Dandom swings for a lariat, Unexposed ducks, rebounds, and catches Dandom with a stiff clothesline that levels him. Dandom pops up and hits a surprise sweep, dropping Unexposed in retaliation.

They return to their feet and begin trading stiff punches in the middle of the ring. Dandom gains the upper hand and whips Unexposed into the ropes, catching him on the rebound with a deep armdrag—then another! With momentum on his side, Dandom hooks in a double underhook and lifts for a picture-perfect Double Underarm Suplex!
