that it could not last in this day an age of Sports Entertainment

where other promotions tried to sell out huge arena

s and make money up the Wazoo

the CWA did not conform we will not conform!!! (The picture plays as Jon Sullivan and Goblin battle for the CWA-East Heavyweight Championship and each men can barely move yet they continue to fight, and fight until one can no longer move.) Voice Over: Other promotions have Slammy Awards to reward the wrestlers they felt have excelled in the sport. The CWA does not do that the fans on their feet seeing the greatest show on Earth is reward enough for us

we don

t need no trophies we know we are good

my friends we are the best!!! (The picture plays as the Jackyfan and HST Gonzo rip off there specialized make up to reveal themselves to the Stink-Tank and then the scene shows the men decimating Oscar and the Skank.) Voice Over: In this promotion men are willing to put there bodies on the line, they break there

backs for this promotion

The scene shows Beld Painkiller whipping Gravestone so hard into the guard rail that it bends almost in two and Gravestone lays on the ground still trying to get to his feet.) Voice Over: They are willing to pay the ultimate price

The Scene goes to Jade Diamond high atop a fifteen foot cage and he is perched on top of the cage and he crossbody blocks HBM who is standing on the ring floor below and both men crash to the ground in a heap) Voice Over: For what?

Voice Over: Money? Voice Over: No

Voice Over: For Corporate Sponsorships? Voice Over: No

Voice Over: For commercial endorsements? Voice Over: No

Voice Over: If not for one of those things then what? Why do these men sacrifice so much? Voice Over: Because they believed in a dream!!! A dream that is the Championship Wrestling Alliance!!! We were the promotion that gave the fans what they want!!! We didn't

go the corporate route we built ourselves up

and there

is no mistaking we are the best

Voice Over: We don't

have a fancy website

We don't

need one!! Our wrestling speaks for itself

let anyone tell you different the Dream of the CWA is alive

it is alive and well!!! It will always be alive

with men like you will see tonight willing to risk everything they have for what they believe in and that is the CWA...that is what the CWA is all about!!!! (Scene cuts to Diamond Dallas Scott bleeding profusely after a match with Jon Sullivan.) (the Scene goes to a half dead Jade Diamond in the ring sweating after having his career ended then Dr. Midnight came out and shook his hand and held it in the air victoriously.) (The last scene cuts to Dr. Midnight as water swells in his eyes after winning the CWA World Heavyweight Championship as he holds it close to them as the crowd goes crazy

Voice Over: The CWA

is the place where blood, sweat, and tears still means something

Live inside the arena. (The Scene goes live inside the arena where the fans at the sold out Cajun Civic Center are going ballistic with 4,596 strong all cheering for the best wrestling promotion on the planet the CWA. The fans are rocking the very foundation of the Civic Center and the camera begins panning around the arena. On the balcony which is none too big is a sign draped that says

Bring Back Destructo!

and the camera man continues to pan around the arena where a man wearing a Ric Justus shirt is holding a sign that says

another sign is a cut out of two massive tanks as in the army kind and one says

Stink Tank

and the other reads

Think-Tank and there battling. The camera continues to pan the arena and it picks up a sign that reads Simmons is no Jerry Seinfeld

and finally the last sign it pans to a cut out of a doctor and in words above it reads Dr. Midnight and the

camera then goes to the ring which already has the cage around the ring and then the second cage rapped around the ringside area. The apron is decorated in green and white with the words Titan of the Turnbuckles on two sides of the ring and then the CWA-East on the other sides.) Antwan Hoover: Welcome to the CWA-East

s Titan of the Turnbuckles!!!! What a night we have in store for you here!!!

Someone will emerge as truly as a

Titan of the Turnbuckles

as sixteen of the best wrestlers in the world will compete in Four, Four ways Elimination matches the winner of each match goes onto square off in a final

4-Way elimination match which is going to be spectacular. I

Sensation of Broadcasting Innovation

and sitting next to me is the former CWA-Texas Cruiserweight Champion and self proclaimed technical wrestling technician and ring general Moe Mentum!!! Moe Mentum: Thanks Antwan and it

s great to be out here

m just here to add a little insight into what

s going on in the ring as I

ve competed in it before. Antwan Hoover: At one time yes you were

but Moe I

ve got to get your opinion before we start who

s your pick of walking out here the CWA World Champion? We

ve got possibly the biggest Main Event the CWA has seen in some time as the FWF

Jason Starr, squares off against an

boy in

Chris Crosswards and we can

t forget about the

King of Destruction

who do you see taking this match? Moe Mentum: In my opinion I

ve got to go with Gravestone from my experience he

s destroyed people now for years, but you can

t count

Jason Starr out, or

Chris Crosswards...wait hold up that sounds a little to bland for my tastes I

m not some shilling piece of gimmicky crap I

m going to call it how I see it. I don

t see Gravestone walking out of here with the belt

honestly he hasn

t been the same since that match with Beld Painkiller so tonight I don

t see him walking out of here with the belt, it

s going to be the healthier Crosswards or Starr one of these two is going to walk out with the belt

Antwan Hoover: I must admit I

ve been a little Starr Struck as of late

Moe Mentum: That wasn

t try to be funny Antwan leave the jokes to me! Antwan Hoover: Fine

## CWA: #4

Il stick with the play by play and we  
re getting ready to start  
Titan of the Turnbuckles  
out with a ba ba boom!!! As we  
ve got only the second Midwest Mayhem Match in the CWA History as four teams are going to compete for  
the CWA-World Tag-Team Championships and here comes the first team  
and the reason we  
re in the broadcast position today...the team of Tony Bologne and William Ragne  
I feel like a Woman  
by Shania Twain plays over the arena speakers and at the top of the ramp appear William Ragne and Tony  
Bologne and both are wielding steel chairs and William Ragne has on some wrestling tights and is holding his  
steel chair with authority  
but his Tag-Team partner Tony Bologne is dancing like a woman all the way to the ring and William Ragne  
has got the look on his face like why do I have to be on this morrons team..and he shakes his head as they  
both make there way into the ring they go through the first cage and then they make there way into the  
second cage and are getting ready for their competitors.) Antwan Hoover: The team of Tony Bolonge and  
William Ragne are out here to try and exact a little revenge on the team of the Stink-Tank who made Ragne  
s booty sore, and made Bologne a Brown Noser literally  
Moe Mentum: I told you leave the jokes to me! By the way William Ragne was talking to me earlier today and  
asked that there tag-team be called Feminine and Fatal  
and he made sure I mentioned that Tony Bolonge was feminine and that he was fatal...and he  
s looking to hit somebody with his patented move the  
Ragne Ringpost  
A deadly move!!! Antwan Hoover: Yeah for anyone who read that column man that was what shotty  
journalism is all about  
Moe Mentum: Leave the jokes to me little man!!! (  
Surfer Girl  
plays and at the top of the entrance way complete in some brand new wrestling tights is Ric Justus and he  
s wearing a surfer T-Shirt and a pair of sunglasses and he  
s got an ironing board in his hand that has Surfboard written on it and as he passes by you can see that on  
the butt of the tight it says Narly Wipeout!!! Next to him is his brother Dr. Midnight who has a new version of  
the enema bag filled with marbles as this one is tied together and he  
s swinging it as if it were a pair of nunchucks and Ric Justus gives him the surfer sign the thumb and pinkies  
up and he yells something to Dr. Midnight and they run towards the ring and go through the first cage and  
they are about to make there way into the second cage but Tony Bolonge and William Ragne have got the  
door locked and sealed it!!!) Antwan Hoover: Oh god look at this Tony Bologne and William Ragne have  
locked themselves inside the inner cage and are not letting anyone in what a bunch of cowards!! Moe  
Mentum: There cowards but it  
s pretty smart thinking...and I  
ve got to throw something in if you remember Ric Justus is the only man in this match who has been  
involved in a Midwest Mayhem Match before  
Antwan Hoover: Of course at the Season  
s Beatings Pay-Per-View in what heck of a match

## CWA: #4

Moon Brothers

plays and the fans know who

is coming out to the ring and the camera pans to a couple of fans who have those fake butts and they are wearing those flannel pajamas and waving their fannies at the camera and they have shirts that read Dr.

Moonies and Lard

Then the real Stink-Tank emerges from the back and stops at the top of the entrance and acts as if they are going to moon the crowd and then they wave their fingers as if to say not yet and they both begin making their way down to ringside. Dr. Midnight is climbing the second cage as both members of the Stink-Tank enter the second cage and are met by a couple of ironing board shots from Ric Justus who have put the Stink-Tank down.) Antwan Hoover: The good doctor is trying to get into the ring and he is climbing as Ric Justus is doing battle with the Stink-Tank...aka...Lard

and Dr. Moonies aka something Russian and we

have yet to see our World Tag-Team Champions! Moe Mentum: Here come the Tag-Team Champions now!!!

(As Moe Mentum said that the team of Jackyfan and HST Gonzo are running down to the ringside area and they

have got their Tag-Team straps in their hands and they enter the first cage as Ric Justus continues to beat down on the Stink-Tank as the tag-team champions the Think-Tank.) Antwan Hoover: oh my the tag-team champions have hit the inside of that first cage and Ric Justus doesn't

see him and Jackyfan nails him in the back of the head with his tag-team belt!!! HST Gonzo and the Jackyfan are both beating on Ric Justus unmercifully as they whip him with those tag-team titles belts!!!

Moe Mentum: If you think being beat with a leather belt hurts try adding ten pounds of gold to that equation and you're going to get a good old fashioned butt whooping!! Antwan Hoover: They are not letting up what so ever and they just continue to whip and whip and whip him!! They

have dropped the belts now and they

are trying to bring Justus up to his feet and he

is hurting he is hurting and HST Gonzo is putting Justus

his head between his legs and Gonzo hoists him up over his head and he powerbombs him into the second cage and Ric Justus bounces off the cage and falls flat on his face to the floor! Jackyfan continues to work him over with some boots to the face, and HST Gonzo is going to work on Oscar now! Moe Mentum: Antwan

Dr. Midnight has made it over the top of the cage and he

is jumping and clotheslines William Ragne to the ground and Ragne is down, and oh my god Bologne has just pissed his pants! Antwan Hoover: He

is tinkled himself and Dr. Midnight still has that enema bag and he gets up and tells Tony Bologne to come and get him..and he

is swinging it like those nun-chucks again and Tony Bologne looks pretty darned scared and he goes forwards and he hits Dr. Midnight with the steel chair and that was the weakest chair shot I

have ever seen!! Moe Mentum: That was weaker than your broadcasting ability

Antwan Hoover: I

will pretend I didn't

hear that! Dr. Midnight is just laughing at Tony Bologne and Tony Bologne is trying to retreat over the cage and Dr. Midnight is chasing him and Dr. Midnight swings and he nails Bologne in the back of the head with that Enema Bag filled with marbles and Tony Bologne has fallen down to the mat and Dr. Midnight covers reluctantly as he does

## CWA: #4

t want to touch bologne after he  
s urinated all over himself! Moe Mentum: That  
s a 1, 2, 3!!! Tony Bologne has been eliminated Antwan Hoover: Tony Bologne has been eliminated from this  
match up! The action is still fierce outside the ring and the Skank has managed to get back up to his feet!  
Jackylfan continues to put the boots to Ric Justus and from behind the Skank locks Jack  
s arm and he  
s got him in the abdominal wrench and he begins Spanking Jackylfan  
s booty!!! Moe Mentum: Now that  
s not technically proficient wrestling! Antwan Hoover: It might not be but it  
s effective none the less and Jackylfan  
s butt is going to be redder then the maple leaf flag on the Canadian Flag! Moe Mentum: Hey I  
m from Calgary, Alberta, Canada!!! Antwan Hoover: Oh that  
s original Moe Mentum: Jackylfan  
s booty  
s getting raw but HST Gonzo has seen that his friend is in trouble and he turns around and clobbers The  
Skank with a big clothesline that sends him reeling back into the second cage! The Skank is down!! HST  
Gonzo is helping the Jackylfan up to his feet and HST Gonzo picks Jackyl up over his head and it looks as if  
he  
s going for a Gorilla Press slam on his own partner but he throws him directly at the Skank and he  
s it was like an assisted Cross Body Block onto the Skank and both JF and the Skank are down as are Ric  
Justus and Oscar and William Ragne is being flipped over by Dr. Midnight inside of the cage surrounding the  
actual ring!!!! Antwan Hoover: Dr. Midnight  
s got the Malpractice Leglock on him and William Ragne is not going anywhere!!! Look Ragne  
s tapped out almost immediately as Dr. Midnight applied the malpractice leg lock! William Ragne has been  
eliminated Moe Mentum: That means that the team of Feminine and Fatal has been eliminated from this  
match and look HST Gonzo is trying to climb into that ring and he  
s about 1/3 of his way up the cage but Dr. Midnight has noticed him! Antwan Hoover: Dr. Midnight runs at the  
cage and he sacrifices his own body as he body splashes the cage where Gonzo was climbing up and it  
sends Gonzo Crashing back down to the ground! Dr. Midnight is now calling for the applause of the crowd  
and there more then happy to oblige as they are rocking the Cajun Civic Center with there applause  
On the outside of the ring the remaining five men in this match are all trying to battle back to there feet and  
Oscar has finally gotten up to his feet  
and he  
s walking over to wear Ric Justus is lying and he picks him up and he  
s placing him in a bear hug type move and he  
s squeezing for all he  
s worth and Ric Justus is shouting out in pain! Moe Mentum: Oscar isn  
t a brain surgeon that  
s for sure and he  
s probably got the IQ of a beefalo but he  
s being smart trying to wear down the  
Cowabunga Dude  
Ric Justus with the bear hug moves! Antwan Hoover: Jackylfan is starting to stir on the mat as Ric Justus is

## CWA: #4

still in a lot of pain and Dr. Midnight is starting to climb out of the cage to assist his tag-team partner...and Jackyfan has made it to his feet and it appears that he is going to be helping Oscar as he is climbing the cage and he turns himself around on the cage and hooks Ric Justus in a reverse chancery and he drops down as Oscar does as well and that was like a spinebuster and inverted DDT combo and Ric Justus is out! Oscar covers Ric Justus for the 1, 2, 3!!!! Ric Justus has been eliminated Moe Mentum: Justus has been eliminated and Dr. Midnight wasn't able to save him but he continues to climb the cage. Antwan Hoover: On the floor the alliance between Jackyfan and Oscar didn't last long as Jackyfan nailed Oscar in the back of the head with a forearm as soon as Ric Justus was eliminated and Jackyfan hits him with another forearm to the back of the head as Dr. Midnight continues to climb to the top of the cage! Moe Mentum: Business is about to pick up as the Skank is out on his feet, but at least he is on his feet and HST Gonzo is getting up! Antwan Hoover: Dr. Midnight is perched up on the top of the cage!!! He is getting a crazy look in his eye!!! The Same look he got when he threw the Canadian Patriot 30 ft. off that scaffold!! I don't like this, I don't like this!!! Moe Mentum: What is that crazy old coot doing up there!?! He is nearly forty six years old he is nuts!!! Antwan Hoover: He jumps he jumps!!! He is flying towards the Skank on the ground and he lands right on the Skank and both men going crashing to the floor!!! That was insane!!!! Moe Mentum: That wasn't a suicide dive!!! That was just a Cage Dive right onto Skank it wasn't pretty but it got the job done!!! Antwan Hoover: Dear God!!! Dr. Midnight has broken the Skank in half but I think he is done some serious damage to himself in the process!!!! Moe Mentum: Dr. Midnight is clutching both of his knees!! This can't be good!! Antwan Hoover: That is for sure! Neither man is going to make a pin attempt on the other and look at this the opportunist HST Gonzo he is crawling over to wear the Skank is laying on the ground and he drapes his arm over the Skank and the referee drops down and counts the pin 1, 2. Thre!!! NO, No the Skank has kicked out!!! He is kicked out!! There is no way that the Skank should've kicked out of that!! Dr. Midnight has just dove right on top of him and the Skank has kicked out!!! Moe Mentum: God I never expected that from a man like the Skank but my god that man is showing some spunk kicking out of that move! Antwan Hoover: HST Gonzo is now crawling over to Dr. Midnight and he drapes an arm over him and the referee drops down again 1, 2...thre...God Dr. Midnight has kicked out as well and HST

## CWA: #4

Gonzo can not believe it  
and Jackyfan leaves Oscar and he  
s barking orders to HST Gonzo and Gonzo  
s nodding his head! Moe Mentum: This is tag-team cohesiveness right here! Look at the way the Think-Tank  
is working together this is why they are considered by many as the best tag-team walking the face of the  
earth! Antwan Hoover: Jackyfan has the Skank on his feet and HST Gonzo has Dr. Midnight set up between  
his legs Jackyfan delivers a neckbreaker to the Skank and HST Gonzo powerbombs Dr. Midnight and goes  
right into a half crab! He  
s just done the literary device to Dr. Midnight and Midnight  
s legs are already bad! He  
s not going to be able to get out of this one! Moe Mentum: HST Gonzo has got this move down patented as  
he  
s sitting back on it perfectly and if Dr. Midnight doesn  
t tap out soon he  
s going to have more to worry about than just losing a match he  
s going to have to worry about tearing some knee ligaments which can leave you immobile for nearly six  
months!! Antwan Hoover: Jackyfan has covered the Skank 1, 2 and Oscar just did a splash right onto  
Jackyfan and the Skank has not been eliminated! Wait Dr. Midnight has tapped and he  
s got to be in excruciating pain! Now HST Gonzo turns his attention on Oscar as the Skank is still down and  
jackyfan is getting up to his feet and he  
s crawled behind Oscar almost as if by accident but HST Gonzo seizes the opportunity as he runs and  
spears Oscar as Oscars blubber is jiggling again but Oscar just tripped over Jackyfan as he was speared  
and he hits his head hard on the canvas  
and HST Gonzo goes for the pin 1, 2,...god now the Skank has yanked Gonzo off of Oscar!!! Dr. Midnight  
has been eliminated Moe Mentum: Dear god the bitter feud of the Think-Tank and the Stink-Tank is being  
brought to a boiling point now! Neither one of these teams is willing to give an inch to the other one! Antwan  
Hoover: Dear god this is crazy as Jackyfan is getting up to his feet  
as is the Skank and the two men are slugging it out as they try to get off there knees they continue to trade  
blows but here comes HST Gonzo  
and he nails the Skank who is on his knees and now HST Gonzo and Jackyfan are both up and there  
hooking the skank in for what appears to be a double suplex and they try to lift the massive Skank up but they  
can  
t get him up and they try again and yet again they can not get him up, but oh my god Oscar is on his feet! He  
s running to help his partner and HST Gonzo and Jackyfan have the Skank up for the suplex and they fall  
backwards and have suplexed the Skank right into that steel cage and the cage has broken and the Skank  
has fallen down to the outside of the cage! Moe Mentum: He went right through the cage! He  
s opened wide!! He  
s going t need some blood my god I  
ve never seen that much blood coming out of someone  
s head! Antwan Hoover: Jackyfan and HST Gonzo are getting up and before they can turn around Oscar  
performs a double Bulldog on both men! Moe Mentum: That  
s the first time I  
ve ever seen Oscar do anything resemble a wrestling move! Antwan Hoover: Jackyfan was bull dog right on

## CWA: #4

top of the Skank and it appears he  
s got the cover as Oscar is lifting up Gonzo  
s face and begins rubbing it in his big black posterior! Moe Mentum: The referee is counting the pin on the  
Skank 1, 2, 3!!! Skank has been eliminated Moe Mentum: the Skank has been eliminated! But Jackylfan is  
still out of it! Oscar drops down and gives Gonzo the Brown Noser and he  
s squished Gonzo beneath that massive cellulite ridden butt of his!!! Antwan Hoover: the referee hops over  
the pile that is JF, and the Skank over into position to count the pin and he does 1, 2, 3!!! HST Gonzo has  
been eliminated Moe Mentum: God look at Oscar he  
s up on his feet and he  
s rejoicing in a non energetic warn out way! Good gawd that is disgusting look at Jackylfan  
s face there  
s something brown on it! More of a smear that  
Antwan Hoover: No it  
snot! It can  
t be! It couldn  
t be and Oscar has moved his sites on Jackylfan and he runs and jumps and his butt lands right on JF  
s face sending him over the Skank and the referee again hops into position 1, 2, 3!!!! Oscar has just won the  
match for the Stink-Tank! Moe Mentum: that guys an idiot! He can  
t win a match of this magnitude...for god sakes look at him! I don  
t think he even realizes what he  
s done! Marvin Maxwell: The winners and new CWA World Tag-Team Champions are Oscar and the Skank,  
the Stink-Tank!!!! Moe Mentum: God what does this mean for the respect of the Tag-Team title with these two  
morons holding the titles!!! (Oscar holds up his portion of the CWA-World Tag-Team Championship as he  
lays on the ground and raises the belt above his head as the Skank holds the title above his head and the  
referee raises Oscars hand as the referee gives the Skank his belt back. The scene then cuts to backstage)  
Backstage:  
Chris Crosswards (Chris Crosswards is seen sitting in the backstage area as he is rocking back and forth in  
his locker room as he has yet to put any of his wrestling attire on and he  
s sitting waiting for something as the camera moves in closer Chris Crosswards looks up at the camera and  
there  
s something different about this man. You can see it in his eyes the fire still burns but there  
s something different that you just can  
t seem to put your finger on.) Chris Crosswards: Finally after all these months I have returned. People have  
wondered where I  
ve been what I  
ve been doing but all that will be answered in due time. As tonight I stand on the verge of what every wrestler  
dreams of and that  
s becoming the CWA World Champion. (Chris Crosswards licks his lips and begins rubbing his chin.) Chris  
Cummings: Every kid that starts a backyard wrestling federation does it for one reason  
and that is not to have fun  
because whacking each other over the head with fluorescent Light Bulbs is not fun  
they do it because they want someone in the big leagues to notice them. So that  
Chris Crosswards is interrupted by a knock at the door.) Chris Crosswards: Who is it!?!?! Voice: It

## CWA: #4

s me Darrel...the

Any of that ringing a bell? Chris Crosswards: Darrell I

m trying to cut a promo here!!!!

Darrel Anderson: I just wanted to wish you luck tonight in your match

Chris Crosswards: Oh! Come on in buddy (As he

s been talking Chris Cunnings been very quietly folding up a metal chair and he

s got it in his hands and he

s moves behind the door as Darrel Anderson opens the door and Chris Cunnings is now hiding behind it.

Darrel Anderson walks in and he

s looking both ways and he can

t see where

Chris Crosswards has gone.) Darrel Anderson: Chris where are you? Chris Crosswards: I

m right here. Ha, Ha, Ha, Ha,!!! Darrel Anderson: Why do you have

Before Darrel Anderson can even ask why Chris Crosswards has that steel chair in his hand, he

s knocked over the head with a chair shot that echoes throughout the locker room

and Darrel Anderson has been planted on the ground. Chris Crosswards drops to the ground and drops the chair as well as he

s leaning against the wall as he places his hands over his heads and he begins to let out a cackling laugh

and he continues to laugh and then he takes his hands away from his face as the laughter has turned to

sobs as tears run down his cheeks and then suddenly he begins laughing again. The Camera scene goes

back into the ring.) Antwan Hoover: This is not at all how I remember

Chris Crosswards

Moe Mentum: Jade Diamond

s been placed in a rehab center I think that

Chris Crosswards is going to have to be placed in a nut house! Antwan Hoover: He is extremely unstable from

the looks of it...Darrel Anderson just wanted to wish him good luck in his upcoming match and Chris laid him

out with a chair shot. What made Chris Crosswards like this? Moe Mentum: It was probably the Cajun Gumbo

that can do it to a man! Ha, ha, I made a funny

Antwan Hoover: Well I

ll tell you something Doug Larson

s not smiling. How long has he been waiting out there? Parking Lot: Jon Sullivan (Doug Larson is waiting

outside in the parking lot for someone to arrive, microphone in hand. Finally, after glancing at his watch

again, a new jet black Mercedes S500 pulls into the parking lot, blasting "The Fast and the Furious" by Limp

Bizkit. The car stops next to Larson, and out gets Jon Sullivan from the driver's seat, and Matt Sullivan from

the passenger seat. Jon is wearing black warmup pants with white stripes, and a navy blue T-shirt that reads

"Jon Sullivan: Big, Strong, Agile..." on the front, and "...oh yeah, UNBEATABLE!" on the back, with a picture

of Jon superkicking the life out of an unlucky opponent. Jon grabs his gear out of the back seat, then tosses

his keys to Matt, and turns to see Doug Larson sticking a microphone in his face.) Doug Larson: Jon, tonight

you will be taking part in the Titan of the Turnbuckles tournament, a tournament that, despite your impressive

record as of late, you haven't not been favored to win. In fact, many experts have picked Ric Justus to

dispatch you in the first round. What are your thoughts about this? Jon Sullivan: Well, well, well. It's good to

see that nobody gets any smarter around here, and nobody remembers anything that I say, despite the fact

that I'm the Heavyweight Champion here. How many times do I have to say that I have never been given the

## CWA: #4

credit that is due to me? It's OK though, because I'm used to it now, and it doesn't bother me as much anymore. And, you know, in this situation, I can actually understand why I haven't been chosen to win, why there will be tons of people that are shocked when I win this tournament. You see, there are ex-World Champions in this tournament, such as Dr. Midnight and Beld Painkiller, as well as some serious superstars in this company, such as

DDS, Racky

Wrenkle, and Big D. These men all present serious obstacles to me. They're all great athletes, and all very capable wrestlers. Now, while

I'm totally confident that I'm going to whip every single one of their asses, I have a ton of respect for all of them, and I can see why the writers are picking Beld Painkiller or Dr. Midnight to win. However, like I said, don't be shocked when I walk out of here the Number One Contender for the CWA World Title, because, although

I hate to say it, I told you so. Jon Antwan

Hoover: Okay

folks we have some fairly disturbing footage in regards to Dr. Midnight. That we're about to show you, this occurred as we cut backstage. (The scene shows paramedics with a stretcher coming down to the ring as they tried to load Dr. Midnight onto a stretcher as he rolled around with his knee in pain. Dr. Midnight refused their help as Ric Justus helped him up to his feet and Dr. Midnight limped to the back on that bad knee and he hobbles to the back.) Antwan Hoover: As you can see Dr. Midnight was barely able to leave the ringside area under his own power so I

am not sure how this is going to affect his match-up later in the night

it could be detrimental to his chances of getting that CWA World Title Shot at the April Pay-Per-View. Moe Mentum: That doesn't

look good when a guy like Dr. Midnight can't

walk away you know he's

hurting...I might not like the guy but I

will be darned if he

isn't one heck of a competitor he

will be out here tonight I guarantee it! Antwan Hoover: Here comes the participant for the next match out here to the ring right now.

1st Round Titan of the Turnbuckles 4-Way Elimination Match Chris Staggs Vs. Diamond Dallas Scott Vs. Trey Reed Vs. JB Lawless

(

plays as at the top of the entrance way appears the CWA-East Barbaric Champion JB Lawless who holds the title proudly in his right hand as he makes his way to the ring and he

is got a stone face on him as he looks totally emotionless as he heads into this match. He climbs in the ring and grits his teeth at the crowd as he climbs to the second turnbuckle and gets ready for this match up.)

Antwan Hoover: In the ring right there is a man who doesn't

care much for standing arm bars, or the more technical wrestling aspect of the game...but he

is dead sure as hell knock the teeth right out of a man's

head if the need be. Moe Mentum: You know JB Lawless is just starting to kind of make a name for himself outside the tag-team aspect of the sport where he and his brother excelled but I

have been pretty impressed with JB Lawless as he

## CWA: #4

s won the Barbaric Championship and he  
s looking to make an even bigger name for himself in this match up. Antwan Hoover: It  
s not easy to break away from being thought of as a tag-team wrestler but I do believe that JB Lawless is  
beginning to work his way out of it he  
s just got to stick with it. Moe Mentum: I wouldn  
t be surprised if he walked out on top of this match right here  
s one big boy and he looks hungry to put a hurting on somebody here in this match-up. (

Canadian Invasion  
plays as Chris Staggs has the Canadian Flag rapped around him like a cape as he holds his hands above  
his head as if he was already victorious. He  
s about to step into the ring but Lawless runs at him and Chris Staggs drops back down off the apron.  
Lawless and Staggs exchange words but Staggs doesn  
t step into the ring as of yet.) Moe Mentum: There my friends is the man that I feel is possibly the most  
complete wrestler in the CWA today heck we  
re both from the Capital of Pro Wrestling Calgary,  
Alberta, Canada now this is my pick to take the entire Titan of the Turnbuckles tournament right here. Just  
look at him he  
s in perfect condition this guy has won every belt imaginable in the  
CWA-Midwest now known as the CWA-East. Antwan Hoover: His attitude is reprehensible  
Moe Mentum: That  
s the attitude you  
ve got to have if you want to win. You  
ve got to be cocky you  
ve got to be brash...you  
ve got to..or else your not going to last long. Take me for example I lost that cockiness I lost that brashness  
and now look at me I  
m sitting behind a broadcast booth talking about what  
s going on instead of being the one in the ring making things happen  
Chris Staggs is the new Moe Mentum there  
s no doubting that...no doubting that at all  
Future of the CWA  
plays as wouldn  
t you know it possibly the most arrogant and cocky bastard the wrestling world has ever seen emerges from  
the back and he  
s got both the CWA-Eastside Championship draped over his shoulder and on the other side he  
s got the CWA-East Tag-Team Championship over the other shoulder and he  
s wearing a shirt that reads  
Diamond Dallas Scott Killer  
then as he turns around as he makes his way down the aisle the shirt reads on the back  
The Future of the CWA he makes his way to the ring but also doesn  
t hop in the ring.) Antwan Hoover: This guy makes me sick. Look at his all-american boy face and physique  
and this guy is disgusting. He gloats about every little accomplishment he has  
He wins the second best belt in the promotion and half of the Tag-Team belts and all of a sudden he

## CWA: #4

Future of the CWA

please you

ve got to be around longer then a few weeks to be the future of the CWA we

re going to see exactly what Trey Reed is made of in this match right here

Moe Mentum: Antwan this kid could be the very future of the CWA he

s well established in the NEGWA and just look what he

s done in a months time..more then most men could accomplish in a life long career this kid

s good...that

s the scray part he

s just as good as he thinks he is and that

s pretty darn good

Diamond in the Rough

plays as Diamond Dallas Scott runs to the ring and Trey Reed is calling him to come get some of him and

DDS is running as fast as he can!!!) Antwan Hoover: Diamond Dallas Scott is wasting no time he

s heading right for the so called DDS Killer Trey Reed and Trey Reed back body drops him but DDS

somehow does a handstand on the apron and comes back down and DDT

s Trey Reed right into the floor outside of the ring!!! Moe Mentum: Look at Chris Staggs he

s not going to let anyone take this match from him! He hooks DDS and delivers a german suplex on DDS

and nails DDS with it and that was such impact! I

ve never seen such impact that

s how you do a German Suplex and Chris Staggs hangs onto the hold and he

s about to go with another German Suplex combo but from the ring he gets hit right in the face from a

baseball slide from JB Lawless and Chris Staggs has himself propelled up the ramp way and JB Lawless

follows him and he

s pounding in those big left hands!! Antwan Hoover: JB Lawless has got a unique wrestling style with him

being left handed that might give him an advantage in this match! Moe Mentum: Anythign that gives you a

new variation of style to wrestle is going to help you out immensely and DDS is reeling but he

s getting up and so is Trey Reed as JB Lawless continues nail those sadistic left hands into Chris Staggs

skull and Staggs is rocking!!! Antwan Hoover: Lawless has Chris Staggs set for the Irish Whip and he Irish

Whips him! No Chris Staggs has reversed it and he drags Lawless down to the ground and he

s got an arm bar applied on JB Lawless!! Moe Mentum: Brawling is not going to get you far when you

ve got an expert wrestling technician like Chris Staggs going up against you! Antwan Hoover: Trey Reed and

DDS are up and DDS punches Trey Reed in the face and he rolls him back in the ring and now DDS moves

into the ring himself

Moe Mentum: Chris Staggs is still wrenching on that arm of Lawless

s!! Antwan Hoover: This is not going to get Staggs the win your can

t eliminate a man on the outside of the ring! Moe Mentum: Antwan he

s not trying to eliminate him yet he

s out to hurt JB Lawless! He wants to mame him even perhaps Chris Staggs is not this cool calm and

collective guy he

s got a sick twisted side and we

re seeing it right now as he holds JB Lawless in that arm bar he

s going to truly hurt JB Lawless here! Antwan Hoover: How many people have to be mamed here tonight?

## CWA: #4

Dr. Midnight could have done substantial damage to his knee now JB Lawless is being taken out of it...and in the ring DDS whips Trey Reed against the ropes and he goes for a back body drop of his own here but he telegraphed it and Trey Reed makes him pay with a boot to DDS

s teeth and Trey Reed backs up and he runs forward and nails DDS with a knee lift that sends Dallas Scott down to the mat!!! Moe Mentum: I

m getting concerned look at Chris Staggs he has not stopped applying that arm bar yet and JB Lawless is trying to free himself but Staggs isn

t letting him out of that move any time soon!! Antwan Hoover: Look at that cocky son of a gun in the ring there...he thinks he

Future of the CWA

and he wants everyone else to think it too as he

s yelling at the fans in the first row that he

Future of the CWA

Moe Mentum: When your good your good, but this is the most important match of your career possibly and you don

t gloat like this dear god DDS is getting up to his feet and he

s in that crouched position and the fans are going nuts and Trey Reed is smiling at them thinking there applauding him and he turns around and wham bam thank you mam!! He just got served up a

Diamond Killer

from DDS!!!!!! Antwan Hoover:

The Future of the CWA

is history in this match! Moe Mentum: Leave the jokes to me!! Antwan Hoover: 1, 2, 3!!!! Trey Reed has been eliminated Moe Mentum: DDS is not content though and he

s going to take out Chris Staggs who looks to have finally released JB Lawless from that arm bar! Antwan Hoover: Yeah but JB Lawless is not out of the woods yet! Chris Staggs raps his arm around the guard rail

and then Staggs yanks as hard as he can and god he s putting the most brutal beating I

ve ever seen anyone put in a long time!! Moe Mentum: He

s picked his part of the body on JB Lawless and he

s working it over and you better believe that he

s going to take advantage of that later in the match but here comes DDS! Antwan Hoover: Chris Staggs must of saw him out of the corner of his eye because he hip tosses DDS right over the guard rail, and into the first row!! Moe Mentum: Ha, Ha, Ha!! Look at that fat lady she got her nachos cheese spilt on her and DDS has

got nacho cheese all over him and Chris Staggs is looking to take advantage of this yet again...and he s climbing over the guard rail and oh my god that fan spit right in Chris Staggs face!! Antwan Hoover: What

the heck that fan spit right in his face! Shoot we ve got a lawsuit on our hands Staggs isn

t going to just yell at him he

s beating the crap out of that fans and he

s tossed the fan over the guard rail and Chris Staggs is beating the crap out of him! Moe Mentum: Boo all you want but for those of you at home do not spit in a wrestlers face!! That guy laying on the canvas is a perfect example of why you do not want to mess with a pro wrestler! Antwan Hoover: There

s going to be lawsuits! Moe Mentum: Shut the heck up

s going to be lawsuits! Moe Mentum: Shut the heck up

s going to be lawsuits! Moe Mentum: Shut the heck up

## CWA: #4

twan there will be no lawsuits what does this look like the fricking FWF this is the CWA you enter the arena at your own risk! Antwan Hoover: Finally security is stepping between the fan and Chris Staggs but Staggs still wants at the fan, can we get off this DDS is in the crowd and he

s grab a couple of fans beers and he

s drinking one and as JB Lawless is getting up to his feet and Diamond Dallas Scott hands JB Lawless a beer and the mean are exchanging words! Moe Mentum: This ain

t Bourben Street this is a wrestling match not a drinking contest! Antwan Hoover: The two men tip cups and act as if there going to drink it and then simultaneously nail each other with the beer cups! Moe Mentum: Both the dirty back stabbers had the same idea and both paid for it! Antwan Hoover: Diamond Dallas Scott tosses a chair over to JB Lawless who catches it in one hand and Chris Staggs is coming up from behind JB Lawless...and DDS dropkicks the chair and it nails Chris Staggs right in the face and Staggs goes down!!! Lawless can

t believe it! DDS take advantage of Lawless

s confusion for a second and he leaps over the top of the guard rail and hits him in the face with a flying elbow to the face that sends Lawless down to the ground! Moe Mentum: You can tell that arms bothering him as he

s got it hanging just limply at his side and he

s holding himself up with that good arm! Diamond Dallas Scott once again goes to take the advantage and is applying a camel clutch to JB Lawless and Lawless tries to get DDS to release the hold with his good arm and he falls straight down! DDS is sitting back on the camel clutch now! Antwan Hoover: God JB Lawless is not quitting though he

s not even uttering the words

I quit

s hanging in there like a true champion would! This Lawless guys is the Barbaric Champion he

s barbaric! Moe Mentum: Heck Chris Staggs is stirring again and he

s getting up to his feet and he

s got that chair and he pushes himself up with the chair and uses it for balance for a second and then he moves towards DDS! He swings the chair sideways and DDS has just limboed out of the way and he didn

t get blasted Chris Staggs lurches forward and he can

t believe all he hit was air with that shot! Antwan Hoover: DDS is ready to fight and Chris Staggs brings the chair up over his head and DDS is calling for it as he braces himself for the impact! Chris Staggs brings the chair crashing down

DDS ducked out of the way and Chris Staggs hit nothing but the guard rail!!! DDS nails Chris Staggs with a low blow and Staggs is about to go down and Diamond Dallas Scott hits him with a

Diamond Killer

Moe Mentum: NO Chris!! Chris You

re the

Main Eventer

kick out Chris kick out!!! Antwan Hoover: 1, 2, 3 Chris Staggs is gone! Moe Mentum: No that was my pick to take the whole thing!!! He

s a much better wrestler then JB Lawless and DDS! Chris Staggs has been eliminated Moe Mentum: Wait, Wait I thought you couldn

t be eliminated outside of the ring that

## CWA: #4

s

bogus! Antwan Hoover: The referee is letting it slide it appears and Chris Staggs has been eliminated it s as simple as that! DDS is walking towards lawless and he s bringing JB Lawless up to his feet and Lawless hits him in the gut with a right hand as his left arm has been pretty much left immobile! He hits him again and DDS let s go and JB Lawless pushes himself up off his knee and his arm is still hanging limp right off the side and he continues to throw punch after punch with that right hand and he s drilling them in on DDS! Moe Mentum: JB Lawless s right hands are just as good as his right hands! He s got DDS laid up on the guard rail just trying to survive! Antwan Hoover: DDS fires out and goes for the Diamond Killer

But JB Lawless has shoved him off with his good arm right back into the guard rail and now with the good arm JB Lawless grabs Chris Staggs head and places it between his legs! Lawless as much as he can with the bad arm and the good arm he picks DDS up and he Lawless Bombs him over the guard rail right onto the concrete!!!! Moe Mentum: That was sick!!!! DDS

s noggin

just bounced right off the concrete floor! Antwan Hoover: Lawless climbs his big legs over the guard rail and he lays down and DDS gets up and hooks the JB Lawless's legs and has him in a small package 1, 2, 3! Moe Mentum: DDS has walked out of this match and has advanced to the finals of the Titan of the Turnbuckles Match! Marvin Maxwell: The winner and advancing onto the finals of the Titan of the Turnbuckles Diamond Dallas Scott!!! Moe Mentum:

My god I can not believe this, Staggs was screwed plain and simple he was screwed out of his title! Antwan Hoover: What is it with you Canadians and getting screwed? We

ve got an arrival in the parking lot. Parking Lot (The Cajun Civic Center not exactly being a state of the art facility has a one door entrance to the backstage area and illuminated over this one door entrance is the world

illuminated in red lights. Under that the camera pans down to a couple of local hicks who one just happens to be wielding a shot gun in one hand. They both sit there with some straw hats and overalls plus there not wearing no shoes or socks and have long scruffy beards and from the looks of it they haven

t showered in months.) Hick #1: It sure was nice of dem

there CWA folk to let us be security for dem

Hick #2: That was down right decent of

em. (Just then a long white stretch limousine pulls through the murky fog that so often accompanies a Louisianan night. The Hicks have never seen a limo before because there going plum crazy.) Hick #1:

Wooooooo Wheeeee!! Look at that there car! Hick #2: Well I

ll be a croc

s uncle that there is just about the darndest thing I ever seen! (The camera man is focused on the ground and then the limosine door opens and then a foot clad in an alligator skin shoe steps on the pavement then another shoe does the exact same thing. The camera then pans up and wouldn

t you know it. It

Jason Starr and he

s wearing a forest green armani suit opened to reveal a maroon velvet muscle shirt underneath it along with some gold necklaces, and he

s got the EWF World Championship Belt slung over his shoulder complete with a pair of sunglasses and the chauffeur hands him his duffel bag and he slings that over the other shoulder and begins walking into the arena. As he

s about to open the door the first Hick puts the shot gun into his belly. Jason Starr looks down and gets a little nervous.) Hick #1: Just where do ya

think your goin

Jason Starr: To my locker room

Hick #2: I ain

t ever seen ya in the C-dubya-A

fore? Jason Starr: That

s because I just got became part of the CWA last week. Remember I

m one of Sweeney

s mystery men

You know I

m competing for the CWA World Championship here tonight

ve probably heard of me I

m an FWF Superstar

Jason Starr. Hick #1: Jason Staarr? Can

t say that I

ve heard of ya before...You ever hear of him Billy? Hick #2: Nope I

ve never have

Jason Starr: I

m the biggest star in the wrestling world and you

ve never heard of me what do you live in the swamps or something? Hick #1: as a matter of fact we do live in the swamp

Jason Starr: What are you doing here? Hick #2: We

re workin

security and there

s no way you getting in this arena

Jason Starr: You

ve got to be kidding me? I

m in the Main Event tonight you

ve got to let me into the building

this would

ve never happened in the FWF! Hick #1: This isn

t the FWF now is it? This is the C-dubya-A. So Mr. Starr I

m sorry but your not getting in this building

Jason Starr: Listen fellows you look like two rather smart guys

let me be straight with you guys what

s it going to take to get in the arena tonight? I

ll do anything

Both of the Hicks raise there eyebrows.) Jason Starr: Except that

Both the hicks get dissappointed and then start whispering something in each other

s ears. Finally both of the hicks nod there head.) Hick #1: Well I

ve taken a fancy to that suit of yours and my friend hear kind of likes that sparkly necklace you

ve got around your neck

Hick #2: and the sunglasses, don

forget about the sunglasses! Jason Starr: You guys have got yourself a deal! (Jason Starr starts removing his jacket as the scene goes back to a different area backstage where Jon Sullivan is talking to someone.)

Backstage: Jon Sullivan (A backstage camera finds Jon Sullivan and a lowly CWA East employee talking in the hall. Jon has his wallet out, and appears to be paying the employee.) Jon Sullivan: Look, here's the deal.

You go tell him that he has an urgent phone call, and then you lead him through this hall. I'm going to be waiting here, hiding, so that when you bring him by, I will jump out and beat the hell out of him. Got it?

Employee: I'm not so sure about this. I really like him, and

I wouldn't want to do anything to get him hurt. Also, President Sweeney told us not to get involved with the other

wrestlers, that we needed to mind our own business. (Jon stares at this man blankly, as if calling him an idiot.) Jon: President Sweeney told you this? Hello, I'm the hand-picked champion of President Sweeney! I

can do whatever I want, because we work towards the same goals. Now, you can do this the easy way, and make some money, or you can do this the hard way, and get your ass kicked. Either way, you're going to help me. Which is it going to be? Employee: Alright, fine. I'll help you. Jon: Good man. I knew you had it in you.

Here's your reward for being such a good little helper. (Jon hands the man

400, and then the man heads off to do his job. Jon remains in the hallway, and pulls out a black box from his pocket. He opens up the box, and inside is a pair of brass knuckles, and on top of them, the letters have been set in razor blades.) Jon: He's definitely going to realize why you don't [BLEEP] with me in just a little while.

(Jon chuckles to himself as he slips the brass knuckles on his right hand and looks for a hiding place.)

Titan of the Turnbuckles 1st Round Match-Up 4-Way Elimination Match Dr. Midnight Vs. Tommy Matrix Vs. Aaron Christopher Vs. Big Nasty Bastard

Antwan Hoover: Holy Crap that kid is looking to put his mark on DDS! Moe Mentum: Literally that Sullivan guy is scary! (

One Time Deal

plays appropriately as from behind the apron walks the ever so cocky

One Time Deal

Tommy Matrix he

s showing off his cockyness as he makes his way to the ring and these CWA fans obviously familiar with this young kid from the NEGWA are showing there distain for him.) Antwan Hoover: Look at this kid he

s not bigger then a stick yet he

s acting as if he were Elmer Adonis himself! Moe Mentum: If size mattered

then Racky Wreenkle would

ve never been a World Champion...it

s the size of a heart of a competitor that really matters! Antwan Hoover: That was beautiful

Moe Mentum: Don

t think I

m getting soft on you Antwan!!! (

plays as Aaron Christopher heads into the ring and he runs to the ring and the crowd is really beginning to take a liking to this youngster who is showing a lot of promise. He hops in the ring and Tommy Matrix is

## CWA: #4

making a face like he  
s nothing and he waves his hand as if to say this guy ain  
t crap and Aaron Christopher points at Tommy Matrix as the referee keeps these two competitors out of each  
others faces.) Moe Mentum: Whoa they  
ve got to keep these two seperated until the rest of the men can get down to the ring, this looks like it  
s going to be one heck of a match! Antwan Hoover: These men are ready to go all out for the most  
prestigious prize in the sport today a shot at the CWA World Title! Moe Mentum: Oh no it  
s that Big Nasty Bastard fellow!!! He looks pissed as well!!!! Antwan Hoover: They don  
t call him for the Big Nasty Bastard for nothing you know! This match is looking to heat up but Dr. Midnight is  
no where to be seen!! Moe Mentum:  
Wait, Wait let  
s build it up oh no Dr. Midnight is hobbling out under his own power what  
fortitude, what courage!!! Antwan Hoover: Moe what the heck are you talking about?  
His music  
s playing but no one  
s coming out to the ring, I don  
t think the good Doctor is going to be able to make it out to the ring  
tonight!! The good doctors has some serious damaged done to that knee of his! (  
Surfer Girl  
s stops playing as Dr. Midnight hasn  
t made his way to the ring and the match gets started! ) Antwan Hoover: There Aaron Christopher and  
Tommy Matrix are tearing into each other! Man those are some stiff hands from those two and Big Nasty  
Bastard is waiting to strike as he lurks outside the ring. Moe Mentum: Smart move let the Misfit and the  
Tommy Matrix are bashing each other  
s brains in! Aaron Christopher runs at Tommy Matrix and Tommy hip tosses him but he lands on his feet and  
he goes off the ropes and Tommy Matrix goes for another hiptoss and he holds onto this one and takes  
Aaron Christopher down into an Arm bar! (suddenly out of no where  
Like a Surgeon  
plays and the crowd stands on there feet and there going insane!! Then at the top of the ramp appears Dr.  
Midnight and he  
s in a motorized wheelchair and he  
s speeding towards the ring in his motorized wheel chair and he clips Big Nasty Bastard right in the back of  
the legs and Big Nasty Bastard hits the ground hard!) Antwan Hoover: Dr. Midnight has just come to the ring  
in a motorized wheelchair!!!! He didn  
t hobble to the ring he rode in style!!! Moe Mentum: This guy is nuts he  
s just clipped Big Nasty Bastard in the back of the legs and BNB  
s knees are stuck under that wheel chair and Dr. Midnight is going to bust BNB  
s knee  
s up! Antwan Hoover: Big Nasty Bastard is done I think and Dr. Midnight puts the wheel chair in reverse and  
backs off of him and he falls to the ground and turns Big Nasty Bastard over and the referee slides out of the  
ring and he counts the pin 1, 2, 3!!! Dr. Midnight has just eliminated Big Nasty Bastard!!! Moe Mentum: He  
took him out with that Motorized Wheel chair!!! Big Nasty Bastard has been eliminated Antwan Hoover: Dr.  
Midnight is trying to make his way back into his motorized wheel chair and that knee of his is still giving him

## CWA: #4

problems! Moe Mentum: In the ring Tommy Matrix has picked Tommy Matrix up and he  
s still got him in that arm bar, and Goblin hits his own shoulder and he drops down and flips on his head and  
flips up and sends Tommy Matrix down to the mat! Antwan Hoover: Tommy Matrix gets right up and is ready  
to fight and the crowd applauds this great wrestling but these two wrestlers don  
give each other much respect as they instantly tie up again and there battling for position and the grapple  
into the corner...and then Aaron Christopher has Tommy Matrix in the corner and he nails him with a knife  
edge chop, and then another and another and he  
s chopping the chest of Tommy Matrix raw!!! Moe Mentum: On the outside of the ring we  
ve got the man that has the deadliest chops in the game those Scalpel chops that of course being Dr.  
Midnight! Antwan Hoover: Now Tommy Matrix throws Aaron Christopher into the corner and he gives him a  
knife edged chop close to the throat and now he backs up and he puts everything he  
s got into that Knife Edged chop! And Aaron Christopher grabs his chest and walks forward clutching his  
chest in pain! Tommy Matrix applies a head lock to him and he drops down and he  
s got him in a cradle small package! Moe Mentum: Referee Pace drops down and begins the count 1, 2, and  
Aaron Christopher has reversed the small package on Tommy Matrix and gets the 1, 2, and Tommy Matrix  
kicks out with all the energy he has!!! Antwan Hoover: Good pinning combination between both men! Moe  
Mentum: Both men are up to there feet! Tommy Matrix and Aaron Christopher run at each other and it  
appears both thinks the other is going for a clothesline and they both duck out of the way  
they then turned around at the same time realizing that they indeed made a mistake Aaron Christopher  
reacts first and he hits Tommy Matrix with a back fist in his gut and Matrix is stopped dead in his tracks!!!  
Antwan Hoover: Aaron Christopher pulls Tommy Matrix into his legs and he hoists him up and he  
s going for a powerbomb! Matrix is fighting it though and he  
s punching Aaron Christopher in the head, again and again and again, and Tommy Matrix turns himself  
around on Aaron Christopher  
s shoulders and he drops down and he  
s got a Victory Roll on Aaron Christopher!!1 Moe Mentum: I haven  
t seen this move in ages! Antwan Hoover: 1, 2, 3!!! The Victory roll has worked and Tommy Matrix has got  
the cover! Aaron Christopher is out of this match! Aaron Christopher has been eliminated Antwan Hoover: It  
s down to the  
One Time Deal  
and the  
Surgeon General of the CWA  
and Tommy Matrix is wasting no time as Dr. Midnight is outside the ring in his motorized wheel chair and  
Tommy Matrix runs and he dives through the middle and top rope with a suicide dive and it sends Dr.  
Midnight, and his wheel chair flipping backwards and Tommy Matrix sprawling to the floor and Tommy Matrix  
some how lands on his feet, and he get  
s up and holds his arms up violently and is pumping them and then as if totally exasperated he falls to the  
ground!!!! Moe Mentum: Dr. Midnight  
s legs seem to be bothering him as he crawls towards the guard rail and he  
s trying to pull himself up but he just can  
t seem to do it...and Tommy Matrix is likewise using the guard rail to pull himself back up to his feet. Both  
men trying desperately to get up to there feet!!! Matrix is a cocky punk but he  
s for once in his career living up to the hype he puts around himself! Antwan Hoover: I can

## CWA: #4

t argue with that! Dr. Midnight we know should not be out here competing but you know what he is anyways, and you know why? Because he wants the CWA World Championship!!! The belt that means everything in this world!! Moe Mentum: I

ve long to hold that belt in my hands, but guess what sometimes we have to give our dreams up! I

m in a broadcasting booth now! Instead of in that ring! Antwan Hoover: I

m going to cut your self wallowing talk right there Moe!!! Dr. Midnight is up on his good leg and he

s hopping towards Tommy Matrix on his good leg! Tommy Matrix finally pulls himself up as he

s showing some fatigue on his face now! Moe Mentum: Tommy Matrix looks up and Dr. Midnight is hit on the hop with the Flash-Point!!! By Tommy Matrix!!!! Antwan Hoover: My god Tommy Matrix kicked the Doc right in the face and he could

ve snapped his neck with that kick!!! Moe Mentum: The Doc is down and Tommy Matrix gloats to the crowd as he falls on Dr. Midnight for the cover! Antwan Hoover: 1, 2 thre...yes three

Dr. Midnight almost kicked out but Tommy Matrix has won, Tommy Matrix is going onto the finals of the Titan of the Turnbuckles

Tournament!!! Moe Mentum: This is what the CWA is all about! Nobody expected Tommy Matrix to make it too the Finals of the Titan of the Turnbuckles and he did because on this night he is one of the best the CWA has to offer!!! Marvin Maxwell: The winner and advancing on in the Titan of the Turnbuckles Tournament is the

One Time Deal

Tommy Matrix!!!! Moe Mentum: Wait there

s my man Chris Staggs in his locker room, god he was screwed!!!! Parking Lot (The camera goes back around to the back of the arena at the entrance. The two hick guards are standing there. One of them has Jason Starr's sport coat. It is an obvious Armani coat. The other guard has on his sunglasses and his Rolex watch. One of them has gaps between his teeth big enough to fit a Buick. The other as well, the other has no teeth at all.) Hick 1: Dis heer job is nifty! We get free stuff that we can take home! Hick 2: Yeah, and we can use dis heer stuff to romance our cousins even further Hick 1: Now yer talking Billy Joe Jack John Larry Bob Horner. Hick 2: Thank you Billy Joe Jack John Larry Bob Gunther! Hick 1: Man, that Jason Starr is a sucker. We got all this heer stuff from him, and we had to let him in anyways, hyucka! Hick 2: Yep, we are some clever fellers. Hick 1: You know dat, buddy old pal! Antwan Hoover: That is disgusting! Heck if you Canadians are as disgusting as these two guys! Moe Mentum: Antwan your flatulence talk will get you no where with a cool, calm, and collective fellow like me. Backstage: Diamond Dallas Scott (A backstage camera has followed the bribed employee through the bowels of the building, back to where the locker rooms are. The man stops outside of Diamond Dallas Scott's locker room, and knocks on the door.) DDS: What do you want?

Employee:

Sorry to bother you, Mr.

Scott, but you have an urgent phone call. Please follow me. DDS: Urgent? Who's it from? Employee: Please, just follow me, and I'll explain on the way. DDS: Alright, but you'd better be serious. (The man leads DDS back along the same path he just came from, up until the hallway where Jon is waiting. He opens the door to the hallway, and DDS steps through first.) DDS: Seriously, who is the call from? Employee:

Ummm, I was told that it was your mother.

Supposedly, she is having a medical problem, and the hospital needs to talk to you. (Just then, Jon Sullivan jumps out from a doorway in front of DDS, and lays him out with a blow from the brass knuckles. DDS drops instantly, and Jon begins stomping the severely dazed and confused DDS. After Jon has finished pummeling

## CWA: #4

DDS, he kneels over the fallen superstar.) Jon: That should teach you to interfere in my matches. DDS, next time you look in the mirror, and you see the scar on your forehead, remember who did this to you, and maybe next time you'll think twice about getting involved in my business. See you tonight. Crap I'm up next I got to get out there! Moe Mentum: Dear God!!! He left his mark on Diamond Dallas Scott! Antwan Hoover: Literally! Moe Mentum: Ho, Ho real funny and what have we got the next match of the Titan of the Turnbuckles Match, and man this is going to be awesome! Sullivan better hurry if he wants to get out here in time! 1st Round Titan of the Turnbuckle Match 4-Way Elimination Match Ric Justus Vs. Big D Vs. Jon Sullivan Vs. Goblin Antwan Hoover: My god Ric Justus is making his way to the ring after that brutal Midwest Mayhem Match and he's still looking quit stoaked if I may say. Moe Mentum: Stoaked indeed Surfer Girl plays as Ric Justus has an actual surf board under his arm this time and the fans are still going wild for there hero. Ric Justus gives him the thumb and pinky up as he hops in the ring with his surfboard still in his hands He hops in the ring and awaits the next participants of this first round Titan of the Turnbuckles Match.) Antwan Hoover: Surfs Up Dude!! Moe Mentum: Ric Justus took a narly beating in one of what I've got to imagine was the most brutal match the CWA has ever witnessed. Antwan Hoover: There's no doubt about that but with that glazed over look in his eyes Ric Justus looks like he just got sucked under one huge wave. Let's see if he'll be able to compete against the other three men in this match. Including the CWA-East Heavyweight Championship Jon Sullivan. (Thug Rapper plays as Big D comes from the back and makes his way down to the ring with a half hearted reaction from the crowd. He hops in the ring and it appears that Big D and Ric Justus are discussing something.) Antwan Hoover: What are those two discussing? Moe Mentum: Here's where my in ring prowess is going to come in handy. It's obvious to any moron that Ric Justus and Big D are forming an alliance of sorts kind of too gain the advantage if you will. Antwan Hoover: Man that was insightful thank you Moe. (Misfitz play as Goblin comes running to the ring like a bat out of hell, and he's being chased by Jon Sullivan the CWA-East Heavyweight Champion Jon Sullivan who is wielding a steel chair.) Antwan Hoover: Goblin is being chased to the ring by Jon Sullivan and Goblin slides under the bottom rope and Big D hands one side of the surf board to Big D and Ric Justus and Big D goes for a double clothesline with the surfboard and Goblin...but Goblin has ducked out of the way and he comes off the opposite ropes and he jumps up on the surfboard and over the top rope and he's landed on Jon Sullivan and taken him out of the action!!!! Moe Mentum: Goblin is suicidal Sullivan has landed on the floor and Goblin is feeling the effects of that move!! Antwan Hoover: Truly outstanding what men will do to get there shot at the CWA-World Championship! In the ring it looks like the alliance between Big D and Ric Justus have broken down as they are screaming and yelling at each other. Each still holds there side of the surf board! Justus gets pissed and he tossed his end on the ground and turns away from

## CWA: #4

Goblin.. Moe Mentum: Not smart to turn

Antwan Hoover: Justus turns around catching Big D totally off guard and he dropkicks the end of the surfboard lying on the ground and the pointy end of the surfboard goes right into the mid-section of Big D and Big D goes down and he

s clutching his stomach in pain as he rolls around on the ground! Moe Mentum: He could have done a lot of damage to the intestinal walls and quite possibly even the stomach itself. Antwan Hoover: Ric Justus being the technician he is goes right to work on the lower abdomen of Big D and he puts the boots to it, and now he drops and elbow right on the abs!!! Moe Mentum: The more damage he does now the more likely it is that Big D will submit when placed in the

Scales of Justus

which does immense damage to almost every extremity on one

s body. Antwan Hoover: Now Ric Justus is applying the Figure-Four leg lock on Big D and D is screaming in pain and Goblin has made it back up to his feet and he hops up on the apron and Big D is screaming in the pain of the figure four leglock. Moe Mentum: Goblin is going upstairs and he

s on the top rope! Antwan Hoover: The Goblin is ready to fly and he jumps off the top rope and he does a somersault Guillotine Leg Drop onto Ric Justus and Justus has broken the hold once hit with that sensational move from Goblin. Justus is down and now Goblin grabs Big D

s right arm

and he climbs onto the first rope and begins bouncing on it

Moe any idea what he

s doing? Moe Mentum: No I have no clue what so ever

It appears pretty odd to me I

ve never seen anything like this before

Antwan Hoover: He continues to bounce as Big D just lies on the ground he continues to bounce now Goblin jumps off the top rope and his momentum no pun intended carries Big D slightly off the mat and Goblin continues to hold on and he comes down on Big D with another leg drop and he covers 1, 2, 3!!! Moe

Mentum: Goblin has just eliminated Big D! Big D has been eliminated Antwan Hoover: Now Goblin runs and nails Ric Justus with a fist drop to the face and Goblin goes for the pin 1, 2...and Jon Sullivan has pulled Goblin off of Ric Justus into a inverted sitdown powerbomb...and Goblin has had his face smashed into the floor! Moe Mentum: That

s another innovative move from the folks here in the CWA where innovation is even well

Antwan Hoover: Jon Sullivan has hopped up to the apron again and Ric Justus is making it up to his feet and he

s still looking punch drunk from the match earlier and Sullivan goes over the top rope and nails Ric Justus with a flying spear!!!! And Justus goes down hard!!! Sullivan bounces to his feet as the crowd is booing him brutally! Moe Mentum: Look at the skill he is exhibiting and the fans boo him this is why I enjoy Canadian fans more then these unknowledgable American fans. They appreciate good wrestling which is what is exactly what Jon Sullivan is and he

s mounting the top rope again

Antwan Hoover: This can only mean one thing for Ric Justus and that

s trouble!! Sullivan leaps off the top rope and look at the height of the jump and he nails Ric Justus with the Irish Bomb!!! 1, 2 3!!!! Justus has been eliminated!! Ric Justus has been eliminated Moe Mentum: No one has kicked out of the Irish Bomb but look at this Goblin is back up and he

## CWA: #4

s mounted the top rope once again that little bugger and Sullivan hasn't turned around and seen him yet

Antwan Hoover: Yet being the key word in that sentence ...and Sullivan turns around and Goblin goes for the cross body block but Jon Sullivan reverses it into a fall away slam ...and Sullivan does a rolling somersault and comes up and goes off the opposing ropes and he hops in the air and does a frog splash motion and nails Goblin in the head with a double axe handle smash and he covers 1, 2, and NO!!! Goblin

s kicked out after Sullivan hit him with that

Moe Mentum: With that Sullivan Somersuat Jumping Frog Splash Double Axe Handle Smash or SSJFSDAH for short

Antwan Hoover: What ever it was called it just couldn't

get the job done on Goblin and Jon Sullivan locks him in a sleeperhold laying down and he

s wrenching it in tough on Goblin but Goblin continues to fight...and he

s getting up to his feet and Goblin drops down and delivers an inverted jawbreaker to Jon Sullivan!! Sullivan reels into the ropes and Goblin rushes at him and Sullivan sees

him at the last second and Jon Sullivan back body drops over the top rope Goblin has held on and Sullivan runs at him and receives a fore arm to the face and he reels back and Goblin comes off the top rope and he goes for a flying clothesline on Jon Sullivan who ducks and Goblin gets a face full of mat!!! Moe Mentum:

Sullivan has got to seize the opportunity here and he

s waiting and waiting

Antwan Hoover: Wait for it wait for it give it some time

Moe Mentum: Stop singing your piece of crap and call the action Antwan Hoover: Goblin makes it up to his feet the fans are all booing and Goblin will just not turn around

Sullivan continues to wait

and wait

and wait and still Goblin doesn't

turn around and oh my god Goblin just fell flat on his face to the ground! Moe Mentum: Look at Sullivan he

s pointing at Goblin and he can't

believe this but he continues to wait in this crouched position ready to strike at a moment's notice

Antwan Hoover: Almost like a Rattlesnake!! Moe Mentum: I was thinking more of a moose before he charges and finally Goblin is making it back up to his feet

Antwan Hoover: Goblin is up and he turns around and Sullivan nails him right in the face with that big boot..and the move known as the Sullivan Kick and Goblin drops down

and he goes for the pin 1, 2, 3!!!!!!! Moe Mentum: Jon Sullivan has qualified for the finals of the Titan of the

Turnbuckles!! Marvin Maxwell: The winner of this Titan of the Turnbuckle first round match-up is the

CWA-East Heavyweight Champion Jon Sullivan!!!!!! Oscar, cousin of the Wrenkle's and friend of The

Skank's is walking down a hallway. Suddenly, out of nowhere, Damien Simons attacks him! He lays him out with his Driver! He then looks at the camera and says:

I told you I'd get him, Skank. You are

Moe Mentum:

Up next is the four-way match between Simons, The

Skank, Racky Wreenkle, and Beld Painkiller. One at a time, Skank, Racky and Beld all come to the ring. They stand in separate corners all of them. Finally, here comes Simons. Moe Mentum: Alright, here comes Damien Simons. He is coming to the ring. Wait, he has stopped at ringside. He has a mic. Damien: I have something to say to you, Beld. Actually, I have something to show you. Damien climbs in the ring. He has a picture. We can't see what it is. Hesitantly, he shows it to Beld. Beld sees it and becomes instantly livid. He begins to yell and scream. Damien: That's right! It's your wife! I have her. You take your ass to the back, and you may see her again! Go now! Beld yells a few more obscenities at Damien. He appears that he is about to strike Damien. Damien: If you touch me, you won't see her again! Beld seems to still consider it, but then walks to the back. Moe Mentum: Wow! I can't believe what has just transpired! The newcomer to the CWA in Damien Simons has apparently done something with Beld Painkiller's wife, causing him to be out of this match! It looks like we are just gonna have a three way dance now between Racky, Skank, and Simons. Antwan Hoover: And of course, you will notice that there is no Oscar at ring side, and that is care of Damien Simons as well do to his attack on him earlier in the night. Moe Mentum: This kid has made quite an impression here tonight. Let's see if he can keep it up with a victory here. The three men are getting ready to do battle and immediately Wreenkle and Skank go after Damien! I guess neither man appreciate what Damien did to Oscar and Beld. They whip him off the ropes. 3D! They hit a 3D on Simons! They may be able to cover him now but neither man does! They pick him up again! Kick to the gut DOUBLE SUPLEX! Again, they may be able to cover him, but don't! s amazing how close Simons is to winning this match after the brutal double teaming that he endured at the beginning of this match. Moe Mentum: He is a very impressive young man. But you can

t give enough credit to Skank for getting out of that ankle lock. Simons is frustrated now. He picks up Skank, but he just falls right back down! He can

gotten a wet wash cloth out and is cleaning the blood off his face as Beld flinches just a tad when she hits a  
spot that is causing him a lot of pain. Then in the background you here a whining sound like that of a vehicle,  
or maybe even a motorized wheel chair. It is indeed a motorized wheel chair as Dr. Midnight pulls into the  
locker room, and following him decked out in a pair of surfer shorts, and a Surf board in his hands comes Ric  
Justus) Beld Painkiller: Well if it isn  
t Old Man Midnight, and the

Ric settle down man settle down, Beld what happened to you

said that you didn  
t even care if you won the Titan of the Turnbuckles Tournament or not? What  
s up with that? That  
s like saying I don  
t care if my mail man steals my Black Woman  
s Quarterly! Dude snap out of it what the hecks going on with you? Beld Painkiller:  
I don  
t care, I  
m just here collecting my pay  
check!!! Ric Justus: Man Beld you sold out!!!! Beld Painkiller: I sold out!?!?! You  
re the one doing the surfer gimmick!!! (Beld stands up and Ric Justus and Beld get right in each others faces  
and are staring each other down, and then Dr. Midnight maneuvers his motorized wheel chair in between the  
two men to breaks them up.) Dr. Midnight: Stop it guys, we  
re on the same team here. We

They come out here and talk trash to us time and time again, yet we just sit back, well I'm tired of sitting!!! I'm going to stand up for myself!!! (Dr. Midnight tries to climb out of his motorized wheel chair and stand up, but he tries to put pressure on his bad leg and he sits back down.) Dr. Midnight: Just as soon as my leg feels a little better. So what you say Beld? You going to just keep going through the motions? Collecting your check? Or you going to start giving a damn about what goes on around here? (Beld looks at his wife who is giving him that honey please don't look. He then looks back at Dr. Midnight with a confident face.) Beld Painkiller: I give a damn! (Beld Painkiller shakes Dr. Midnight's hand, and then Ric Justus, and Beld Painkiller look at each other then finally after the reluctance has passed they shake hands as the scene goes back into the ring.) Tony Bologne: This could be the strongest alliance I've ever seen in a group of men!!! These men the men that made the CWA have joined forces!!! William Ragne: I don't trust any of those guys especially that Surfer Dude Ric Justus, there's more behind this than meets the eye!!!! Tony Bologne: There's more to meet the eye in this next match coming up as well!!!

Main Event #2 Titan of the Turnbuckles Tournament Finals 4-Way Elimination Match Damien Simons Vs. Tommy Matrix Vs. Jon Sullivan Vs. Diamond Dallas Scott

(The Way I am plays as Jon Sullivan makes his way to the ring and fans are booing him badly.) (One Time Deal plays and out to the ring comes Tommy Matrix, and then almost as if they can't wait Damien Simons with a some gauss rapped around his head to stop the bleeding comes running from the back, and shortly after DDS comes running to the ring and both men slide under the ropes and Damien Simons starts ripping into Tommy Matrix, and Diamond Dallas Scott looking to get revenge for what Jon Sullivan perpetrated on him earlier in the night begin fighting with each other.) Tony Bologne: Dear Lord, Damien Simons hits the ring with Reckless abandoned! As does DDS and we've got a straight brawl to start things off all four men in that ring are ripping into each other!!! William Ragne: It

## CWA: #4

s no secret that Diamond Dallas Scott and Jon Sullivan absolutely hate each other!!! Especially after what Sullivan did to DDS earlier in the night but some of the fans at home might not know that over in the NEGWA Tommy Matrix and Damien Simons have fought over the J-Crown countless times in some of the most brutal matches the NEGWA has ever witnessed and the carnage has spilled over into the CWA!!! Tony Bologne: There

s no doubt about it, and in the exchange between Matrix, and Damien Simons; Simons has gained the upper hand and he whips him into the ropes, and at the same time Jon Sullivan Irish Whips Diamond Dallas Scott into the other ropes and Tommy Matrix and Diamond Dallas Scott collide with each other in mid-ring and are so disoriented by the force they impacted each other with begin tottering backwards the way they came and Damien Simons takes advantage of this with a back body drop on Tommy Matrix right into a pin, as Jon Sullivan does an Inverted Monkey Flip on Diamond Dallas Scott that sends Diamond Dallas Scott onto the top rope of the ring hunched over and he

s has to be feeling the pain from that move!!! He

s hung up on the top rope!!! William Ragne: Referee Teddy Bare slides in and counts the pin attempt by Simons on Matrix 1

and no Tommy Matrix manages to kick out and he smartly rolls out of the ring to collect himself before he heads back in the ring! Tony Bologne: That

s a smart move, but Damien Simons is not going to allow Tommy Matrix any time to rest!!! He

s headed outside the ring after him! Jon Sullivan is climbing those ropes folks and he

s sitting Diamond Dallas Scott up on the top rope as he positions himself and he goes for a Huracanrada but DDS reverses it into a sitdown powerbomb right into the pin 1

3!!!! Jon Sullivan has kicked out!!! William Ragne: On the outside of the ring Tommy Matrix has hunched himself over on the guard rail and is trying to get some wind back in him as Simons turns him around and plasters him with a big right hand that sends Tommy Matrix flipping over the guard rail into the first row of fans!! The security is moving in and clearing people away from there seats as Damien Simons begins to pull the guard rail away from the fans and he

s got it touching the ring now in kind of a V like shape, and Damien Simons is up on the apron!! Tony Bologne: Diamond Dallas Scott senses an opportunity to make his presence felt and he nails Damien Simons with a forearm to the back of the head and it sends Damien Simons flying into the chairs in the first row head first and he

s out of it!!! Tommy Matrix is getting up to his feet and he rubs his head with his hand to see if there

s any bleeding but there

s not and he

s still trying to shake the effects of that punch off...and he falls backwards into the ringside area and he

s propping himself up against the ring...Diamond Dallas Scott does a baseball slide but he missed him and he slides right on through and hooks the head of Tommy Matrix and nails him with the

Diamond Killer

William Ragne: 1

2...and Damien Simons makes the save!!! Obviously wanting to be the one who puts Tommy Matrix out of this match! He double Axe handled DDS to the back of the head and now Damien Simons hooks Diamond Dallas Scott and it looks as if he

s going for a body slam and he does and he

s just body slammed Diamond Dallas Scott right across the top of the guard rail and DDS writhes in pain and

## CWA: #4

falls off!!!! Tony Bologne: DDS is going to have severe vertebrae damage!!! William Ragne: Damien Simons is going to climb over the guard rail but over the top ropes comes Jon Sullivan and he is flying in the air and what height he got on that jump!! He comes crashing down on Damien Simons and he is hurt himself in the process as well but Simons is down and all four men are down on the ground!!!! Tony Bologne: That right there is why people say that he is the best high flying big man in the game today!!! William Ragne: These men are all broken and Sullivan is kicking his legs on the concrete in pain trying to block that pain out of his mind, and he crawls over and covers Damien Simons..1

NO Simons got his shoulder up at the last possible second!!! I don't know how he kicked out but he did!! Tony Bologne: Sullivan said to himself that one didn't work and he is going over to make a pin attempt on Tommy Matrix 1, 2, and Tommy Matrix slides his little frame out from underneath Jon Sullivan! This match is still going on Sullivan can not believe that Tommy Matrix has kicked out!! He is getting right in the referee's face, and my god these men are nose to nose and the referee is not backing down at all..and I don't think he knows who he is dealing with here! Jon Sullivan backs up and he spits in the referee's face!!! William Ragne: Yeah Jon put the referee in his place!! That's a boy! Tony Bologne: Sullivan turns his back and the referee wipes the spit off his face and he acts as if he is going to charge Jon Sullivan and Sullivan turns around and holds his fist in the air and the referee gets scared and backs off!! By this time Tommy Matrix has made it to his feet, and Damien Simons is coming up from behind Jon Sullivan and Tommy Matrix goes for his version of the Super Kick on Jon Sullivan, but Sullivan ducks out of the way..and Tommy Matrix has just plastered Damien Simons with the kick and Simons is down again, and Sullivan nails Tommy Matrix with his version of the super kick, aptly named the Sullivan Kick and Tommy Matrix is down!!!! Jon Sullivan covers 1

The referee pauses and tells the referee to count the pin 3!!! Tommy Matrix has just been eliminated by Jon Sullivan!!!! Tommy Matrix has been eliminated William Ragne: A deliberate slow count by the referee for Jon Sullivan and this ref sucks we've got to get Teddy Bare out of here!! Tony Bologne: Sullivan smelling blood goes for the pin on Damien Simons 1

Damien Simons kicked out!!! William Ragne: This is absolutely ridiculous!!! That was the slowest count I've ever seen and Sullivan is not going to stand for this and he is again getting in the referee's face!!! Tony Bologne: He started this whole mess and he deserves what ever he gets because of it!!! William Ragne: Look at that sniveling coward Teddy Bare!!! He is begging for his life!!! He looks like you in our match up earlier in the night!! Tony Bologne: Shut up Will!!!! Sullivan has him by the cuff of his shirt and I'm not sure what he is going to the referee and from behind Damien Simons nails Jon Sullivan with a low blow and Sullivan instantly lets go of the referee and turns around and he is holding his crown jewels in pain, and Damien Simons lifts Sullivan up over his head and he

## CWA: #4

s going to Gorilla Press Slam him across the apron and he throws him and Sullivans heading right for the guard rail and Diamond Dallas Scott nails Jon Sullivan with the Diamond Cutter and Sullivan s neck has snapped off the top of the guard rail!! And what a move and Sullivan falls limp backwards and Damien Simons hoooks the leg and the referee counts 1,2,3!! God I couldn t even spit the numbers out fast enough!!! William Ragne: That was fast count!!! That was a fast count!!! He can t do that!!! Tony Bolonge: He just did and the CWA-East Heavyweight Champion has just been eliminated from a combined effort by DDS, and Damien Simons!!! Jon Sullivan has been eliminated William Ragne: Sullivan should still be in this match!!! Tony Bologne: Well he s not so just leave it at that!! He s gone and Diamond Dallas Scott and Damien Simons are the only one s left and DDS is coming over to Simons side of the guard rail or at least he s trying to! The back is still bothering him! William Ragne: Damien Simons goes over to Diamond Dallas Scott and he hooks him and he delivers the Devil s Drop!!! Good Gawd Damien Simons covers Diamond Dallas Scott 1 3!!!!!!!!!!!! Good God!!!! Tony Bologne: Damien Simons has won the Titan of the Turnbuckles Tournament!!!! William Ragne: HE s going to go onto the April Pay-Per-View to face the CWA World Champion!!! I never thought Simons would be the man to walk out of this tournament the winner!!! Tony Bologne: That s great about this tournament anyone can win!!! We don t just say it!! Anyone can win!!! Marvin Maxwell: The winner of the Titan of the Turnbuckles Tournament is Damien Simons!! William Ragne: Damien Simons is going up the ramp way after a hard fought battle and oh my god it s Beld Painkiller, Dr. Midnight, and Ric Justus and Beld Painkiller is beating the stuffing out of Damien Simons and the Ric Justus is running towards the ring with that surfboard in front of him, as Dr. Midnight has the wheel chair is carrying him down to the ring!!! My god Dr. Midnight s got that enema bag full of marbles!!!! Tony Bologne: This must be what they were talking about backstage!!! Ric Justus has hopped that guard rail and he picks Tommy Matrix up and tosses him over the guard rail!!! Ric Justus then finds where Sullivan is lying and he starts nailing him with the pointy end of the surfboard!!!! William Ragne: There goes Dr. Midnight towards Tommy Matrix and Matrix looks up and he s met right on the top of the head with that enema bag full of marbles!!!! Tony Bologne: Beld s taken the gauss off Damien Simons head and he s reopening the would on Damien Simons forehead and Damien Simons is bleeding profusely!!! This is nuts!! William Ragne: We re out of time!!! No!! No!!! You can t miss this...You can t miss this!!! Tony Bologne: Oh My God!!!!!! I can t believe that!!! (Scene fades to black.)
