The words Two Weeks Ago appear at the bottom of the screen as we see Sektor pivot and rushes Jackson with a Spinning Elbow Smash that drops the Mental Rapist in the middle of the ring.

The fans explode at the move.

Blackfront: Sektor with the Hall of Fame Elbow right there!

FADE

Sektor vaults up to the second turnbuckle and leaps off driving his knee into Jackson's face, knocking the former UTA champ to the mat.

Ace: No! This isn't

how it

s supposed to go, someone come out here and stop this.

Sektor falls over top Jackson for the pin.

And just then Blunt Blawin kicks over the PA system.

Ace: YES! YES! YES! Someone listened!

Blackfront: What the hell?

Sektor demands the ref count, but before he can Mikey has slide into the ring. Sektor is quick to his feet and he throws a clothesline, the champ ducks it and pushes off the far side ropes, using the momentum to launch himself in the air, and uses his newly minted title to smash Sektor right in the face.

The crowd hisses.

FADE

Ace: Mikey stuck between a rock and a hard spot. I don

t like this. I don

t like this at al..

Blackfront: It looks like his ship has finally come in, and the crowd can feel it.

Sektor and Jackson shoot a look to one another. Then to the champ. They go to move in - THE LIGHTS CUT.

Ace: What in the hell is this now?

A second, maybe two later the lights kick back on. There

s a hooded man standing in the ring, right behind John Sektor. Sektor gets spun around, pulled down by this throat as the man brings both knees up into Sektor

s chin.

Ace: HOLY HELL! BELL END! BELL END!

The crowd boos. They know. And so does Mikey, he pulls Jackson, spoon feeds him to the hooded man, who before delivering the instant finisher, throws the hood aside and reveals himself.

Ace: KENDRIX! KENDRIX just BELL ENDED Sean Jackson

s night here, folks. And saved his boy Mikey in the process. That

s teamwork!

The crowd is livid, furious with the outcome.

Blackfront: Nothing like sending the crowd home happy, huh Ace?

Ace: These people do know that KENDRIX is back, right? A legit UTA homegrown talent that was wanted all over the world when this place closed. This is GOOD for US!

Blackfront: Good for Mikey at least.

Ace: Hey he

s the champ ain

t he.

Blackfront: For the time being.

Kendrix and Mikey Unlikely stand tall over John Sektor and Sean Jackson as we fade to The Wrestlezone.

FADE TO THE WRESTLEZONE

As we pan across the screaming fans the camera finally comes to rest upon Jason Blackfront and Tommy Ace.

Blackfront:

Welcome ladies and gentlemen to the fourth episode of WrestleUTA on Hulu. I'm Jason Blackfront and joining me is my broadcast partner, Tommy Ace.

Ace: Just like Lance Mikes later tonight, I'm here!

Blackfront:

Just two weeks ago we were set to have an officially number one contender until the UTA Heavyweight Champion, Mikey

Unlikely, got involved.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Ace: He shouldn't have to get involved against two men who haven't even earned a shot at his championship anyway!

Blackfront: Then in a surprise moment Mikey's friend and the other half of The Hollywood Bruvs, Kendrix, made his return to the UTA.

Ace: It was a wonderful day!

Blackfront: All four of these men are in the building here tonight. If they cross paths, things could explode.

Ace: If? It's only a matter of time until when!

Blackfront: Also on tap tonight we have that big six woman tag team match. All of this and more as we bring you WrestleUTA on Hulu!

We head backstage to Ron Hall's office where we can see him sitting at his desk, his hand on his head.

Hall: So, let me get this straight. You think you can just jump the railing, attack two of our superstars who are competing for the number one contender spot and I'm just supposed to overlook that?

The camera pans back revealing Kendrix standing beside the UTA Heavyweight Champion, Mikey Unlikely. Kendrix looks at Mikey then back at the general manager.

Kendrix: That seems about right, innit?

Ron lets out an audible sigh before looking up at Mikey.

Hall: And you... you claim you had no idea.

Mikey just smiles and shrugs.

Unlikely: Not a clue boss man.

Ron gives Mikey a stern look.

Hall: Do you know why we are branding this the New Era guys?

Mikey and Kendrix look at each other then back at Ron.

Unlikely: New owners?

Kendrix: New people?

Mikey holds up a finger.

Unlikely: I got it! Because we're now on Hulu!

Kendrix nods.

Kendrix: That's it Bruv.

Ron groans.

Hall: No, it's... well... yes, it's all of those things but...

Unlikely: See! We got this.

Kendrix: Sure do Bruv!

Unlikely: OBVS!

Kendrix: Totally OBVS!

They high five.

Hall: Guys! It's because in the old era maybe you'd get away with causing chaos like that, but not any more. You can't just do what you want and expect it to be OK.

Both Kendrix and Mikey look confused.

Unlikely:

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Well, I am the champion. So I kinda am a big deal and, well.. not to tell you how to do your job Ron.. but I can get away with whatever I want.

Kendrix nods.

Kendrix: He's got a point.

Ron's face becomes even more agitated.

Hall: Fine. You want a match? You got one.

Mikey slaps his partner on the back.

Unlikely: Good going Bruv! Who does he get to make an example of?

Ron looks up at mikey.

Hall: Oh no, it's not just him. Both of you.

Mikey points to himself then to kendrix and back.

Unlikely: Both of us?

Hall:

Yes. Tonight in the main event, The Hollywood Bruvs will take on John Sektor and Sean Jackson in tag team action.

Unlikely: You can't do that! I'm a star!

Kendrix: No. That will not work. Nope. Not at all.

Mikey agrees with Kendrix as Ron stands up.

Hall: Oh, no it works. So if I was you two I'd go and get ready for your match tonight. I have a feeling Sean and John will be looking forward to getting their hands on you.

Unlikely: How about I put the belt on the line instead? Lew Smith is open, right?

Hall: Get out of my office! Now!

Unlikely: Jeez. So touchy.

Hall: OUT!

Ron points toward the door as The Hollywood Bruvs turn and leave, defeated. Ron rubs his head again, showing obvious signs of stress as we fade.

MERGEFORMATINET

We return ringside where Plateau as performed by Nirvana is playing and Michael Byrd is walking around the ring toward the announcer's table.

Blackfront: It seems we will be joined by Michael Byrd out here for this first match.

Ace: Just what we need.

Michael fumbles with the headset.

Byrd: Are you already running your mouth Tommy?

A huge cocking noise is heard followed by a shotgun blast booms over the arena....

Shock N Rolla... Here 2 Show Ya... Cocked Back... And.. Loaded!

Chance Von Crank

His music can be heard as The Trailer Park Prodigy and his half self emerge from behind the curtain.

Everyone in the arena immediately begins to boo, and a CVC Sucks! chant breaks out throughout the crowd.

Crank turns ever so often to each side of the crowd, simulating masturbation out in front of his body and his famous Aw Ski Ski after a few simulated strokes, signaling he

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

s finished.

Byrd: Why's this guy even got a job here?

Ace: Because it's enjoyable to watch him beat you over and over again.

Roberts:

From Harlan County, Kentucky. Standing at six foot four and weighing in at two hundred and sixty two pounds...

Chance continues down the ramp.

Roberts: He is.... CHANCE... VON... CRAAAANNKKK!!!!

He slides through the ropes as he reaches the top of the steps, throwing his Trailer Park Prodigy shirt into the crowd just to have it tossed back at Chance who is now heading for the turnbuckle, climbs up holding his arms high amongst all the boo's.

Blackfront: Chance Von Crank looking to put away the cousin to Dick Fury here tonight in our opening match.

Byrd: I dunno Jason. I think Charles Wingate is going to take this one.

Ace: You would.

Don

t Waste My Time by Krept & Konan begins to play over the speakers, the lights dim light with pulses of red and white hitting each note beat.

As the crowd begins their hollering, Wingate emerges from behind the curtain. His arms arms out to the side and head tilted back.

Roberts: Making his way to the ring now, weighing in at two hundred forty pounds and hailing from Houston, Texas! Charles

Winnnnngaaaaaate!

Charles continues down the ramp way, stopping once in awhile to wink at a female who visibly on camera reject him, he finally reaches the ring which he enters by walking up the steel steps.

Blackfront: Charles has a bright future ahead of him, that's for sure. But he needs to work on his ego a bit.

As he steps onto the ring apron Charles reaches and pulls the middle rope down and enters in the ring.

Byrd: No doubt. Wingate has the pedigree. Now if he can get some more experience, he could be a future champion.

Ace: A feat you will never accomplish yourself.

As the bell sounds to begin the match, both men begin to circle before moving into a lock up.

Blackfront: Collar to elbow tie up to start things off here. Michael, you have been dealing with Chance Von Crank the last several weeks.

Byrd: Yea?

Blackfront: What would you say that Charles Wingate needs to do to put him away here tonight?

Charles brings Crank into a side headlock.

Byrd: That right there actually. Tie him up and slow him down. But you also need to keep aware of your surroundings with Chance. He will use any available chance to cheat.

Ace: Oh come on, like you wouldn't?

Byrd: I don't need to cheat to win.

Ace: Well, since I haven't seen you winning, exactly what do you need to do to win? Cause what you're doing is not working.

Blackfront: Chance Von Crank pushes Charles Wingate off. Wingate into the ropes now and on the return.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Byrd: You know Tommy, I didn't come out here for you to have an attitude with me. Why don't you do your job and call the match?

As Charles returns, Chance spins around and catches him with an elbow.

Blackfront: Elbow to the face of Charles Wingate.

Wingate grabs his face, stumbling back before turning around.

Ace:

You know Michael, I am doing my job. But

I'm still not sure why exactly you're out here.

Chance wraps his arm around Charles' neck from behind, holding him for a moment before dropping.

Blackfront: Inverted DDT by Chance Von Crank.

Byrd: It's as simple as this Tommy. I'm here to watch Chance Von Crank. It's not finished between us at all, and I plan on studying him until we can finish it.

Ace: Oh, so you need a free lesson in how to actually be good?

Got it.

Holding Charles' left leg up, Chance twist and falls, elbow down.

Blackfront: Chance Von Crank with an elbow drop to the inside knee of Charles Wingate as he continues to lead this match early on.

Ace: Seems like that's becoming a trend Jason. Wouldn't you agree Mike?

Byrd: You're going to show me a little respect Tommy.

Ace: Highly doubtful.

Crank turns Charles over to his stomach before lifting his left leg up again.

Blackfront: Chance Von Crank now driving that same knee hard into the canvas.

Ace: Be careful Chance! You're taking away Charles' ability to earn at his second job!

Byrd: You're sick Tommy.

Ace: And you suck Michael.

Blackfront: I've got to agree that you are a sick individual Tommy. Why don't you two pay attention to the match?

Ace: No one asked you Jason.

Byrd: And no one pulled your string Tommy.

Jason sighs.

Blackfront: Chance Von Crank now with a series of vicious stomps to the lower back of Charles Wingate.

Crank finishes his stomping frenzy before walking over to the ropes, pointing out to Michael Byrd and smirking.

Byrd: Yea, yea. Pay attention to your match Chance.

Ace: I think he's showing you what's in your future if you keep running your mouth.

Byrd: A fist to your mouth is in your future if you don't stop running yours Tommy.

Ace: Yea, yea.

Chance turns and walks back over to Charles Wingate, who is on his hands and knees trying to get to his feet.

Blackfront Chance Von Crank grabbing the head of Charles Wingate, pulling him to his feet.

Chance pushes Charles backward and into the corner before raising his hand up and bringing it down.

Blackfront: Heavy chops in the corner now by Chance Von Crank as Charles Wingate has yet been able to

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

find an opportunity to really get into this one.

Byrd: He needs to do something and soon. Once Crank starts in, it's hard to slow him down.

Ace: Listen to the man Jason, he knows from experience.

Chance begins to climb the ropes around Charles Wingate. once on the second rope, he grabs the back of Wingate's head with his left hand as he raises his right, balling it into a fist.

Blackfront:

Chance Von Crank now bringing a series of rights into the forehead of Charles Wingate.

As he rocks Charles with each punch, Wingate can be seen trying to struggle free.

Byrd: Charles is in a bad place now.

Ace: Why's that? Because he's in your place?

Blackfront: Tommy, why don't you just simmer down a bit.

Ace: Why? No one is scared of this idiot.

Byrd: Keep it up and I'll show you idiot.

Ace:

You already did the moment you sit down here.

Inside of the ring, Charles is able to get his hands underneath of

Chance's thighs, lifting his legs up as he moves out of the corner. Crank's arms wave before Charles releases him.

Blackfront: Charles Wingate with a powerbomb from the corner to try and create a bit of room between him and Chance VOn Crank!

Wingate drops to a knee, holding his head as Chance Von Crank lays on the canvas.

Byrd: I know he just took quit a beating, but this is Charles' opportunity and he needs to take it while he can.

Ace: Trying to live vicariously through him are you?

Byrd:

I'm warning you Tommy.

As Chance rolls ove ran begins pushing his way up, Charles gets to his feet. He limps a bit as he puts pressure on his left

leg, heading toward Crank.

Blackfront: Charles Wingate having some trouble walking after Chance Von Crank focused heavily on that left knee of his earlier in the match.

Wingate comes forward, slamming a forearm down into the back of the rising Chance Von Crank, sending him down to a knee.

Blackfront: Another forearm to the back of Chance Von Crank as Charles Wingate attempts a come back.

Wingate grabs Crank by the head, pulling him up a bit while turning his body.

As Chance faces Charles, Wingate brings an elbow down connecting with his forehead sending Chance to the canvas back first.

Blackfront: This match as dramatically slowed down now as Charles Wingate continues to reset the pace.

Ace: He's slowing it down to where Michael can keep up.

Blackfront: Why don't you just drop it Tommy.

Byrd: Yea, before I drop you quicker than Thatcher Rex.

Ace: Whoa. That's a little below the belt there buddy.

Blackfront: Wingate with an elbow drop now to the chest of Chance Von Crank.

He spins, getting back to his feet before dropping another.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Blackfront:

Followed by another. Those elbows directly to the heart of Chance Von Crank as Charles Wingate continues to bring this one back.

As he raises up this time, Charles turns his body more toward

Chance's head prior to leaping up and coming down with a right knee that connects with Crank's head.

Blackfront: And now a knee to the head, immobilizing Chance Von Crank more!

Crank grabs his head in pain as Charles moves back to his feet. The a commotion from the fans can be heard as the camera pans back enough to see Dick Fury running down the ramp from the back.

Blackfront: Here comes Dick Fury!

Wingate sees Dick and steps back, getting into a ready stance as Fury slides into the ring.

Blackfront: These two have been costing each other their matches for the last few shows. It looks like Dick plans on doing it again.

Crank turns over and gets to his feet behind Fury. He steps up beside him looking at him as if to question what he's doing in the ring.

Blackfront: It appears a temporary alliance is being made, leaving Charles Wingate in a bad place.

Byrd: Not on my watch.

Michael Byrd can be seen standing up and taking off his headphones.

Ace: Oh great... there goes the calvary.

Dick and Chance step forward as Michael slides into the ring, getting to his feet beside Charles Wingate. The referee quickly gets between the four men, his hands out.

Blackfront: The referee trying to maintain order here.

Ace: Why? Let them fight!

Blackfront: And order is gone.. here we go!

Chance Von Crank throws a punch, landing into the side of Michael Byrd's head as Dick Fury connects with Charles Wingate. As the four begin to brawl, the referee signals for the bell which begins to sound.

Blackfront: This match has turned into a cluster folks as we have all four men in the ring in what can only be described as chaos.

Ace:

Maybe Michael Byrd will get his bell rung like he deserves.

The crowd can be heard blowing up again as we hear the familiar voice of the general manager, Ron Hall, come over the PA system as the camera pans back to see him walk onto the stage.

Hall: Hey.. HEY! CUT THAT OUT!

Ron starts to head down the ramp.

Hall: Get some more officials down here, now!

He turns and waves to the back as a crew of zebras charge through the curtains and down past him.

Blackfront: Ron Hall calling for back up to gain some order in this opening match.

The troop of referees slide into the ring as a blob of striped shirts can be seen getting between the four men. Ron walks up the ring steps and across the apron, before entering the ring.

Blackfront: Tensions are high between these men after weeks of build up.

Ace: Like I said Jason, let them fight!

Ron walks to the middle of the ring, turning around to lock eyes with each superstar individually before he raises the microphone up.

Hall: So this is what it comes to, huh?

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

A look of disapproval arrives on his face.

Hall: Michael, you want to sit out here and bicker with a commentator then interject yourself into a situation that had nothing to do with you?

Byrd can be seen struggling to get past the referees, but is held back. Ron turns to Dick Fury.

Hall: And Dick... You couldn't just stay in the back and leave things alone?

Charles Wingate smiles before yelling his own response that we can hear.

Wingate: Yea you stupid idiot!

Ron's attention snaps to him.

Hall: You shut your trap Wingate. You started this when you cost Dick his match with Lew Smith.

The fans cheer as Wingate just snarls.

Hall: You all want to fight? Is that it?

Ron takes a look around at the four again.

Hall: Well, since we already have the six woman tag match later, and before this match I made a tag team main event... lets keep with theme tonight.

Blackfront: Ron Hall has something planned.

Ace: I'm not sure I like where this is going.

Hall: Dick.. you and Chance Von Crank will team up and take on the team of Charles Wingate and Michael Byrd..

The fans go crazy.

Hall: And that match will begin right now!

The fans get even louder as all four men show their own disapproval.

Blackfront:

Well folks, Ron Hall making this match a tag match right here tonight!

Gold Medal by Tha Trademarc begins to play as Ron holds the microphone in the air before heading to ward the ropes. The extra officials begin to clear the ring as well as the two impromptu teams turn to their partners to complain and plan.

Blackfront: This match will start in just a few moments. We'll return after this.

As we return to the ring Dick Fury and Michael Byrd are in the ring as their partners are on the apron.

Blackfront: As I was saying folks, this should be an interesting match. Neither of these teams have a history working together in any capacity.

Ace: This is just a recipe for disaster. What was Ron Hall thinking?

Blackfront: One thing to keep in mind is that both Chance Von Crank and Charles Wingate have just been through a match and are coming into this not at 100%.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

The bell sounds and both men circle before locking up.

Blackfront: Here we go, tag team action in our first of three multi-superstar matches tonight.

Ace: The fourth episode and Ron Hall is already running out of ideas. That's what i think.

Blackfront: Trust me Tommy, nobody cares what you think. Inside of the ring, the two fresh men lock up.

Michael Byrd takes control, pushing Dick backward and into the ropes. Charles Wingate slaps his partners shoulder hard before starting to get into the ring.

Blackfront: Wingate tagging himself in to the disdain of Michael Byrd.

Ace: What an idiot.

Byrd brings a big chop down across Dick's chest before giving Wingate a dirty look and exiting to the apron.

Blackfront: Wingate following up with his own chop now. Grabs the arm of Fury, pulling back.

Dick Fury sent across the ring.. off of the ropes and on the return.

As Dick returns, Wingate swings wildly with a clothesline.

Blackfront: Fury ducks the clothesline, rolling behind Charles.

He grabs him around the waist.

Blackfront: Wingate struggles free, rolls around behind Fury.

Dick throws a few elbows backward, catching Charles in the face causing him to let go before he rolls back around behind Wingate again.

Blackfront: Now Dick Fury back in control.

Ace: Wake me when this gets good.

Dick begins to gyrate his hips behind Charles to simulate, well... you know.

Blackfront: Dick Fury may be the only man in the UTA sicker than you Tommy.

Ace:

To put it in perspective Jason, Dick and Charles are cousins. So that's... well.. incestial in a way.

Blackfront: Disturbing.

Fury releases Wingate, slapping him in the back of the head as he pushes him forward.

Blackfront: Fury back and off the ropes for momentum... leaps... crashes down with a bulldog on Wingate.

Fury rolls to his feet and throws his arms out for the fans who do not cheer. After a couple of seconds he heads over and tags in Chance Von Crank.

Blackfront: A more team like tag there as Chance Von Crank enters the match.

Chance pulls Charles to his feet, immediately sending him into the corner. As Wingate's back hits, he falls to a seated position.

Blackfront: Charles Wingate sent to the corner now by Chance Von Crank.

Crank begins to take off, running toward Wingate. As he approaches, he leaps forward with his legs going on each side of Charles through the ropes. He grabs the upper ropes and begins to shake.

Blackfront: Bronco Buster by Chance Von Crank.

Ace: Now Charles is getting a face full of Crank!

Chance dismounts, leaving Charles sitting in what one can only imagine is disgust and sadness.

Blackfront: Chance Von Crank tagging Dick Fury back in. These two are working amazingly well in this match.

Fury heads to the center of the ring, turns toward Charles and takes off bringing a knee up connecting to the head of Wingate.

Blackfront: Vicious knee there by Dick Fury.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Ace: Well, it's no question who is the superior in the family.

He grabs the top rope with both hands and begins to stomp the midsection of Wingate.

Blackfront: Charles Wingate unable to get a break.

Ace: I bet he feels foolish tagging himself in now.

Dick grabs the head of Charles, pulling him to his feet.

Turning him around and toward the middle of the ring, Fury pushes

Charles' head down, placing it between his legs as he grabs him around the waist. He lifts him up.

Blackfront: Fury looking to go for the Fury Bomb!

Charles begins to punch Dick in the head, causing him to stumble back.

As they get close enough, Wingate thrust his body forward and over Dick enough he can grab the top rope.

Wingate then pushes himself off of the ropes and twist both men as he comes down, sending Dick over. The fans go crazy.

Blackfront: INVERTED HURRICARRANA! WHAT A REVERSAL!

With both men down, Charles begins to slowly crawl toward his corner.

Blackfront: Wingate using this opportunity to try and make a tag.

Ace: Well, he better hurry. Dick is never down for the count long. He'll be back up and ready to go in no time!

Just as Tommy says it, Dick begins to push himself up. Charles continues to crawl, extended his arm out toward Michael Byrd.

Blackfront: Can Wingate make it in time? Dick Fury on his feet.

Byrd reaches over as Charles extends still. Fury makes his way to Wingate, however as he grabs him,

Charles makes a last ditch effort to leap forward and attempt to tag Michael Byrd. This would have worked, except that Byrd pulls his hand back in before leaping off of the apron to a rally of boos.

Blackfront: What is Michael Byrd doing?

Ace:

The smart thing Jason. He doesn't want any of Dick today.

Byrd walks around the ring as the fans continue to boo. Inside of the ring, Fury lifts Wingate to his feet before sending him into the corner.

Blackfront:

Charles Wingate back in the corner as Dick Fury tags Chance Von Crank.

Fury brings a series of boots up and into the midsection of Wingate as Chance enters the ring. The two switch out places, Byrd now stomping away at Charles until he is back in a seated position again.

Blackfront: An all out assault on Charles Wingate, who's partner has abandoned him.

Ace: That's what happens when you just throw people together.

Michael Byrd forces the time keeper to get out of their chair before picking it up and folding it. He heads back toward the ring.

Blackfront: Michael Byrd has a chair!

Ace: Maybe he just wants to sit close to watch the action?

Blackfront:

Highly doubtful.

Byrd slides into the ring. As he gets to his feet, Crank turns and runs at him.

CRACK

Blackfront: Chance Von Crank LEVELED with that chair!

The referee begins to call for the bell. Dick Fury quickly gets into the ring and runs at Michael. He turns

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

around and slams the chair directly into Dick's head. The fans have a mixture of boos and cheers as Michael Byrd holds the chair up above the three fallen men.

Roberts: As a result of disqualification, the winners of this match... Dick Fury and Chance Von Crank!

Blackfront: Michael Byrd refusing to work with Charles Wingate then taking matters into his own hands has caused his team to be disqualified.

Charles Wingate begins to get to his feet. However, before he is able to Michael Byrd comes forward and brings the chair down across his back.

Blackfront: Even his own partner is hit with that chair.

Byrd throws the chair to the canvas before heading to the ropes to leave the ring as the referee begins to check on Chance, Dick, and Charles.

Blackfront:

In a turn we never saw coming, Michael Byrd has shocked us all.

Ace: More like a turn no one ever wanted.

Byrd walks up the ramp emotionless as we move away from ring side.

We head to the back of The Wrestlezone where two guards stand in front of the employee entrance with their arms crossed. After a few moments we see what appears at first glance to be Bobby Dean driving toward them in his rascal scooter.

As it gets closer, it is very obvious that it is Luke Dibbins dressed as Bobby Dean. It could be his terrible wig, or the lack of fat. It could even be that he is wearing his sunglasses and smoking a cigarette, but you can tell right away who it is.

Inside of the basket where Bobby Dean typically keeps his snack foods, the camera sees Duke Dibbins crouched over with a dominoes box on his back. The two guards look at each other and then the two idiots in the cart.

Guard #1: Whoa, hold it right there.

L. Dibbins: I gotta get in guys, I'm late!

Guard #2: Just who are you supposed to be?

Luke looks taken aback a bit.

L. Dibbins: Wutcha mean? It's me! Bobby Dean!

The guards look at each other then back at the two.

Guard #1: Right.

Luke begins to drive the cart forward, but the guards step in front of it.

L. Dibbins: Come on fellas, it's me Bobby Dean. I gotta be on yer list!

The first guard walks over, and pulls the bad wig off of Luke's head as the second guard lifts the pizza box up, allowing Duke to sit up.

Guard #2: And who's this... ?

L. Dibbins: Umm.. Umm... THE JIG IS UP DUKE!

Luke leaps out of the seat and begins to run. Duke grabs the side of the basket and falls over it to the ground. He lets out an OOF before standing up and taking off behind Luke. The guards just look at each other and sigh.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Guard #1: Idiots.

Suddenly, the real Bobby Dean drives his scooter up and toward them. As he passes the guards, he reaches out and grabs the box of pizza without stopping, continuing into the building as the guards stand, defeated.

We move backstage where the UTA Women's Champion, Marie Van

Claudio, stands in front of a backdrop next to Paul Stewart. She adjust the championship title over her shoulder.

Stewart:

Ladies and gentlemen I am standing here with Women's Champion, Marie Van

Claudio, who will be teaming with Zhalia Fears and Amy Harrison later tonight to take on the team of Jade justice, Ivy, and Kelly.

Marie nods.

Stewart: Marie, what are your thoughts going into this match?

Marie takes a moment before beginning to answer.

Claudio: You know Paul, when people like Jade Justice were leaving once they didn't get their way... I stayed.

She adjust the championship again.

Claudio:

I sacrificed myself, I worked hard and I busted my ass. I stood by the UTA when there were rumblings of the company being

sold, through thick and thin.

She continues to reply, with a serious look on her face.

Claudio:

Then after the sell, I continued to stay loyal and waited for the call back. It was that loyalty, that hard work, that led me to where I am now Paul. It is because I didn't run with my tail tucked between my legs that I'm standing here your UTA Women's Champion.

She pulls the title off of her shoulder, holding it in both hands in front of her. Marie looks down at it before taking it in her right hand, moving it down beside her.

Claudio: All of a sudden Jade Justice thinks she can come in and act like she sacrificed what I sacrificed? Like she sacrificed like Amy? Like Zhalia?

She throws the belt back over her shoulder.

Claudio: I'm offended Paul, and the entire UTA Universe should be as well! Zhalia, Amy, and I are on the same page and when we get into the ring tonight we are going to finally put Jade Justice in her place!

Stewart: What about Kelly and Ivy? Relative newcomers to the UTA who will be teaming with Jade?

Marie stares into the camera.

Claudio: I feel sorry for them. They aligned themselves with a self indulgent pathological liar. It's not their fault Paul, they are just guilty by association at this point and after tonight they will learn that they need to re-evaluate their choices.

Stewart: Well Marie, thank you for your time and good luck tonight.

Claudio: Thank you Paul, but there's no luck needed. You have the top three women to ever step into a UTA

Paul turns to the camera, his eye brows lifting.

Stewart: Back to you guys at ringside.

As we head back to the ring, Quality Control by Jurassic

5 is playing as Dylan Daniels stretches in the ring.

Roberts: The following match is scheduled for one fall.

Dylan flexes beside Jeremy.

Roberts: Introducing first, from

Seattle, Washington.... DYLAN...

DANNIIIEEELLSS!

The fans boo as Dylan shakes his fist in the air and smirks.

Blackfront: Not much love for Dylan Daniels.

Ace: Even his own mother boos him when he comes out!

The lights dim, as the steady beat of a guitar is heard playing and a soft voice is heard singing. as the words always, always, always are heard and the heavy beat of the guitar is heard.

Roberts: And his opponent...

Lance Mikes walks out, emerging from behind the curtains. He stands on top of the aisle way and poses and fireworks go off behind him, above the entrance way, the sparks falling down on him as he poses with his arms up. As the fireworks stop he pumps up the crowd and then walks down the aisle way.

Blackfront: Lance Mikes is here! After weeks of waiting, he has made his return!

Ace: HE'S HERE! HE'S HERE! LANCE MIKES IS HERE JASON!

He jumps onto the ring apron and gets into the ring between the top and middle rope. The song gets back to a slow beat as the begins to spin around the ring as he stops and poses, flexing his muscles fireworks go off on all four turnbuckles, and the lights begin to flicker at the same time.

Roberts: His opponent, from

Manchester, England and weighing in at

247 pounds... LAAANNNCCEE.... MIIKKKKKEEESSS

As the fireworks stop, the lights come back on and Lance Mikes holds both hands together with his fingers between the gaps and spins his wrists around, loosening the joints in his hand.

Blackfront: These two superstars are ready to get this one going.

As the bell sounds, both men stare at each other across the ring, Lance Mikes waving the fans on who are cheering for him.

Blackfront: The fans strongly behind Lance Mikes here tonight Tommy as he makes his return.

Ace: I STILL CAN'T GET OVER THE FACT THAT HE'S FINALLY HERE! LANCE MIKES IS HERE!

Blackfront: That he is.

The two men finally move in, locking up in the center of the ring.

Blackfront: The much larger Lance Mikes taking control as he sends Dylan Daniels into the ropes. Daniels on the return now... caught in the midsection by a fist from Mikes.

Lance sends several shots to the kidneys of Dylan Daniels.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Blackfront: Lance Mikes is going to work!

Daniels stumbles into the corner where Lance follows up, sending another blow into his kidneys from behind before turning Daniels around.

Blackfront: Lance Mikes in complete control.

Ace: After all of the hype about his return, he damn well better be.

Mikes brings a few elbows into the side of Dylan's head

Blackfront: Lance Mikes now pulling Dylan Daniels out of the corner.

he pushes him back into the ropes, using them for momentum to send Daniels across the ring.

Blackfront: Dylan Daniels on the return.. Mikes catches him.. lifting up.. huge power slam by Lance Mikes takes Dylan Daniels off his feet.

Ace: Did you see that air?

On the ground, Lance pulls Daniels into a seated position. He kneels behind his opponent and clamps his hands under his

chin, then pulls back.

Blackfront: Chin lock by Lance Mikes as he continues to dominate.

Ace: Yea, but it does look like Dylan Daniels is trying to get free.

Dylan struggles, but plants his feet firmly, pushing his way up, bring

Lance with him. When he

s up, Lance keeps hold of his head and twists his own body

round, dropping Daniels back down with a neck breaker.

Blackfront: Denied by Mikes, but a valiant attempt by Dylan Daniels to try and turn this around.

Lance Mikes gets to his feet. He throws a fist in the air as the fans cheer.

Blackfront: Lance Mikes has the fans behind him here tonight.

Ace: It's because they can't believe he's actually here!

Lance Lance continues to work the crowd as Dylan Daniels rolls over and starts to push up.

Blackfront: Dylan Daniels appears to be coming around.

Ace: Just stay down Dylan. You have no valid reason to get up.

Blackfront: Well, yes he does Tommy. if he wants to win this match.

Ace: Have you been watching Jason? There is absolutely no way.

Blackfront: Never say never here in the United Toughness Alliance.

Lance moves around behind Dylan.

Blackfront:

Lance Mikes looking to attack.

Dylan makes it to his feet. As he does, Lance steps forward and grabs

Dylan's left arm, pulling it back and twisting it up. At the same time, he reaches around and grabs Dylan's chin, pulling his neck to the side in a Crossface Chickenwing.

Blackfront: TRUE PAIN LOCKED IN!

Ace: Dylan Daniels never stood a chance!

The referee checks on Dylan who is screaming that he gives up. Finally, after the signal is thrown, the bell begins to sound.

Roberts: The winner of this match via submission..... LANCE... MIIIIKKKEESSS!!!!!!

Lance releases Dylan Daniels who flops to the canvas before throwing his arms in the air in victory.

Blackfront: A quick and decisive victory here tonight for Lance Mikes, almost in the vein of David Hightower's

As Chamillionaire's Rid in' Dirty continues, Theo Baylor steps out from the back and starts down the ramp.

Blackfront: What is Theo Baylor doing here?

Ace: You know, not many people can compare to Lance Mikes' size on the roster!

Blackfront: The six foot six Theo Baylor is only one inch off of the six foot seven Lance Mikes.

Baylor stands on the apron, holding the top rope as he yells at Lance Mikes who just steps back, inviting him into the ring.

Blackfront: We might be seeing a war of two big men popping off here tonight.

Ace: Yea, but the difference is, at least Lance Mikes has a win under his belt.

Blackfront:

This is true, Theo Baylor has yet to secure a victory in the UTA, but looks determined here tonight.

Baylor struts up to Lance Mikes, getting in his face, as he mouths something inaudible toward him.

Blackfront: Lance Mikes doesn't seem to be affected by Baylor's attempt to get into his head.

Lance just smiles as we can see him mouth I don't have any beef with you friend, before side stepping and walking past Theo. Theo can be seen saying Oh Hell No! before turning toward Mikes who has his back toward him.

Blackfront:

Baylor turns Mikes around.. big right hand.. followed by another. Theo Baylor attacking Lance Mikes.

Lance stumbles back. As he does, Theo comes forward.

Blackfront: Mikes ducks the arm of Baylor.

As he does, he grabs it in the process, turning it upward and twisting it behind Theo before grabbing his chin with his right hand.

Blackfront: TRUE PAIN LOCKED IN! TRUE PAIN IS LOCKED IN!

Theo Baylor begins to struggle but the cross face is too much for him. Lance Mikes applies even more pressure, ensuring Theo that he is in full control.

Ace: It looks like Theo is in way over his head.

Blackfront: That he is Tommy.

Lance pulls Baylor back, the two falling to the canvas.

As they do, Lance locks his legs around

Theo, continuing to hold him as Baylor frantically throws his right arm around. The referee tries to stop Lance Mikes, but he is in full mode.

Blackfront: If Lance Mikes can take out someone as big as Theo Baylor, you have to wonder if there is anyone on the roster who can take him!

Finally Lance lets Theo go, rolling him away before getting to his feet. Mikes looks down at Theo who rolls on the canvas in pain as his theme music begins again.

Blackfront: Well folks, as Tommy has said... Lance Mikes is here... and the entire locker room has now been put on notice.

We head to the locker room where John Sektor can be seen lacing his boots up. After a few moments he looks up as he pulls the last knot tight. Sektor then stands up and takes a deep breath.

Sektor: Sean.

As the camera pans back, we see Sean Jackson approaching Sektor with the former UTA World Championship over his shoulder.

Jackson: I'm not here to cause any trouble.

Sektor continues to stand in a defensive pose.

Jackson: No, I'm here to talk about our match tonight against The Hollywood Bruvs.

Sektor: Yea, what about it Sean?

Sean Jackson adjust his championship.

Jackson: Tonight, we need to work together John. The Hollywood Bruvs are a cohesive tag team and to beat them, we are going to have to be as well.

Sektor continues to keep his eyes on Jackson.

Jackson: You and me, it's not over. Only one of us can be the number one contender John. I know that and so do you. But it will do neither of us any good to quarrel tonight. I wanted to come in peace and extend my hand of cooperation tonight.

Sean puts a hand out. Sektor looks at him and then his hand. Finally, he takes it. As they shake John pulls Sean in close.

Sektor: Sean, tonight we're a team. I promise you that I'll have your back if you have mine. But if you cross me....

Jackson snarls before pulling away from Sektor.

Jackson:

I'm a man of my word John and tonight, I will have your back as well.

Sektor: Good.

The two men continue to stare at each other as we fade.

Ron Hall's office is where we fade into. As he sits behind his desk, one of the security guards from earlier in the evening stand in front of him.

Hall:

So, The Dibbins tried to get in again?

Guard: Yes sir.

Ron sighs.

Hall: They just don't get that they aren't employed here anymore, do they?

Guard: I guess not sir.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Ron thinks for a few moments.

Hall: Here's what I'm going to do. To avoid wasting anymore time on them and let you guys do your job, I'll make the call that on the next episode they will have one chance to prove they deserve to be in the UTA.

Guard: So, we should let them in?

Hall: Well, not tonight. But on the next episode of WrestleUTA on Hulu I'm going to put The Dibbins Boys against the newly formed team of Chance Von Crank and Dick Fury. If they beat them, then maybe I'll consider letting them come back full time.

Guard: Are you sure sir? I mean... they do always tend to steal all of the food from catering, and I swear I caught the skinny on defecating in the showers once...

Ron sighs again.

Hall: Unfortunately, I'm sure. Pass the word, on the next show let The Dibbins in,.

Guard: You got it.

He motions to Ron before returning and leaving the office. ROn just puts his head in his hands.

Hall: What did I just do?

Marie Van Claudio, Amy

Harrison, and Zhalia Fears make their way to the stage.

Blackfront: These three women want to stand tall tonight as Amy Harrison and Zhalia Fears back the UTA Women's Champion in this three on three tag match.

They begin down the ramp.

Roberts: Making their way to the ring first...

They get to the ring, and begin to enter.

Roberts:

The team of Amy Harrison, Zhalia Fears...

Marie looks at the referee and before getting on the bottom rope and bounces on it before getting off.

Blackfront: This match is going to be big.

Black Widow by Iggy Azalea ft. Rita Ora begins to play. Multi-color lasers begin to circulate the arena and then suddenly stop. Jade Justice, Kelly, and Ivy make their way to the stage.

Blackfront:

These three women have formed a quite interesting team.

All three women start down the ramp, Jade Justice leading.

Roberts: And their opponents...

Jade slides under the bottom rope to enter the ring as Kelly seductively makes her way up the steps. Ivy waits until the other two are in, before grabbing the ropes and pulling herself to the apron in splits, entering in that way.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Roberts: The team of Kelly... Ivy... and.. JAAAADDEEE... JUUUSSTTTIIICCEEE!!!!

Jade flips her hair as she walks alongside of the ropes.

Blackfront:

Six woman tag action here as the team of Zhalia fears, Amy

Harrison, and the Women's Champion Marie Van Claudio take on Jade Justice along with Ivy and Kelly.

Ace: I've been waiting for this match Jason.

Blackfront: All six of these women were in the battle royal for the Women's Championship in which Marie Van Claudio won. It will be interesting to see how the two teams work together in tonight's second of three tag team matches.

Ace: I love that this is three on three. You just don't see enough three on three matches these days.

Blackfront: Amy Harrison and Kelly start out in the ring as their teammates head to the apron as we await for the bell to start this match.

Amy stretches near the ropes as Kelly just looks her way and laughs, as if she is not impressed.

As the bell sounds, Amy Harrison turns and charges Kelly.

Blackfront: Amy Harrison not waiting as she meets Kelly with a series of punches.

Ace:

Kelly's still relatively new. As much as it pains me to say this, Amy Harrison is the tried and true vet here.

Blackfront: The team of Harrison, Claudio, and Fears makes up what some call the future female UTA Hall of Fame members. If they are inducted one day they will join the likes of Aki Seseme, the only female UTA World Champion in the promotion's history.

Kelly is backed into the corner as Amy pulls her right hand back up high, bringing it down hard across her chest.

Blackfront: Chop to the chest of Kelly by Harrison who is bringing it here early.

Ace: That's got to hurt a woman more than a man. You know, with all of the extra... body there.

Blackfront: Kelly is no slouch in that department.

Ace: Ha! It looks like I'm rubbing off on you Jason.

Blackfront: I can admire a well built woman.

Kelly grabs her chest and stumbles out of the corner as Amy Harrison grabs the top ropes with both hands in the corner. She bends down and leaps up, throwing her legs out. They come down, landing on the ropes. As Kelly turns back toward the corner, Amy's body is shot up as she flips back, her legs wrapping around her neck.

She throws her body around, Kelly turning with the swing before going over as she releases, sending her across the ring. As her body hits the canvas the fans pop in amazement.

Blackfront: Split leg into a hurricarrana by Amy Harrison!

Ace: Amy Harrison is one of the most athletic women to ever come into the UTA. No one can ever deny her of that.

Blackfront: No they can't Tommy.

Amy heads over, tagging Marie Van Claudio in.

Blackfront: The UTA Women's Champion now in the match. Good team work by the two friends.

Ace: They have a history, which the other team does not.

It is an advantage, I wont lie.

Marie heads

over, grabbing Kelly's head as she begins to push up.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Mid run, she leaps down to the canvas with a cartwheel. As she gets to her feet, back toward Kelly, she brings and elbow back, catching her int she face.

Blackfront: Cartwheel Elbow Smash by Marie Van Claudio catches Kelly!

Kelly grabs her face, turning and stumbling away from

Marie. As she makes her way to the ropes, Ivy quickly tags her and leaps over the ropes into the ring.

Blackfront: Tag made.

Ivy heads toward the Women's Champion.

Blackfront: Marie charges past Ivy... leaps up..

She lands on the second rope, using it to shoot herself back.

Blackfront: SPRINGBOARD SUPERGIRL PUNCH TOT HE FACE OF IVY!

Ace: That's not the way you want to enter a match at all.

Blackfront: It sure isn't.

Ivy falls back to the canvas hard. Marie quickly shoots over and covers her.

Blackfront: Claudio with the pin now..

The referee drops into position.

Blackfront: We could have a wi- NO! Kick out by Ivy.

Ace: If Ivy would have lost without ANY offense, she'd HAVE to disappear forever.

Blackfront: The hard punch to Ivy was almost enough to put her out of this one for good.

Ace: Just think if it had been Kelly still in the match. This one would have been over.

Blackfront: There's no doubt.

Marie quickly gets to her feet as the fans cheer for her. Ivy sits up, shaking off the cobwebs, before turning over and beginning to get up.

Blackfront: This one here will continue as Ivy begins to get to her feet.

Marie takes off past her.

Blackfront: Claudio off of the ropes again, using the ring to her advantage here tonight. On the return.. she leaps.. CROSS BODY... WAIT! IVY CATCHES HER!

She holds Marie for a moment, before spinning her body around and dropping to a knee while bringing her down back first.

Blackfront: BACKBREAKER BY IVY ON THE WOMEN'S CHAMPION!

She rolls her off of her knee and to the canvas, breathing a bit heavy. Zhalia and Amy react with concern from the apron as Jade Justice claps for her teammate

Blackfront: Ivy may have just gave herself the boost she needed to get into this match and show us what she is capable of.

Ivy pushes up before walking slowly over to Marie. She bends down and grabs her by the head, pulling her up to her feet.

Blackfront: Ivy scoops Claudio up....

She turns and takes a few steps before turning her body over and sending it down to the canvas back first.

Blackfront: Scoop slam by Ivy.

Ace: Sticking with the classics it seems.

Blackfront: The classics are that for a reason. They work. Slow the pace down and Marie Van Claudio will have trouble getting back in this one.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Ace: Can you imagine if Ivy pins the Women's Champion Jason?

Blackfront: It certainly would be a fast track to a title match.

Ace:

Yea it would.

In the ring, Ivy raises

Marie's leg up, holding it for a moment, before, driving it knee first into the canvas.

Blackfront: Ivy smashing Marie's knee into the canvas, methodically tearing her down now.

She raises her leg again, before driving it down a second time. The fans boo heavily as Marie rolls on the canvas holding her knee.

Blackfront: Marie Van Claudio needs to make a tag.

Ace: Either that or she needs to get off her back and show us why she is the Women's Champion.

Ivy shrieks as she stomps away at Marie Van Claudio.

Blackfront: Those vicious stomps, each one wearing the Champion down more.

Zhalia and Amy clap as well as try to get the fans going to motivate MVC.

Blackfront: Ivy now pulling Marie Van Claudio to her knees.

Ace: A position she is quite fond of.

Blackfront:

There's the Tommy Ace we all know.

As Marie sits there on her knees, Ivy brings several swift kicks into her chest following with one last one to Claudio's head, sending her to the canvas.

Blackfront: The champion is down now as Ivy makes her way to the corner, tagging in Jade Justice.

Jade enters the ring, flipping her hair to the booing fans before heading over to Marie.

Blackfront:

Jade pulling Marie to her feet.

As she gets up, Jade sends her into the ropes.

Blackfront: The champion into the ropes.. on the return now and into the waiting grasp of Jade Justice...

SPINEBUSTER!

The fans boo.

Blackfront: Jade Justice has been impressive since her return.

Ace: She's trying to prove a point Jason. She wants to be the alpha female of the UTA.

Jade pushes to her feet as Marie Van Claudio lies on the canvas, holding her back in agony.

Blackfront: Justice positioning herself, ready to strike once

Claudio gets to her feet. She begins to move. This one could be over soon.

As Marie stands up, Jade runs toward the ropes. She leaps

up, springboarding off with an elbow.

Blackfront: **SPRINGBOARD ELB-**

Marie ducks. As she does, she brings her knee up and throws her hands behind Justice to help push her momentum into her knee more.

Blackfront: **CLAUDIO COUNTERS!**

As Jade is bent over, Marie throws her arm over her neck and lifts his leg. She lifts with all of her might, snapping Jade over to the canvas and bridging her into a pin.

Blackfront: **CRADLE SUPLEX BY CLAUDIO! SHE HAS THE PIN!**

Ace: How embarrassing for Justice!

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

The referee drops and begins his count. Both Kelly and Ivy scream at their partner.

Blackfront: Justice able to kick out at two!

The fans clap and cheer for Marie Van Claudio.

Blackfront: Jade Justice possibly underestimating her opponent tonight.

Ace: After what she's been through, no one saw Marie countering like that. Not even me, and I see all!

Blackfront: I'm sure you do.

Marie rolls over and gets to her feet as Jade begins to get up as well, a little slower than he entrance into the match.

Blackfront: This match continues.

Marie walks over and grabs Jade's arm, helping her up.

Blackfront: Justice to her feet. Claudio with the whi- No! Reversed by Jade Justice. Marie is sent toward the corner. Jade runs behind her.

As Marie enters the corner, she grabs the top ropes and pushes her body up and over Jade's head as her momentum sends her past her. Jade hits the turnbuckle full force with her chest as Marie's feet come down to the canvas.

Blackfront: Jade Justice right into that corner there. Can Marie Van Claudio capitalize?

Jade stumbles around, turning toward Marie who is waiting.

Blackfront: Marie runs.. leaps up with a high knee catching Jade Justice!

As she hits with force, Jade is shot back into the corner

again, but her quick thinking allows her to grab Marie as she connects. Jade steps out of the corner and leaps up and forward, slamming all of her weight down on top of Marie Van Claudio. The fans boo.

Blackfront: Jade Justice able to turn a bad situation around, but it may be too late.

Shee rolls off of Marie and lays on the canvas in pain as she is as well. The referee stands over both of them and begins to count.

Blackfront: One of these two need to make it to their feet before the referee can count to ten or this one is over!

As the referee continues to count, both opponents begin to move, rolling to their sides.

Blackfront: Who is going to make it up first?

Ace: Whomever does has the advantage going forward.

They both reach their feet in time. The fans cheer.

Blackfront: Both up! We will continue!

Marie takes off toward Jade.

Blackfront:

Marie runs at Jade... She catches her and lifts again...

This time when she lifts her up, Marie throws her legs up, pushing on his shoulders to get some air. Her legs wrap around Jade's neck, and she leans back.

Blackfront: Van Claudio counters... hurricar- NO! Justice doesn't budge!

She uses her momentum to grab up under her arms and toss her down, hard to the canvas.

Blackfront: JUSTIFIED BY JADE JUSTICE! WHAT A VICIOUS POWERBOMB!

Jade makes her way over to Marie's corner, taunting both Zhalia and Amy. When neither is paying her any mind, she turns to slapping Amy Harrison. This causes both to quickly enter the ring.

Blackfront:

Oh come on now.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

As the referee gets in between them, Kelly and Ivy quickly get into the ring as well. They begin to stomp Marie Van Claudio behind the referee's back.

Blackfront: Is this really necessary?

Ace: If they want to win, it is.

Zhalia and Amy begin to get back on the apron. As they do and the referee goes to turn back to the match, both Ivy and Kelly quickly drop and roll out of the ring, leaving Marie Van Claudio down on her back.

Blackfront: Jade Justice in a place where she can easily take this one thanks to the no good actions of her partners.

Ace: It's teamwork Jason. That's what matches like this are all about.

Blackfront: It's bullhonkey, that's what it is!

Ace: Bullhonkey? Really? Is that even a word?

Jade walks over, drops to her knees and covers the champion, screaming for the referee to count.

Blackfront: Jade Justice looking to end this one now.

As the referee counts, the fans boo. That is until Marie Van Claudio gets her shoulder up.

Blackfront: NO! ONLY TWO! Marie Van Claudio able to break the count!

Ace: How?!

Blackfront: That's what happens when you don't take advantage in a timely manner Tommy.

Kelly and Ivy scream at Jade Justice, who grabs Marie by the hair as she gets up, pulling Marie to her feet.

Blackfront: Justice sending Claudio into the ropes.. Marie on the return now... ducks a clothesline attempt!

As she ducks and continues past Jade, Marie leaps up and

forward, her hand extended catching Zhalia Fears hand in the process. The fans go nuts.

Blackfront: A TAG IS MADE! HERE COMES ZHALIA FEARS FOR THE FIRST TIME IN THIS MATCH!

Zhalia charges the ring as Marie rolls to the apron. She burst toward Jade with a series of rights to the side of Jade Justice's head.

Blackfront: Zhalia Fears coming 100 miles an hour into this one folks.

Fears switches to hard hitting kicks that catch the sides of Jade's legs.

Blackfront: Those kicks with extreme accuracy, may be too much for Jade Justice to handle.

Jade Justice drops to a knee as Zhalia runs toward the ropes.

Blackfront: Fears off of the ropes and on the return now...

As she returns, she jumps into a left roundhouse kick into a spinning right hook kick catching Jade.

Blackfront: ODE TO KUSH! ODE TO KUSH! Zhalia quickly covering her!

The referee slides into position and begins to count. As his hand hits the canvas a third time, the bell starts to sound.

Roberts:

The winner of this match via pin fall.... The team of Zhalia fears, Marie Van Claudio, and Amy Haaarriiissssooonnn!!

Blackfront: Big win tonight for Zhalia, Marie, and Amy as they are able to put away Jade Justice, Kelly, and Ivy.

Jade rolls to the apron as Kelly and Ivy hop down. They pull her to the floor before helping her to her feet and grabbing each side of her, to assist

Jade to the back. Inside of the ring, Amy and Marie join Zhalia to celebrate.

Blackfront: Exciting action here tonight, but there is still more to come.

MERGEFORMATINET

We open up backstage in an interview room. The shot is set on Paul Stewart, primed and ready, sat down upon a director

s chair in front of a

UTA backdrop of the World Champion, Mikey

Unlikely;

Stewart:

Ladies and Gentleman, I am pleased to bring to you a world exclusive interview with none other than the man who made his shocking return to the United Toughness Alliance on episode

3...a

UTA original, JFK himself...Kendrix.

The shot switches to Jesse Fredericks

Kendrix, wearing an armani tailored dark grey suit and plain black shirt with its top two buttons undone, his hair slicked back and tied in a top knot. He looks over, proudly, to his left as he gives the Prodigy title a polish with his closed fist, before looking back at Paul Stewart with his trademark smirk splashed across his face;

Kendrix: Listen, yeah...Paul? What the hell happened to Jimmy Jam?

Stewart looks taken aback somewhat as Kendrix makes reference to his predecessor.

Stewart: Uh, if it

s Jamie Sawyers you

re referring to, I've taken over as the new backstage interviewer.

Kendrix arches his body back with an unsure look upon Paul before dismissively rolling his eyes at him;

Kendrix: Whatever, bruv. Let

s make this quick, yeah? JFK

s a busy man. Got things to do, people to see, innit?! Chop Chop!

Stewart manages to keep his cool and remain professional over the sharp claps of Kendrix and leans forward slightly, arching the tips of his fingers on both hands together in front of him;

Stewart: Kendrix, last week the

UTA World Champion, Mikey

Unlikely, interfered in the number one contenders match between Sean Jackson and John Sektor for the UTA World Title, which consequently culminated in a no contest decision by the referee.

The shot switches to Kendrix who affords himself a little chuckle while Stewart continues;

Stewart: But Mikey seemed to be in a bit of trouble post match when he found himself between both Sean and John...until, that is, when you hit the bellend on both men and announced your return to the UTA.

Kendrix looks at his silver wrist watch and impatiently taps it twice;

Kendrix: What

s your point Stewart? Are you gonna ask JFK a question or what?

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Stewart nods his head, unperturbed;

Stewart: Kendrix, the UTA fans want to know...why did you decide to come back to the UTA and in the fashion you did?

Kendrix rolls his eyes once more and shakes his head before taking the belt off his shoulder and placing it upon his other one. Leaning forward and gesturing for Stewart to lean in closer as he quickly pulls back his two fingers;

Kendrix: Listen, yeah?! Let

s get one thing straight, shall we? JFK doesn

t owe anybody an explanation. Not the UTaverse, not the bellends in the back, not even a second rate Jimmy Jam like yourself, Paul.

Ushering Paul away with a flick of the back of his

hand, Kendrix sits up straight in his chair before brushing off non-existent dust from his title;

Kendrix:

But even though JFK has only been in this business for a short amount of time...JFK understands how this game works. You see, Paul...Professional Wrestling is all about one thing, and one thing only...

He holds his index finger up;

Kendrix: The spotlight...You can be the most technically gifted wrestler, the hardest worker, have the best look...none of that means anything...unless you have the spotlight shining firmly down on yourself.

He proudly opens his arms out wide by his side;

Kendrix: And in order to get that spotlight, you have to do whatever it takes...but at the right time. How else do you think that JFK, who made his debut in professional wrestling right here in the UTA just under two years ago, went from a rookie...to the single hottest commodity in this business today?

He shrugs his shoulders and sticks his bottom lip out as if waiting for an answer from his interviewer...but halts any chance of a response by holding his hand out flat in front of him;

Kendrix: Why do you think, people, who have been in this business year after year after boring year...have failed to get close to the heights that JFK has achieved in such a short space of time?

Again he holds the palm of his hand out flat at Paul and dismissively shakes his head at him, warning him not to interrupt;

Kendrix: It

s because...they don

t understand the value of time. They don

t understand that in order to take the spotlight, your timing has to be spot on!

He smugly grins as he strokes his beard a couple of times before returning his attention to Stewart;

Kendrix: Why did JFK choose last week to return? Because he heard that the UTA were making the same old mistakes again. JFK heard...that Sean Jackson and John Sektor were to battle it out to become the number one contender for JFK

s bestest bruv in the whole world

s World Title?

He leans back relaxed as he chuckles to himself in disbelief, before wiping away an apparent happy tear from his eye with his finger;

Kendrix: Seriously bruv?! John Sektor and Sean Jackson?!

He exaggeratingly face palms before putting his game face back on;

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Kendrix: The reason the UTA went out of business in the first place was because of people like them. The reason those guys were successful was because they relied on others in The Machine and others in Dynasty
He points both index fingers upon his chest;

Kendrix: ...To make them look good...Why on earth do you think it was JFK himself who ended Dynasty?
Why Paul?

Paul looks taken aback;

Stewart: Uh, Kendrix, didn

t

Sean Jackson walk out

At that moment, Kendrix jumps out of his seat and gets in Stewart

s

face;

Kendrix: No Paul! JFK ended Dynasty!

JFK and Mikey did it for the good of this company. Just like The Machine, Dynasty had gone stale. After we helped destroy the

Machine, it was time to stop Dynasty from killing the UTA. That

s why we formed the Hollywood Bruvs!

A look of solace comes across his face as he drops his head slightly;

Kendrix: But we were too late. JFK and Mikey Unlikely got their timing...wrong. We should have done it sooner. The damage was already done.

Raising his head defiantly his eyes widen;

Kendrix: Never again will The Hollywood Bruvs get their timing wrong and we certainly won

t sit back and watch this company make the idiotic decisions of the past EVER AGAIN!

Picking up his title from the floor he wipes the dust away and holds it out in front of Stewart while pointing out at the backdrop of Mikey Unlikely.

Kendrix: With Mikey as your World Champ and JFK as your Prodigy, your future...you can rest assured...that the FUTURE...of the UTA

is in very safe hands!

Walking out of shot the camera focuses on Stewart with a look of concern on his face as his eyes follow Kendrix out of the room.

Cut.

Blackfront: Madman Szalinski is a wild card here folks.

Ace: I still don't get this combination.

Blackfront: Szalinski becoming well know over the last year for managing some of the toughest superstars in
the industry.

David raises the chain in the air, the padlock at the end of it swings in the air.

Ace: Be careful with that thing!

Hightower lowers the chain and begins to stomp down the ramp while mouthing something in Lew Smith's
general direction. Madman takes this time to also talk smack.

Blackfront: This should be a good match.

Ace: No Lew Smith match is a good one Jason.

As Hightower reaches the ring, he stops at the edge and looks left and right with wild eyes before reaching
up and grabbing onto the ropes, pulling himself to the apron.

Hightower enters the ring. He begins to stomp around the edge of it, swinging the chain wildly.

Both the referee and Lew Smith quickly move out of the way of the airborne metal links and lock. Finally,
Hightower lowers the

chain, handing it to Madman who heads toward the ropes to leave the ring.

Blackfront: I'm not sure if that chain is any better in Madman's hands than it is David Hightower's.

As the bell sounds to begin the match, both men start to circle. Madman Szalinski plays up the front row
crowd outside.

Blackfront: Here we go folks as Lew Smith looks to try and halt the dominance we've seen from David

Hightower in recent weeks.

David begins to push Lew back instantly, sending him down to one knee.

Blackfront: David Hightower using his strength to over power Lew.

Ace: Does it surprise you? David Hightower is pure power and strength. Lew Smith is, well.. he's Lew Smith.

Blackfront: What does that mean?

Ace: Come on Jason. It's Lew Smith.

Blackfront: One of the top superstars in the UTA who has been known to push everyone he has been in the ring with to the absolute limit?

Ace: Is there another Lew Smith I don't know about?

Lew struggles, trying to push up as David continues to hold him down to one knee. Smith begins to raise a bit, but Hightower is able to keep his grip and continue to force him down.

Blackfront: David Hightower keeping Lew Smith stationary early here in this match.

Lew grits his teeth and pushes up. His arms shake as he tries to fight back. Smith begins to slightly begin to get back up, with Hightower trying to keep him down. Madman slaps the side of the apron, yelling for David to not let him up.

Blackfront: Smith still trying to fight back as Hightower continues to hold him down.

Ace: Lew looks at home on his knees.

Blackfront: TOMMY!

Lew is able to push up enough his knees are off of the canvas. He quickly drops to his back while throwing his feet up into the stomach of David Hightower. As his back hits, Lew pulls

David's arms down with him, and pushes his legs over. David Hightower flips forward over Smith, who lets go as Hightower hits the canvas, sliding across it back first. The fans scream with excitement.

Blackfront: LEW SMITH IS ABLE TO GET FREE AND SEND DAVID HIGHTOWER TO THE CANVAS!

Madman grabs his head in shock as he sees David go over. Lew quickly rolls over and gets to his feet. As David begins to sit up, Lew comes forward with a kick to the lower back of Hightower.

Blackfront: Lew Smith with those deadly accurate kicks he is known for.

Ace: All he is going to do is make David Hightower mad.

Madman grabs the middle rope and begins to pull himself to the apron. Lew charges forward causing Madman to drop back down. He points down at Szalinski yelling while behind him David gets to his feet.

Blackfront:

Lew Smith warning Madman to stay clear of the match.

As he turns back toward Hightower, David grabs him in a tight bear hug.

Ace: Serves him right!

David squeezes as he lifts Lew up.

Blackfront: Lew Smith struggling, but unable to get free from the massive grip of

The Toughest Dog in the Yard.

Madman cheers David on who roars as he continues to squeeze Lew. After a few more moments, Lew Smith's body goes limp. David lets go of him, his body falling to the canvas as Hightower stands over him.

Blackfront: Lew Smith is out!

The referee quickly moves down and checks on Lew. David steps forward, reaching down past the referee to grab Smith, but the referee throws his hand up waving him off. He quickly stands and swivels around calling for the bell which begins to sound.

Blackfront: The referee is calling this one!

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Roberts: The winner of this match due to referee stoppage... DAVID.. HIIIGGHHHTTOOOWWEERRR!!!

Madman quickly slides into the ring. He points with both pointer fingers at Hightower who stands, dominant, over Lew Smith. Madman grabs David's arm and raises it while pointing to him with his other hand. The camera zooms in and we hear Madman yelling Nobody can beat him! This is The Toughest Dog in the Yard folks!

Blackfront: Yet another quick and dominating victory by David Hightower. Is there anyone in the UTA who can...

The lights dim.

Blackfront: Wait.. what's this?

As the final word is spoken, it fades into the ripping guitars of Avenged Sevenfold's Hail to the King. The fans not already on their feet get up.

Blackfront: Can it be?! Can it?!

Ace: It is Jason! It is!

From the back, CBR comes through the curtains, throwing his arms out and spinning around as the fans go crazy.

Inside of the ring, David Hightower just stares down the ramp. Madman Szalinski screams and shouts as CBR motions for the fans to get louder.

Blackfront: Claude Baptiste Ranier is here! The Canadian Superstar is in The Wrestlezone!

He points down at David and Madman before beginning down the ramp. The fans go crazy. Hightower looks ready. As CBR approaches the ring, and grabs the ropes to pull himself to the apron, he stares at David from outside.

Blackfront: It looks like things are about to pop off!

Madman pulls David in and whispers something to him. CBR begins to enter the ring, as he does, Madman and Hightower step back and begin to exit through the ropes on the opposite side. The fans begin to boo at them leaving.

Blackfront: Madman Szalinski obviously suggesting to David that this isn't the time or place.

Ace: But isn't it Jason? Isn't it?!

CBR looks over the ropes and down at David and Madman. Szalinski just smirks as he motions for David to follow him and begins around the ring. CBR throws his hands up and shakes his head before waving them off. Hail to the King begins to play again as CBR makes his way to the corner, climbing the turnbuckle and throwing his arms out to soak in the fans cheers.

Justice: Are you two kidding me?!

Kelly: Us? I thought you were Ms. Bad Ass!

Justice: I picked you two to have my back! Where were you?

Ivy:

Watching you get pinned.

Jade screams as she pushes ivy backward. The moment she does, Kelly comes in and brings a right to the side of her head. Justice grabs her head and stumbles to the side. Ivy launches

forward, bringing a knee into the stomach of

Jade as she shoves her body into the wall.

Stepping back, Ivy lets Jade slide to the floor. Kelly moves in with a kick to her

ribs, taking her from her hands and knees to her side, leaning against the corner of the wall and floor. Ivy bends down and tilts her head to the side. She begins to brush Jade's hair softly with her fingers.

Ivy: Sorry Jade, but it looks like Kelly and I are going to have to finish this ourselves.

She grabs a chunk of Jade's hair with her left hand, pulling her head up slightly before using her right to bring a heavy slap across Jade's face before dropping her head back to the floor and standing up. Ivy looks over at Kelly.

Ivy: I guess there is some justice after all.

The two begin to laugh as they step over Jade and walk away. The camera zooms in on Jade who is out cold and motionless on the floor.

Roberts: THEY ARE.... THE HOLLYWOOD... BRRUUUUVVVSSSS.

The fans continue to boo as the music fades out.

Blackfront: A common goal tonight between John Sektor and Sean Jackson as they take on the Hollywood Bruvs.

Ace: What's that? To get crippled before either of them get a chance to go for the title?

Blackfront: I imagine they will work together tonight to ensure that once they pass this hurdle, both can focus on the

Heavyweight Championship held by Mikey Unlikely.

Jackson and Sektor talk amongst each other for a moment before Jackson moves through the ropes to the apron. Across the ring, Mikey makes his way to the apron as well.

Blackfront: John Sektor and Kendrix will be leading this one off as we get ready for main event action.

The two men begin to circle as the bell signals to start the match.

Blackfront:

Here we go folks.

As they circle, Sektor swipes at Kendrix who moves back before swiping himself.

Blackfront: Neither man wanting to make the first move there, both weary of their opponent.

Ace: Sektor is playing it safe, knowing that Kendrix can hit the Bell End at any time.

Blackfront: That he can, but out of the gate would be gutsy, even for Kendrix.

They both move in and swipe at each other again, Sektor dropping to a knee to try and extend his reach, but still unable to catch Kendrix before moving back to his feet.

Blackfront:

Both competitors now making their move... tie up in the center of the ring.

As they lock up, John Sektor quickly pulls away, rolling around behind Kendrix.

Blackfront:

Sektor from behind... no, Kendrix able to get free, rolls behind

Sektor now.

John Sektor able to get free now. As he rolls back behind Kendrix, Sektor drops to a knee and grabs Kendrix's leg yanking it backward. Kendrix falls face first to the canvas.

Blackfront: Sektor taking Kendrix down.

Ace: Just Kendrix setting him up. Just watch.

Blackfront:

I'm not so sure about that Tommy.

Still holding onto Kendrix's leg, Sektor rolls him over to his back. He goes to grab Kendrix's other leg, but as he does, Kendrix brings his legs down and pushes up to send Sektor stumbling backward.

Ace: SEE! I told you Jason!

Kendrix kips to his feet as Sektor spins around and comes forward, arm extended.

Kendrix ducks the clothesline.

Both men turn quickly to face each other. Kendrix immediately leaps up.

Blackfront: Dropkick by Kendrix.. denied.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Sektor steps back pushing Kendrix's legs to the side causing him to fall back to the canvas.

Ace:

Just getting Sektor where he wants him.

Kendrix rolls over to push himself up. However, John Sektor walks forward and straddles his back. As he does, he brings both of Kendrix's arms back and places them over his legs as he reaches forward and locks his hands underneath of Kendrix's chin.

Blackfront: Camel clutch applied by John Sektor to slow this one down. But I'm sure this is all apart of Kendrix's plan, right Tommy?

Ace: Don't patronize me Jason.

Sektor leans back, causing more pain to the body of Kendrix. Mikey stomps on the apron for his partner while Sean Jackson can be seen speaking to Vanessa ringside.

Blackfront: Kendrix still trying to hold on, but I've got to say... that Camel Clutch is locked in tight.

Ace: Someone call Bronson Box and tell him that John Sektor is stealing his moves.

Blackfront: Oh, come on. Many men have used this move way before Box did.

Ace: Yea, but I'd love to see him come in and take Sektor's head off!

When Kendrix refuses to give up, John Sektor releases the hold. He pushes the back of Kendrix's head to force him face first into the canvas.

Blackfront: John Sektor heading to his corner, and the tag is made to bring Sean Jackson into this match for the first time tonight.

Jackson smirks as he walks over to Kendrix, who has pushed up to a knee. Jackson looks back at the ropes and takes off.

Blackfront: Wait! Jackson off of the ropes.. on the return.. could it be...

Jackson he throws his leg up but connects with Kendrix's back and not his head.

Blackfront: Kick to the back. For a moment I thought Sean Jackson was going to go for the Game Called Due to Darkness, but instead opted to keep this one going.

Ace: Even if he would have hit it, this would be far from over. Look at the champion! He's biting to get into this!

Kendrix rolls on the canvas to his back as Sean Jackson places his boot onto Kendrix's forehead before pulling it down across.

Blackfront: Kendrix needs to make a tag to bring in the fresh Mikey Unlikely.

Ace: No. Jackson and Sektor just ned to quit cheating!

Blackfront: Cheating? How have they cheated at all?!

Ace: I demand a chemical test be done on the bottom of Sean Jackson's boot! He's trying to blind him!

As Kendrix holds his head, Jackson grabs his legs and pulls his body back toward the corner. He tags John Sektor before lifting

Kendrix's legs up and stomping his inner thigh.

Ace: SEE! The tag was already made! There was no need for that!

Sektor enters the ring, taking Kendrix's left leg from Sektor before stomping the inner thigh as well. He lets go as Kendrix rolls over to his stomach, moving his leg to try and get some blood flow back into it.

Blackfront:

Sektor now pulling Kendrix to his feet.

Once Kendrix is up, Sektor shoves him back into the corner and begins to bring his boot up catching him in his stomach. After a few

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

kicks, Kendrix falls to a seated position.

Blackfront: John Sektor and Sean Jackson continuing to work as a very cohesive unit as they have isolated Kendrix to their corner and continue the assault.

Ace: How is this fair Jason?

Blackfront: How is it not?

Sektor stomps Kendrix again before raising his hand up, Jackson tagging it with no hesitation.

Blackfront: Sean Jackson back in this one as Mikey Unlikely can only watch.

Jackson brings a knee in, connecting with the side of Kendrix's head.

Ace: Why is the referee not doing something?

Blackfront: About what Tommy? Two men working well together to try and defeat the opponents they are booked against?

Ace: I call shenanigans!

Blackfront: You would.

Jackson grabs Kendrix by the arm pulling him to his feet. He turns Jackson around, pushing him back first into the ropes before using them for momentum to send his opponent across the ring.

Blackfront: Kendrix off of the ropes and on the return now... Jackson ready for him.. he catches Kendrix...

BACK BODY DROP!

The fans cheer as Kendrix hits, his body moving up into a seated position for a moment from the force before falling back to the canvas.

Blackfront: He got some serious air there!

Ace: Mikey, do something! Get in there!

Blackfront: Oh come on Tommy. This is exactly what Mikey Unlikely wants. He wants anyone other than him to deal with what Kendrix is going through so he can snake away without an issue.

Ace: You underestimate the relationship the Hollywood Bruvs have!

Jackson grabs the arms of Kendrix, lifting him into a seated position before dropping to a knee behind him. Sean pulls Kendrix's arms back as he drills his knee into the backbone of Kendrix.

Blackfront: Sean Jackson continuing to control this as he places all of his weight into that knee directly in the back of Kendrix.

Jackson pulls back on Kendrix's arms, applying more pressure to his back via the knee. Mikey steps under the top rope, his upper body moving into the ring.

As he does this, Sean Jackson releases

Kendrix, and charges him.

However, Mikey steps back out to the apron.

Blackfront: Mikey smartly creating enough distraction to cause Sean Jackson to release Kendrix.

Ace: That's why he is champion, Jason! He's the smartest person on the roster!

Kendrix rolls over to the side of the ring as Jackson snarls at Mikey, who in turn just smirks back at him as the referee warns Jackson. Sean turns back to see Kendrix has moved.

Blackfront:

Jackson returning his focus to Kendrix now.

As he approaches, Kendrix uses the ropes to pull himself up on the outside apron. Jackson reaches forward.

As he
does,

Kendrix ducks down and grabs the middle rope. Pulling the ropes back, Kendrix sends his body

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

through, his shoulder slamming into

Sean's stomach. Quickly, Kendrix stands up and throws a right catching Sean in the head.

Blackfront:

Kendrix now fighting back.

As Sean stumbles back, Kendrix steps back into the ring. Jackson shakes off the shot to his head and turns back to Kendrix who takes off past Jackson. As Jackson twist to

follow, he does so just in time to see Kendrix make his way to Mikey, tagging him in.

Blackfront: The tag has been made.

Ace: It's Mikey Money time!

Kendrix drops to the apron and rolls to the outside edge to rest as Mikey quickly enters the ring.

Blackfront: Jackson and Mikey charging each other now.

Mikey leaps up and forward, catching

Jackson with a forearm to the face. As Sean falls to the canvas, Mikey lands on his feet. he then quickly rushes Sektor in the

corner, slamming a forearm into his head which sends John Sektor flying down to the floor below.

Blackfront: Mikey Unlikely coming in full force here.

Ace: THE CHAMP IS HERE BABY!

Jackson rolls over and begins to push to his feet. Mikey turns and runs toward him bringing a knee that catches Jackson in the face.

Blackfront: Sean Jackson unable to make it to his feet before meeting the knee of Mikey Unlikely.

Sean Jackson holds his head while on his back. Mikey looks at Sean Jackson, sizing up his position before running toward the ropes. He leaps up to the top, catching himself with perfect balance. As he leaps backward into the air he flips, landing perfectly.

Blackfront: Moonsault! He hit his mark.

Ace: Did you see that Jason? Did you?! THAT IS YOUR CHAMPION!

Unlikely hooks the leg, but before the referee can start his count, Sean Jackson kicks out.

Blackfront: Sean Jackson kicks out. Not enough to put The Mental Rapist out.

Ace: The Champion wants to bring more pain before he puts Jackson out of his misery!

As Mikey gets to his feet, he pulls Sean up with him.

Blackfront: The Champion now pulling Sean to the corner.

He sends Jackson's head into the top turnbuckle.

Blackfront: Sean Jackson introduced to the turnbuckle by Mikey Unlikely.

Ace: They should become good friends!

Jackson turns around as Unlikely grabs him by the thighs and lifts him up.

Blackfront: Mikey Unlikely lifts Jackson, runs forward and slams him into the turnbuckle!

Ace: YES!

As they hit, Unlikely steps

back, still holding Jackson. He goes to run him into the post again before he twist around and slams Jackson down to his back.

Blackfront: This match has turned around completely now for the Hollywood Bruvs.

Kendrix reaches over the top rope, asking for a tag. Mikey confirms that he's sure before tagging him in.

Blackfront: Kendrix wanting back in this one, certainly to provide a little pay back for earlier in the match.

Ace: No. I told you, it was all a master plan. Now is time for him to bring the end game.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

As Kendrix enters, he begins to stomp away at Sean Jackson.

Blackfront: Kendrix refusing to give Sean Jackson a moment to breath, much like it was earlier for him.

Kendrix reaches down, grabbing

Sean Jackson by the head and begins to pull him to his feet. As Jackson rises, Kendrix quickly jabs him in the eyes while the

referee's view is blocked.

Blackfront: Talk about cheating!

Jackson grabs his eyes and stumbles as he turns away from Kendrix who comes forward with a couple of heavy forearms across his back.

Blackfront: Kendrix with those forearm shots to Jackson after trying to blind him.

Ace: Maybe after this he'll quit seeing himself as the champion he isn't!

Blackfront: Kendrix now standing Jackson up. He pulls back.. heavy chop across the chest of Sean Jackson.

Kendrix follows up with another big chop causing Sean Jackson to stumble back a bit.

Blackfront: A third big chop... now Kendrix takes off. Off of the ropes and on the return... big boot crashes into the face of Sean Jackson, sending him to the canvas.

The fans boo Kendrix as he waves them off, turning back toward Sean Jackson who lays on the canvas holding his face.

Ace: HOLLYWOOD BRUVS BRINGING IT!

Blackfront: Kendrix with a couple of hard stomps to the lower back of Sean Jackson before grabbing him by the head, and lifting Jackson back to his feet.

Ace: JFK is a beast.

Kendrix drags Jackson over, pushing him back first into the corner. He then grabs the middle ropes and uses them to pull himself into the mid section of Jackson.

Blackfront: Kendrix with those shoulders into Sean Jackson's gut, trying to wear the former champion down.

Ace: Former champion of a title that doesn't mean anything anymore Jason!

Blackfront: The belt that Sean Jackson sports may no longer be recognized, but you can't take anything away from Sean Jackson in regards to his two title reigns.

Kendrix comes forward with yet another huge chop across the chest of Sean Jackson whom is still stuck in the corner.

Blackfront: Those heavy chops by Kendrix, leaving Sean Jackson's chest glowing.

Kendrix now begins to climb the ropes around Sean Jackson, stopping on the middle. He holds Sean's head with his left hand as he brings his right fist down into the forehead of Jackson.

Blackfront: Kendrix with repeated punches into the head of Sean Jackson now.

The referee warns Kendrix who leaps back down to the canvas, turning and threatening the official momentarily, before placing his attention back on Sean Jackson.

Blackfront: Kendrix now pulling Sean Jackson from the corner.

As he directs him out of the corner, turning

Jackson around, Kendrix comes up with a boot to his mid section. He pulls one of Jackson's arms under his legs, while his other up and back, before lifting him in the air and driving Sean Jackson to the canvas.

Blackfront: Kendrix with a pump handle slam!

Mikey Unlikely claps and points to his partner with glee. The other half of the Hollywood Bruvs steps over Sean Jackson, making his way to the corner and tags his partner back in.

WrestleUTA on Hulu: WrestleUTA on Hulu S1 E4

Blackfront: Mikey Unlikely back in the ring now as the Hollywood Bruvs begin to pick up some serious steam as John Sektor and Vanessa can only watch from the other side.

Unlikely lifts Jackson's legs up before turning him over to his stomach. He begins to pull Jackson's legs back.

Blackfront: Unlikely going for the Backst...

Sean Jackson fights it, and is able to use his upper body strength to to pull forward, his legs slipping from Unlikely's grip.

Blackfront: DENIED BY JACKSON!

Ace: It was almost over there.

Jackson begins to crawl toward his corner where Sektor has his arm stretched out far.

Blackfront: John Sektor looking to get back in this.

Mikey drops to his knee and grabs Jackson by the head, pulling it up before slamming him face first into the canvas.

Blackfront: The Champion trying to keep Sean Jackson from making the tag.

Ace: It's the perfect time for Mikey to shut him up about who the real champion is!

Mikey stands up, laughing toward John Sektor. Vanessa moves toward the side of the ring and begins to yell at Mikey. Mikey walks over to the ropes, leaning over them and yelling back.

Blackfront: Mikey now wasting time.

Ace: All he has is time Jason! Look at Sean Jackson!

Just as Tommy says that, Jackson can be seen crawling toward the corner.

Blackfront: I do see him.

Sektor begins to reach far again, yelling for Jackson which catches Mikey's attention. He looks at him, then turns to see Jackson. His eyes grow wide as Jackson pushes to a knee and leaps forward, his hand touching Sektor's.

Blackfront: The tag has been made!

Ace: No!

Mikey turns to see Sektor hope over the top rope and charge him.

Blackfront: Sektor is in now attacking Mikey.

Jackson rolls to the edge of the apron as Vanessa checks on him.

Blackfront: Big fist from John Sektor.

He unloads right hand after right hand to the chin of Unlikely. He brings one more big haymaker that connects, sending Mikey to his back.

Blackfront: The champion is down.

Ace: Get up Mikey! Get up!

John Sektor bends down and grabs one of Mikey's legs, flipping him over to his back. Sektor grabs Unlikely's remaining free leg and pushes them outward.

Blackfront: Unlikely is begging for mercy!

He yanks Mikey's legs apart as he releases them.

Blackfront: Sektor trying to take the champion's legs out.

Ace: Come on now!
