Superstars can keep up with their talent. Jerry: Looks like Daddy Phat Sax is gonna try, he's got a ketsup bottle and shatters it over Real Big's head! Tones: Real Big starts licking it all up! How can anyone eat pure ketsup?! Jerry: I don't know, but they better not go for the...no...NO HE DIDN'T! Tones: Oh my god, Whiplash has the Tar Tar sauce! Sit down Jerry, we can always buy more. I don't like that look in your eyes! SECURITY! Jerry: LET GO! I MUST SAVE THE TAR TAR SAUCE! Tones: Oh god, it looks like Wolf and Carnage heard about it.

Winter Wars: 1999

They're heading down there right now!! Jerry: GOOD! SAVE THE SAUCE! GIVE YOUR LIVES! Tones: Whiplash just signed his own death certificate! He threw the Tar Tar Sauce at Jelly O' Belly! Jerry: GO WOLF! GO CARNAGE! Tones: I've never seen the two of them so animate! They're licking the sauce right off of Jelly O' Belly! Looks like they cleaned all of it off. Both turned to Whiplash and their eyes go RED! Jerry: He's dead! Tones: Whiplash is on the ground and he's not getting up. Carnage and Wolf are going off like the fireworks in Paris. Jerry: YES! Tones: NO! Security is dragging away Wolf and Carnage! They must defend the honor of the Tar Tar Sauce! Jerry: I think they've done enough. Whiplash is severely hurt and about to get hurt even more! Tones: Biggy just threw him through the door! He's in the staff parking lot! Jerry: FCK! That's my car he just put him through! Tones: HAHA!!...wait...NO! You were my ride today! Jerry: Yeah, I was...HAHA!! Tones: It looks like they've been joined by the other six wrestlers. Jerry: They're making their way through, bashing all of the cars! Tones: There's Janitor Jack's car! BASH IT! Jerry: Yeah! That's the guy who killed Dragon! Tones: YEAH! Jerry: A produce truck is pulling up to the main entrance to the stadium and it looks like the F'n Superstars are gonna use it! Tones: With all four of the working together, they are loading Big Guy inside. Then they go to Real Big, Biggy, and finally Jelly O' Belly! Jerry: They lie Whiplash down on some lettuce and Daddy Phat Sax starts driving. Reload and Mr. Mystery are in the back still beating down the Jolly Jigglers. He pulls off of the road after a while driving. Right in front of a Dunkin Donuts! Tones: Daddy Phat Sax jumps out and runs inside real quickly. After a minute or two, he comes out with twenty boxes of Donuts! He throws 'em in the back and the feeding frenzy begins! Jerry: Where could he be going? What's around here that would have to do with the Jolly Jigglers? Tones: I think that's it right there! Jerry: The Pillsbury Head Quarters! That's it! Tones: The F'n Superstars are dragging the Jigglers inside! They talk to the secretary there. Reload: Hey, we got something I think you guys could use. Secretary: What would that be? Reload: We found the long lost kids of the Dough Boy! Secretary: REALLY?! Mr. Pillsbury has been looking for them his whole life! Daddy Phat Sax: Yeah, here they are. Oh, before we forget, I gotta pin this b!tch. Jerry: HAHA! They were fcking around with them the whole time! Tones: Well, the winners and still champs, the F'n Superstars! Jerry: God, that match RULED! Tones: No, it was FAT! Tennessee Stud Vs. Space Ghost Hardcore Championship The crowd erupts as Tennessee Stud comes to the ring. The lights dim and some weird country music begins to play. Tennessee Stud comes out of the entryway to some screaming fans. He jumps into the ring and pyro goes off. His music is interrupted As ...

"IF you SSMMEELLLL What The GHOST is COOKING" followed by Space Ghost's Theme begins to play! Before the ref rings the BELL, Space Ghost grabs the mic ...

"GREAT ONE" & HARDCORE CHAMPION! I am SPACE GHOST! You are a CHEAP Hillbilly! Like the OLD man said ... I am ... NEXT ... to GOD!"

Tennessee Stud turns around while Space Ghost hands ONE of the titles to the ring announcer. WAIT ... Space Ghost holds the GREAT ONE Title and takes Tennessee Stud down to the ground. Just then, Team G.H.O.S.T. member Zorak climbs out from under the ring and goes after TS. He hits TS with a cookie Sheet. Zorak crawls back under the ring. Space Ghost runs over TS and runs over him again. He pulls out something from his tights and hits TS with it. TS is out. SG pins ...

Winter Wars: 1999

Space Ghost gets up and is met with another. Tennessee gets up. Space Ghost gets up. They begin to fist fight. They exchange punches back and forth. Space Ghost gets the upper hand. Tennessee stops Space Ghost and gets the upper hand. Space Ghost reaches deep down inside to bring out a second wind. A running clothesline! Tennessee hits the mat again. Space Ghost goes postal on TS. TS is out. Space Ghost picks up TS. TS is hit with the DESTRUCTO RAY!!!! TENNESSEE IS OUT! Space Ghost pins. The ref counts. 1..... 2..... 3..... SPACE GHOST WINS! HE HAS RETAINED THE TITLE AND IS GOING ON TO THE MILLINEUM MATCH!!!

Right after that, SPACE GHOST once again grabs the MIC ...

"Mr. STUD, you are NON-INTELLIGENT! I am SPACE GHOST, of COURSE I was GOING TO WIN! I am NOW going to GO to the BACK and TRAIN so I can become the GHOST of the MILLINEUM! There WILL be a NEW DWF CHAMPION Tonight, and I looks like it will be ... ME! Oh!

And if you are WONDERING where the CO. OWNER, Mr. VINCE MCMAHON is ... well I got a RESTRAINING ORDER on him for

TONIGHT! So you will NOT see him, because if he comes 50 FEET of ME ... he is FIRED on the SPOT, and will SPEND a WEEK in JAIL!" Darren comes down to the ring. He enters the ring, he is carrying a bag with him. He sets down the bag and takes the mic. Main Event Darren: Welcome to the Main Event of Winter Wars 99! The Last match of the Millennium!! Winter Wars isn't near done Folks! Well, there is a fair amount of stipps for this match, as we all know. But let's start popping out the surprises. Hmmm... let me see. Darren pulls a clip board out of his bag. He opens it up. Darren: Uh, just a little fact here, from the poll on the main page,

Carnage won with 33 votes. Wolf was in second with 11, Oddball and Prime Time were in third with 7. Ok, wrestlers... if there is any interference of any sort... you will be HEAVILY punished, and may never wrestle again in the DWF. Now, to the Enforcement of this match. All Veterans know of him, and I am sure some of the Newer comers here will be hearing a lot of him... Dream Wrestling's Official Enforcer... Cho'Gall! Cho'Gall comes down to the ringside. He slowly walks over the ropes and stands behind Darren. Darren: Ok, moving on. Now... the Official. Who should this be?

Darren goes down to his bag and opens it up. He takes out a Ref shirt and puts it on. Yes, I am going to be the

Ref! Ok, Let's go to the match now!

Cho'Gall moved to the side of the ring. First to come down was The Novice Champion, Prophet of War!

He had a fairly good crowd reaction. He looked at Cho'Gall for a couple secs then continued walking. POW gets in the ring and greets Darren. Next comes down The Women's Champion, Andrea. She takes her time to make it to the

ring, and just gets boos.

POW is in the ring laughing at her. She gets in the ring and just watches him. Next, Greg The Shag Overguard and the Hall of Famer

Oddball, The Tag Team Champions come down to the ring. They have pretty good reaction from the crowd and they seem pretty confident. They rush into the ring... now Cho'Gall enters to hold everyone back... Oddball and Cho'Gall exchange some words. Now enters Dream Wrestling's Oldest Veteran... Space Ghost. He comes out and stops near under the titan tron... he is watching the crowd cheer, he grins then smiles

Winter Wars: 1999

again.

Space Ghost marches down to the ring and slides in. He exchanges some words with about everyone in the ring. Now comes The People's Champion and Hall of Famer, Mike Hunter. He gets a very good crowd reaction as he has made his return tonight. He takes his time to the ring slapping some hands of the crowd. He gets in the ring and takes a good laugh at Andrea... the crowd laughs with him.

Next, comes another

Hall of Famer and The US Champion, Carnage. He comes out with a good crowd reaction too, he runs to the ring and slides in... He's in the zone. Next comes out the Light Weight champion, and future

Hall of Famer, Super Star Steve

Studlee! Great Fan Reaction. Super Star is obsessed with The Dream Championship... he has won almost all the titles except this one. And he runs in the ring and right up to Darren. He starts going in his face... lately these 2 have not been getting along together. SSS turns around and sees Carnage... he runs like to attack him, but he gets knocked over by Cho'Gall SSS quickly gets back up... he jumps at Cho'Gall and jumps off him to tackle down Carnage! Carnage gets knocked through the second rope and Cho'Gall has to hold SSS down as the match almost begins... Now comes out The Heavy Weight Champion, BOB! The crowd loves this very humorous guy, but I am sure he will be down to 100% business. BOB takes his time to get in the ring and watches at Cho'Gall let's SSS go. Now comes the Dream Champion, and Future Hall of Famer, Wolf! It's a mixed crowd reaction... some are cheering and some are booing. Wolf comes out and starts taking his time. He is pointing and laughing at the people in the crowd. SSS slides out of the ring and runs at Wolf! Wolf looks forward but too late! SSS speared him down! Let the match begin! Ding Ding Ding! SSS and Wolf started rolling around down on the ramp as everyone in the ring start to brawl. POW escapes outside the ring. Andrea is going to the top and jumps off... lands on Carnage and Mike Hunter who were fighting side by side. Space Ghost is battling with Oddball once again as Greg Overguard just tackled BOB down. Mike Hunter and Carnage picked up Andrea and threw her outside the ring. Wolf and SSS must be battling backstage because our cameras can't see them. Andrea gets up from outside the ring and throws off her shoes. She pulls Space Ghost outside the ring by his foot. Space Ghost slides out and hits the ground. Andrea starts kicking him and then delivers a couple elbow drops. She throws Space Ghost into the metal stairs. Andrea comes to Space Ghost and grabs his head... Space Ghost delivers a Low Blow!! Andrea is down and hurt. Space Ghost picks her up and throws her into the crowd. Greg is still fighting with BOB, but BOB just started taking the lead and now he threw Greg to the rope... but hit Oddball over... too many people. Bob picked up Greg and goes for a Body Slam, but Oddball takes out Bob's leg. Hunter sees this and goes after Oddball from behind. Cho'Gall leaves ringside to go find SSS and Wolf. Space Ghost gets out of the crowd and hits Cho'Galls head with the chair and sprints past him. Cho'Gall kneels but gets back up. He yells and takes off after Space Ghost. POW goes chasing after them. Andrea is getting out of the crowd and sees Carnage. She runs and tackles Carnage over and outside the ring... they both go tumbling through. Hunter is still fighting with Oddball, that is one classic battle going on there. They are punching each other, but Hunter ducks one and goes to grapple. Hunter swings it to a head lock, but Oddball pushes him forward into the post. Oddball puts the sleeper on Mike Hunter. Carnage outside the ring is having difficulties with the agile Andrea, she seems pretty manly. Hey? Where is Prophet of War? He hasn't been fighting yet. We have to get a camera backstage. Oddball still has the sleeper on Mike Hunter. Carnage got away from Andrea and knocks Oddball down. Andrea comes running from behind Carnage and gives him a low blow... then to Oddball... then to Mike Hunter. She gets up and her and BOB start to double team. But Greg gives them a

Winter Wars: 1999

double clothesline over the top ropes. Backstage Prophet of War is fighting with Cho'Gall! Space Ghost comes running back to the ring with a box! He runs to the ring and goes under the ring with it.
